

March 2020

Dear Families and Students,

Welcome to AIS Reading online! I hope this letter finds you and your families safe and healthy. As we are closed for an extended period of time, work is being provided for uninterrupted teaching and learning through Google Classroom. I have had contact with most students as they have continued to complete assignments and keep our class routine. If you have not joined, please do so as soon as possible. The district will be in contact with anyone who has not joined. Moving forward, new assignments and activities will be posted starting on Friday. As always, I will be available to support classroom assignments as well. My office hours are Monday through Friday from 10:00-11:00. I can be reached by email or through a message in Google Classroom. If you send an email or message outside of those hours, I will respond as soon as possible. Please be patient with the process as this is new to all of us. The district has provided a parent resource page for digital learning with technical support and answers to other questions you may have. I invite you to take a peek at the page at your leisure.

Please know that I miss my students very much and cannot wait until we are back in school, together again. Thank you for your support in this unique way of learning. As always if you have any questions, please feel free to email me at jessica.hatfield@wcsdny.org. Thank you!

Sincerely,
Jessica Hatfield
AIS
