September 22, 2020

Good Afternoon Wappingers Central School District Community,

Welcome Back. Please be aware that the requirements with respect to school aged immunizations remain in effect, even as the Wappingers Central School District began the school year on a virtual platform. The law remained the same and required all enrolled students, K-12, to be fully immunized and/or in process by the end of the 14 calendar day grace period. The 14 calendar day grace period, which started on the first day of school i.e., 9/10/2020 will expire on Wednesday 9/23/2020.

For students who remain out of compliance with the law, they will not be able to continue with their class schedule until such time they are again in process with the approved immunization schedule.

Our building nurses have been in contact with those impacted families/students and are assisting as appropriate. If you have any questions please contact your child's school nurse as they are the medical professionals in each of our buildings and can assist as needed.

Thank you

Sincerely,

Richard Zipp

Assistant Superintendent Student Support Services & Special Education
