March 23, 2021

Dear WCSD Families,

Section 1 Executive Board has approved Spring Sports Season to start on April 19th, 2021.

Please be advised if a student athlete has tested positive for COVID-19 in the past, a clearance letter from your child's physician will need to be uploaded to your FamilyID account.

We are continuing to register for our athletic programs this spring through the online system called FamilyID (www.familyid.com). FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your secure FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs.

Registration for Spring Sports will be open on March 23 to April 13, 2021.

Please upload the most current physical exam to your Family ID account. If you are unsure if your child requires an up-to-date physical, please contact your child's Health Office and the School Nurse will check for you. If your child has a completed physical from a private physician please upload it onto FamilyID for approval by the school physician.

REGISTRATION PROCESS:

A parent/guardian can register by clicking on the link for the school your child attends. Please note there is no fee for registration.
