NYS Athletic Placement Process**

Athletic Placement is a New York State Education process and program by which student athletes at the seventh and eighth grade may be screened to safely participate at an appropriate level of competition, based on their readiness rather than age and grade. This program is not intended for all students. All steps and guidelines must be followed in order for the student to be eligible for high school competition. Completion of this process only ensures the student an opportunity to try-out for the team, not an automatic selection on the team.

The following packet takes the parents and the student-athlete through the screening process that NYS and the Wappingers Central School District requires. This screening process must be completed by the date determined by the Athletic Director prior to the first day of the regular season at the High School level. The screening may begin at any time prior to that start. The actual fitness-testing component is given four times a school year, just prior to the start of each of the three interscholastic seasons (August, November, February, and June). The fitness testing is the last process to be completed. **All other steps must be completed in order for the student to take this portion of the process.**

While this program provides select student-athletes an opportunity to demonstrate their physical maturation, fitness and advanced skill, it is not the only criteria. It must be understood that the philosophy and commitment level at the High School is different than those at the Modified level of competition. In addition, there are environmental, social and psychological considerations that need to be addressed as well.

Academically, the student must be in good standing with an overall average of seventy percent with **NO** failures. Additionally a student may not leave school early or try to alter their academic schedule for practice purposes. The student may be dismissed early for away games only. District transportation will be provided for all away contests. It is important for the student and the parents to understand that once the requirements are met and the student is accepted as a member of the team, the student cannot return to a lower level (modified) in that sport.

Any questions or concerns regarding this process for **Van Wyck JHS students** may be addressed to the Office of Physical Education and Interscholastic at (845) 897-6700 Ext 30096, or for **Wappingers JHS** students the Office of Physical Education and Interscholastic @ 845-298-5100 Ext 31096.

Athletic Placement Checklist  
For  
Interscholastic Athletic Programs**

This is a formal checklist to be used by the parents to ensure all required steps are taken on behalf of the student-athlete. Each of these steps must be successfully completed to qualify the student to participate in the high school athletic program. This process should be started as early as possible so that all deadlines can be met in a timely manner.

- Sport Skill Evaluation Form D. To be completed by a district approved coach of that sport and forwarded to the Athletic Director's office.
- Administrative Approval Form – signed by the appropriate building and grade level Assistant Principal and forwarded to the respective Athletic Director's office.
- Physical Fitness Testing. This test is **only given after the Athletic Director has reviewed all of the previous information and determines that the athlete has the potential to successfully participate at a higher level of athletic competition**. This is the President's Physical Fitness Test which has been selected by the State as the test for this process, the student must meet the 85<sup>th</sup> percentile level for their age in 4 out of 5 test components. The test is administered by the Athletic Director or designee. All required tests and benchmarks must be taken and passed in order for the student-athlete to be passed onto try-outs. **This is the last step to be taken. All other requirements must be met to take this test.** The test is given four times a year...in August, November, February and June. Dates will be provided to you by the Athletic Director.

Upon completion of all of the above tasks, the coach at the corresponding high school will be notified of the student's eligibility to participate in the try-out process for the team. Please be advised. Meeting the standards DOES NOT guarantee a spot on the particular team you are trying out for. It allows you to try out.

NYS Athletic Placement Process

Administrative Approval Form

Due to time demands of participation of sports at the high school level, the student's academic performance (as determined at the local level) should be at or above grade level with no failing grades. Furthermore, administration should assess the student's emotional readiness to socialize with high school-aged students. If the student is not academically or socially ready, the student should not proceed through the APP.

## **ATHLETIC PLACEMENT PROCESS PARENT/GUARDIAN PERMISSION Part 1 of 2**

Dear Parent/Guardian:

There is a New York State Education Department (NYSED) program that permits physically and emotionally appropriate students to try out for an athletic team that is outside of their grade placement. It is called the *Athletic Placement Process (APP)*.

Your child (name) \_\_\_\_\_ may be eligible to participate in the sport of \_\_\_\_\_ outside of his or her normal grade level. In order to establish the appropriate eligibility, we must have your permission to begin the APP.

This evaluation is a comprehensive evaluation of your child's emotional and physical maturity (including height and weight); as well as athletic abilities, physical fitness, and sport-specific athletic skill in relationship to other student athletes at that level.

Physical maturity is determined by the private doctor during a physical exam, using the Tanner Scale. The Tanner Scale requires the inspection of the entire body, including the breasts and genitals. The district does accept a history of menarche for girls in place of a physical examination. Upon approval of the district medical director, the student may proceed to the physical fitness and skill assessments. Students must pass all levels in order to meet the requirements of the APP.

If your child successfully meets the requirements of the APP, he/she will be allowed to try out for competitive high school athletics during 7<sup>th</sup> and/or 8<sup>th</sup> grade(s). Please be advised. Meeting the standards DOES NOT guarantee a spot on the particular team you are trying out for. It allows you to try out. Under normal circumstances, a student is eligible for senior high school athletic competition in a sport for only four consecutive seasons, beginning with the student's entry into the ninth grade. However, by meeting the Athletic Placement Process requirements established by NYSED, you child's eligibility can be extended to permit:

- A. Participation during five consecutive seasons in the approved sport after entry into eighth grade: or
- B. Participation during six consecutive seasons in the approved sport after entry into the seventh grade

It is important for you and your child to understand that, once the requirements are met and if he/she is accepted as a member of the team, he/she cannot return to a lower-level team (modified) in that sport in that season. Remember, at the higher level of play your child will be exposed to the social atmosphere that is common among older students in a high school environment. Therefore, it is important to consider your child's ability to handle the additional demands.

Please feel free to contact us regarding this program or to discuss any aspect of your child's athletic placement. If you agree to allow your child's participation in this program, please sign and return the parent permission to the athletic office.

Sincerely,

*The Athletic Department*

**PARENT/GUARDIAN STATEMENT**

I have read the attached letter and I understand the purpose and eligibility implications of the Athletic Placement Process.

My son/daughter (name) \_\_\_\_\_ has my permission to undergo the evaluation process and to participate in this program. Upon passing the medical clearance, he/she may proceed to the physical fitness and skill assessments. I understand that passing the evaluation process does not guarantee my child a position on a team, but only permits them to try out.

## COACH'S SPORT SKILL EVALUATION

### Part 1 of 2

### INSTRUCTIONS FOR THE COACH

COACH: \_\_\_\_\_ SPORT & LEVEL: \_\_\_\_\_

Students Name: \_\_\_\_\_ M / F Age: \_\_\_\_\_

The above-named student has requested evaluation through the Athletic Placement Process. As the coach that has been approved by WCSD of the sport they want to try out for, your complete assessment of his/her skill level is an important factor in this process. Please complete and return this form as soon as possible to the Athletic Office.

#### NOTE:

*The number of students who are allowed to compete outside of the grade levels should be few and far between. The program is intended only for the athlete who has the physical maturity, physical fitness, and sport skills to be placed with other athletes outside of his/her grade level. Abuses in the program by decision makers who seek to satisfy the needs of the team, rather than considering the well-being of the student cannot be condoned. There are many potential physical and social/emotional pitfalls that must be avoided, and once a student is elevated, the decision is irreversible. Please keep in mind that, until you are notified by the Director of Physical Education's office that the student has successfully completed the entire Interscholastic Athletic Placement Process, that student **may not attend** any practices.*

If you are familiar with the candidate, please write an evaluation of his/her skill level on the back of this sheet, supporting information would be helpful in determining proper placement, so be specific. If you are not familiar with the candidate, you may wish to contact his/her former coaches for further assessment and/or schedule time to observe the student in a physical education class.

## **BOWLING**

Any 7<sup>th</sup> or 8<sup>th</sup> grade student may be given the opportunity to try out for a junior varsity or varsity bowling team. At the completion of the try-out sessions, which must include nine games bowled over a three-day period, if the individual's bowling average puts him/her in the top eight of your bowlers, he/she is eligible for the team.

## **GOLF**

Any 7<sup>th</sup> or 8<sup>th</sup> grade student may be given the opportunity to try out for a junior varsity or varsity golf team. At the completion of the try-out sessions, which must include 18 hole golfed over a three-day period (the first three days of the individual's tryout when the course is accessible), if the individual's golf average puts him/her in the top 8 of your golfers, he/she is eligible for the team.
