### **CELEBRATE NATIONAL DAY OF JANUARY:**

TODAY:

The fourth Wednesday in January offers a unique opportunity for book lovers on Library Shelfie Day.

Some collectors of books tend to arrange their collections so their spines can be admired pleasantly. Others have a system of organization that results in an alternative art form. However, our books are organized on the shelf, they are meant to be Library Shelfies offering book stores, libraries, schools, and individuals an opportunity to express their reading preferences through a single photograph. Whether they frame their favorite authors, titles, genres or cover art, readers share a bit of their library in creative ways. With or without dust jackets, signed and unsigned, dogeared and in mint condition, bibliophiles love books of all kinds.

Thank you.

Remember...WE ARE WAPPINGERS !!
