WJH PTA - YEARBOOKS

We are getting close to deadlines for photos. We need to have all photos submitted by end of month.

Because the school does not have a school photographer, we are completely relying on parents, students and staff to supply us with some photos. We are not getting the same response we did last year.

Below is a list of what is still needed. While sports are important, so are the school clubs and awards, recognition and everything else. They should be included in this request too.

All photos can be emailed to wearewappingers@gmail.com

CELEBRATE NATIONAL DAY (APRIL):

TODAY: National Look Alike Day on April 20th celebrates those who look like another person. National Look Alike Day each year on April 20th celebrates those who much like look like another person. Similar to the two sentences preceding this one, people who look like each are still unique in their own way.

This day was created as a fun day to look like another person. Growing up, did a teacher constantly call you by another student's name? Some of us often hear the words, "You remind me of someone," or "You look just like so and so." If so, then you are one step ahead of the game.

Professional look-alikes perform as entertainers. Some of the most famous roles they play are Elvis Presley and Marilyn Monroe. But others look like presidents or actors.

You might call it a doppelganger if you find your spitting image. However, seeing your doppelganger suggests you've seen your spirit double who roams the Earth. In folklore, seeing your doppelganger signals a bad omen. Though over the years, the term has come to mean someone who looks just like you.

Now the chances of finding someone who is your mirror image depends on who you believe. There's no strong scientific evidence one way or the other, and different tools analyze different features. But if you've met your living clone, you know just how likely the chances are of running into your look alike.

Thank you.

Remember...WE ARE WAPPINGERS !!
