

# John Jay Senior High School Student Drop-Off Area

Vehicles entering the drop off area are expected to pull as far forward as possible along available curb line space, drop off students and then immediately exit. Drivers do not need to wait for the vehicles in front of them to depart, the roadway is wide enough to allow access around stopped vehicles. Handicap parking and unloading is available at the north end of the drop off area if needed. There are two (2) sets of stairs and one ramp to accommodate students from the drop off area to the school.
