CELEBRATE DECEMBER'S NATIONAL DAYS:

Today - National Pastry Day celebrates one of the world's most favored baked goods. On December 9th, visit your local bakery and pick up one or two of your favorite kinds.

The pastry is a name given to a large variety of baked goods which are made with ingredients such as flour, sugar, milk, butter, shortening, baking powder, and eggs. Pastry dough is rolled out thinly and then used as a base for different baked products. A few of the more common

bakery items include pies, tarts, quiches, and pasties. Bakers create both savory and sweet dishes from the doughs they create. Additionally, they continue to develop new and delicious creations all the time!

Tomorrow - In the middle of the holiday shopping season, National Salesperson Day recognizes the personnel who make sure the products keep flying off the shelves. On the second Friday in December, the day honors the value and dedication of the professional salesperson and the hard work that they perform.

A good salesperson is knowledgeable about the product. They answer customers' questions and provide additional information when necessary. Many customers have favorite salespeople, and they know the salesperson provides the best customer care.

This time of the year, sales personnel are especially busy. Holiday shopping is in full swing. A salesperson is the frontline of any business. Often, they are the first person a customer sees. They're definitely the first one they think of asking to speak to when they have a question.

Thank you.

Remember...WE ARE WAPPINGERS !!
