National Day

Today - Forgiveness is a potent tool on a journey of spiritual, mental, emotional, and physical health. That's why on September 27th, National Day of Forgiveness encourages us to develop realistic methods for incorporating forgiveness in our lives.

The act of forgiveness is powerful. But, granting forgiveness is more than an act – it's a process. Forgiveness teaches us about ourselves as much as it teaches us about others. Whether a person suffers from mental or emotional pain, grief, or trauma, forgiveness can set us on a path of healing. Forgiveness can also develop into a practice that teaches us to value compassion, kindness, and love.

Tomorrow - National Good Neighbor Day on September 28th creates an opportunity for neighbors to get to know each other better. This day acknowledges and celebrates the importance of a good neighbor.

It is a blessing to have a good neighbor, but it is even a greater thing to BE a good neighbor. Good neighbors often become friends. They watch out for each other, lend a helping hand, and are there for advice when asked. Neighbors offer that cup of sugar when we are short, collect our mail when we are on vacation, watch our homes, and sometimes watch our children and our pets. Simply put, being a good neighbor makes good neighbors and develops lifelong friendships

Thank you.

Remember...WE ARE WAPPINGERS !!
