This Month's Workshop Details

Help! My Child is Failing: This workshop will focus on what you can do to help your child raise their failing grades. It is not too late for your child to turn things around. This workshop will show you how to check your child's missing assignments, their grades, how they should communicate with their teachers, and what they should prioritize.

Coffee Chat w/RCK Moms: This coffee chat will continue to be held during the second week of each month! Join us for a conversation and opportunity to share, laugh, and destress with fellow moms.

Proceso de aplicar a la universidad: Este taller sería en español para nuestras familias latinas/bilingües. Aprenderás la información necesario para que tu hijo pueda asistir a la universidad.
