Dear WCSD Families,

We are continuing to register for our athletic programs this fall through the online system called FamilyID ([www.familyid.com](http://www.familyid.com)). This replaced the former paper registration. FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your secure FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs.

**Registration for Fall High School Sports will be open on July 20 to August 12, 2019.**

A physical exam dated August 1, 2018 or later must be uploaded to your Family ID account or on file in the nurse's office. If you are unsure if your child requires an up-to-date physical, please contact your child's Health Office and the School Nurse will check for you. If your child has a completed physical from a private physician please upload it onto FamilyID or submit it to the Health Office for approval by the school physician.

INFORMATION NEEDED TO REGISTER:

It will be helpful to have the following information handy to allow for accurate completion of your online registration.
