We have created a new fundraiser for our school! When you use Shutterfly for ANY of your needs, simply visit the storefront and click on the link that says "Shop Shutterfly" and continue with your Shutterfly order. A percentage of your purchase will go directly to the school.

Storefront Link:

If you are interested in getting prints of any school photos taken by yearbook staff, first go to the storefront link above and then go to this link:

As photos are taken throughout the year, they will be available at this link. Continue to check back!
