

DAFC COMMITTEE MEMBERS

I'm sorry we didn't have enough time to finish prioritizing the various topics listed on the paper.

Attached is a template created by Daren Lolkema to survey the entire committee. Please check your top three options from the attached list. Daren will be able to provide us with the results.

Needless to say, we will discuss the results at the next meeting on October 29th at 4:00 pm.

1. All instructional classes are to be taught in classrooms (No more music or art on a cart) – AIS (Not in hall)
2. Consistent feeder patterns
3. Eliminate all modulars as classroom space
4. Consistent Grade Configuration throughout district
5. Closing a school
6. Committee's recommendation will have no negative impact on instruction
7. Use Versa-Trans software to make any potential redistricting decisions
8. Consider transportation costs in the committee's considerations
9. Re-examine starting time for schools
10. Continue full day kindergarten
- 11.
