CELEBRATE NOVEMBER'S NATIONAL DAYS:

Today - Cupcake lovers celebrate each year on National Vanilla Cupcake Day. These small cakes get their day on November 10th. Indulge in one or several. Cupcakes have also been known as: Fairy Cakes, Patty Cakes and Cup Cakes (different from Cupcakes (one word))

Cupcakes can be traced back to 1796 when a recipe notation for a cake to be baked in small cups was written in *American Cookery* (by Amelia Simmons). The earliest known documentation of the term cupcake was in 1828 in *Seventy-five Receipts for Pastry, Cakes, and Sweetmeats* in Eliza Leslie's Receipts cookbook.

Cupcakes were originally baked in heavy pottery cups. Today, some bakers still use individual ramekins, small coffee mugs, larger teacups, or other small ovenproof pottery-type dishes for baking their cupcakes.

Today, cupcakes are an art form. Bakers create elaborate decorations and displays utilizing a variety of ingredients. Whether they're the centerpiece of a wedding, birthday, or anniversary, cupcakes satisfy everyone's sweet tooth. Colorful and fun, these single-serving delights offer a pleasing option when planning any celebration.

Tomorrow - Veterans Day on November 11th honors military veterans who served in the United States Armed Forces. The federal holiday coincides with Armistice Day and Remembrance Day, which marks World War I. These observances reflect the end of significant hostilities at the 11th hour on the 11th day of the 11th month of 1918 when the Armistice with Germany took effect. Initially, the United States observed Armistice Day as well. However, it evolved into the current Veterans Day in 1954.

Veterans Day is not to be confused with Memorial Day or Armed Forces Day. Veterans Day celebrates all United States military veterans. However, Memorial Day is set aside for remembering the men and women who died while serving. Additionally, Armed Forces Day recognizes the men and women currently serving in the United States military.

Thank you.

Remember...WE ARE WAPPINGERS !!
