CELEBRATE NATIONAL DAY (MAY):

TODAY : Today is May 18 and we encourage all family members to stay connected during National Visit Your Relatives Day.

Sometimes it is hard when families do not live close. Often siblings, cousins, parents and dear relatives are scattered across the country.

Our hectic life makes it easy to get caught up in the busyness of today's fast-paced lifestyle. We often lose touch with our relatives. National Visit Your Relatives Day reminds us to stop for a moment and take some much-needed time to visit those relatives we care about. Life is much too short not to make time for family, especially for those we have not seen or spoken to for a while.

With today's technology, we are now able to communicate with loved ones living far away. Technology makes sharing our lives easier, almost as if our relatives are right beside us. With the use of modern technology, have opportunity to share our lives in real time.

Thank you!

Remember...WE ARE WAPPINGERS !!
