

Learning Center RCK  
Student Application to Tutor  
Rm 296

Thank you for your interest in tutoring in the learning center. Please keep this in mind:

1. You may apply to tutor for a subject or subjects where you are a strong student. A teacher recommendation for each subject must be completed. Ask a current or previous teacher of each subject you wish to tutor, to complete the recommendation form.
2. Complete this application and bring it to the learning center in room 129 or drop it in the mailbox in the main office with the teacher recommendation
3. The need for tutors in different subjects varies from time to time. Some tutors may work regularly while other may work when there is a need for their specialty.
4. If you are approved as a tutor, you should expect to participate in an orientation, tutor the first ten hours as a volunteer, and be confidential and positive.
