STUDENTS NEED TO REMEMBER TO BRING A MASK TO SCHOOL.

STUDENTS NEED TO BRING THEIR CHROMEBOOKS TO SCHOOL EVERY DAY.

CELEBRATE NATIONAL DAY (FEBRUARY):

TODAY: On an early Friday in February, lunchrooms across America have accepted the mission started by National No One Eats Alone Day.

No One Eats Alone is a positive initiative from the nonprofit [Beyond Differences](#) aimed at creating a lunchtime of inclusion. Organized by students for students, middle schools across the nation look beyond differences and find ways to start conversations at lunchtime - with everyone. No one eats alone.

That means every student in every lunchroom across the country will be eating with someone else. Students have taken up the charge to see to it that they invite other students to join them. They are making room. Filling empty seats or filling tables that were once occupied by only one student. They're starting conversations, closing the divide, and sitting with others. And they're getting to know people across the table. No matter their differences, no matter what, no one eats alone.

Thank you.

Remember...WE ARE WAPPINGERS !!
