Participation and communication is of the utmost importance in this class - Both student and parent participation and communication is crucial to a student's success.

Extra Help

If for any reason you need to reach out to us, please do not hesitate! When we are not teaching, we can be contacted via email, phone, or through Google Classroom. We are also more than happy to set up virtual or in-person extra help.

Extra Help During School Hours: By appointment only.

Extra Help After School Hours: Ms. Bardes stays after on Thursdays.

Independent Reading

You are required to have a book of your choice with you each day. We will be spending the first ten minutes of each period reading these independent reading books. We will also be working with these books alongside our class texts.

Each quarter, we will have days where we will both use our in-class library, and go to the school's library as a class. This is where you can find your books! As an additional resource, there are multiple ways to find both free and paid ebooks.

If you ever need recommendations, please let us know! We are always happy to help.

Grading Scale

Classwork - 1 Point per Question

Notebook Practice - 10 Points

Journals - 8 Points

Major Writing Assignments 10 - 15 Points

Every assignment is given a point value. At the end of the marking period, the number of points earned will be compared to the number of points that can be possibly earned to arrive at a numerical average.
