OUR SCHOOL

John Jay Senior High School is named after John Jay, a founding father and first Chief Justice of the United States. We are located in the Mid-Hudson Valley, 55 miles north of NYC. We are part of the Wappingers Central School District which includes Roy C. Ketcham High School and Orchard View Alternative High School. We are a comprehensive public high school for grades 9 through 12, with an approximate enrollment of 2000 students. Approximately **90%** of our senior classes pursue higher education upon graduation. The building is serviced by a faculty of 161 and support staff of 47. John Jay Senior High School has a tradition of excellence in academics, fine and performing arts, interscholastic athletics and co-curricular programs.

ACADEMICS

John Jay students benefit from a rich curriculum including courses in Art, Business, Computer Science, Career and Life Science, Health, English Language Arts, Mathematics, Music, Physical Education, Science, Social Studies, Technology, and World Languages (French, Italian and Spanish).

OUR COMMUNITY

The Wappingers Central School District is one of the largest school districts in New York State with an enrollment of over 12,000 students. The district, which is in Southern Dutchess County, is nestled within the scenic country side of the lower Hudson Valley. It covers 110 square miles and serves a residential suburban community with a population of approximately 75,000. It is supported by a service economy abundant in retail and professional employment opportunities, steeped in history and rich in culture. A large percentage of our residents are college graduates engaged in professional careers. IBM Corporation is a major employer, along with other computer-related and "high tech" manufacturing companies. New York City is within commuting distance. Vassar College, Marist College and Dutchess Community College are located in nearby Poughkeepsie. Other institutions of higher learning in the area include: Bard College, Mount Saint Mary College, the State University of New York at New Paltz and the Culinary Institute of America.

2018-2019 TOTAL MEAN SCORES: SAT SCORE

(Number seniors tested: 339)

**Evidence-Based Reading and Writing 564,
Math 556, Total Score 1120**

Too few students took the SAT to provide mean scores for the 2019-2020 school year.

School Closing During COVID-19 Pandemic:

Spring 2020 and Fall 2020 SAT, SAT Subject Tests, and ACT These standardized tests were not available in our district and much of the surrounding school districts beginning March of 2020. Local testing will resume when our district transitions to a hybrid model which is planned for late October 2020.

School Closing Spring 2020 John Jay High School ceased in-person instruction on 3/13/2020 and transitioned to distance learning effective 4/3/2020. During distance learning, there was no set time, but students were expected to log in daily to complete work. The school used a quarter grading system to calculate semester and final grades. Students were able to complete Q1-Q2 prior to transitioning to distance learning. For Q3, the quarter was extended, and the grade mostly reflected time in school as well as review work for the 2nd 5 weeks of the marking period. Grading for Q4 was changed to a four-tiered numeric grade scale, Exceeds Grade Level-100, Meets Grade Level- 85, Attempts Grade Level- 75, and Work not attempted- 60. The final grade was calculated averaging Q1-Q4 grades. NYS Regents exams were canceled for June and August 2020.

2020-2021 Academic Year The school year began fully remote through 10/28/20. Beginning on 10/29/20, students will begin attending a two-day-a-week in person (with distance learning the other three days) or 100% distance learning model for students who parent(s) opt this option for their student. During distance learning, students will be learning both asynchronously and synchronously via web platforms and are expected to be active participants. Normal grading policy will be implemented for the 2020-2021 academic year regardless of instruction, in-person, or distance learning.
