

Good afternoon!

I hope you and your family are doing well! While things may seem a little stressful and new, I want you to assure you that we will figure this out together. It is my goal to get you the information you need to be successful in this course and to help you navigate what our learning will look like together.

As we begin our learning this way, here is some important information you will need to keep handy:

I will be sure to notify your child of any assignments through Google Classroom.

The best way to reach me is through EMail: lisa.esposito@wcsdny.org

I will have office hours Monday through Friday from 9:15-10:00, 11:45-12:30 and 2:30-3:15. This means I will be available to answer any questions you have in a Google Meet. I will post the links for these meetings on your child's Google Classroom by Thursday afternoon. I will also be available for live email responses from 8:15-9.

Our first assignment together is to do a "test run". This means we want to see if you have access to begin working this way and if you can check in.

Please have your child go to our Google Classroom and complete the Survey. It is short and an easy way for us to share information.

When you submit it, it will record your name and I will be able to see that you were able to get the information I set up for you. Please complete this by the end of the day Friday 4/3. As I need you to complete it so we can see what we need to get you if anything. It will count as a classwork grade.

There are still a lot of questions we all have, including grades and what the rest of the year might look like. Don't worry, I will share any information we get with you as soon as it becomes available. For now, be well! I miss seeing you all at school!

Sincerely,
Mrs. Esposito
