CALL TO ORDER

The new DASA (Dignity for all Students Act) policy was discussed with the three principals and members of the committee. Several suggestions were agreed to. One such suggestion was the 2<sup>nd</sup> paragraph on page 3 - The District will annually report .... Mr. Jose Carrion will be preparing a "District" form for this reporting.

NEW DASA POLICY

The policy was finalized and will go before the Board for a first reading at their first meeting in January.

The committee reviewed the package of policies with suggestions from the attorney:

POLICY/REG.  
CHANGES/REVISIONS

Public Conduct on School Property -1520-R

Reviewed by committee. Committee was in agreement for the insertion of the word **possess** in #12.

Prohibited Conduct - 5312

Reviewed by committee. Item D 1 – we will insert the word **district** after school.

Drug and Alcohol Abuse – 5312.1

Reviewed by committee. All in agreement as stated.

Since some committee members had questions for the attorney, it was suggested that the attorney be available by phone for the next committee meeting so that she/he could justify the reasoning in back of her/his suggested changes.

The meeting was adjourned at 5:35 p.m.

ADJOURNMENT

Respectfully Submitted,

Susan Penney  
District Clerk
