

September 2020

Dear Families and Students,

Welcome to AIS Reading and Math online! I hope this letter finds you and your families safe and healthy. As we are closed for the start of the school year, work is being provided through Google Classroom. If you have not joined our classroom, please do so as soon as possible. The district will be in contact with anyone who has not joined. I will be meeting with students every day in a small

group for extra individualized reading or math instruction. This program was created for students who need a little extra help to achieve their highest potential. As always, I will be available to support classroom assignments as well. My office hours are Monday through Friday from 8:30-9 and 3:00-3:30. If you need extra support, please email me to schedule an additional meet. If you send an email or message through google classroom outside of those hours, I will respond as soon as possible. Please be patient with the process as this is new to all of us. The district has provided a parent resource page for digital learning with technical support and answers to other questions you may have. I invite you to take a peek at the page at your leisure.

Please know that I miss my students very much and cannot wait until we are back in school, together again. Thank you for your support in this unique way of learning. As always if you have any questions, please feel free to email me at jessica.hatfield@wcsdny.org. Thank you!

A colorful banner for Google Meet. On the left, the text 'GOOGLE Meet' is in large white letters, with 'WITH MRS. HATFIELD' below it in black. To the right is a cartoon illustration of Mrs. Hatfield waving. Below the name, it says 'good morning!' in a cursive font. At the bottom left is a white box with the word 'SCHEDULE' in blue. At the bottom right, it says 'Office hours will be from 8:30-9 & 3-3:30. If you need extra support, please email me to schedule an additional meet: jessica.hatfield@wcsdny.org' and 'MUTE YOURSELF WHEN YOU ENTER' in bold black letters.
