RPI Medal Scholarship

The RPI scholarship and medal recognition is a $120,000 scholarship over 4 years (5 years for the B.Arch.) if admitted to and enrolled in the college. The RPI Medal will be presented to the award recipient during an Honors Convocation in the Fall semester of the student's first year at RPI. If a student is eligible for multiple Rensselaer merit scholarships, the university will provide the highest single award for which the student is qualified.

In general, the candidate should excel in Advanced Math and Science Courses, and demonstrate success in a rigorous, challenging course selection. The candidate must be in the top 10% of the class and accepted students must have completed Chemistry, Biology, lab-based Physics, and a minimum of 4 years of math through Pre-Calculus by the end of high school. These courses are required for admission to RPI. In addition, they should have significant involvement in extracurricular activities.

Interest in RPI is not a specific criterion for selection.

Deadline to notify your counselor of interest in being nominated for this award is April 26, 2023
