**Target Peer Review Panel Date:**

Wednesday, April 6, 2011

Applicant must prepare a portfolio of activities in accordance with the **Standards and Criteria Table** which follows, as well as present the portfolio and the details of the plan before the Peer Review Panel.

Applicant and student work may be submitted in hard-copy form, on diskette, CD, videocassette or audiocassette, clearly labeled with the applicant's name. Photographs, including digitals, are also acceptable. When submitting material in electronic format, indicate the format and software program used on the label. All submitted materials must fit in a reasonably sized box or envelope. **All student materials which are to be shared beyond the Peer Review Panel (e.g., via the web, newsletters, presentations, etc.), must be accompanied by a completed parent consent form (attached).**
