

AGENDA FOR CAPITAL COMMITTEE MEETING

Friday, October 11, 2013

Rhinebeck Architecture:

- Review of Design Development Plans and Project Scope
- Review of preliminary construction schedule based on current SED review timeline
- Additional scope items: Emergency Lighting and Ventilation Deficiencies

Ameresco:

- Gymnasiums throughout the District with occupancy sensors
- Stage at the Wappingers Jr High School
- Exterior lighting over main entrance to Ketcham, including emergency power
- New exterior lighting at Brinckerhoff, Wappingers Jr and Van Wyck Jr
- Overall discussion of the EMS scope and near completion (this measure produces most of the savings)
