It's unique. It's empowering. It's transformative.

Each summer, high school girls from all corners of the globe gather at the home of one of the world's most admired women leaders of all time, Eleanor Roosevelt, to discover their passions, find their voice, and uncover their potential.

Girls will embark on an eight-day journey for an experience like never before. Emboldened and empowered through mentorship, leadership development, creative learning and activism, they'll learn what it means to be the compassionate, socially conscious, fearless leaders of a new tomorrow.

BE THE *girl* THAT CHANGES

THE WORLD
