GREAT AMERICAN SMOKEOUT - NOVEMBER 19, 2020:

*Did you know that approximately 20% of high school students in New York state reported using a tobacco product (CDC, 2020)? The Great American Smokeout is an annual nation-wide event, created by The American Cancer Society, that takes place on the third Thursday of November each year. This year it will be held on **November 19th, 2020**. Communities that participate in this event work to encourage those who do smoke to start in taking an important step towards the journey to a healthier life and reducing cancer risk. **No matter what age, quitting smoking can benefit your health. Quitting smoking isn't easy. It takes time, support, and a plan. You don't have to stop smoking in one day. Start with day one!** For more information and resources on this event as well as supports in how you can quit can be found on the American Cancer Society website (<https://www.cancer.org/healthy/stay-away-from-tobacco/great-american-smokeou>)*
