(1) Network provider delivers care. Empire's network provider must precertify in-network services; Empire network providers cannot bill members beyond the copayment for covered services.
(2) Out-of-network services (except Mental Health and Alcohol/Substance Abuse) are those from a provider that does not participate in Empire's PPO network, or with another Blue Cross and Blue Shield Plan through the BlueCard® PPO Program. (This does not apply to emergency benefits.) See (8) for Mental Health and Alcohol/Substance Abuse Services.
(3) Out-of-network (O-O-N) providers – those who do not participate in Empire's PPO network, or with another Blue Cross and Blue Shield Plan through the BlueCard® PPO Program. Out-of-network providers who do not participate with Empire or with another Blue Cross and Blue Shield Plan, may balance bill over Empire's allowed amount. Precertification is not required for out-of-network services, nor for out-of-area in-network BlueCard® PPO provider services.
(4) Preventive Care benefits not subject to copayment when provided In-Network include; mammography screenings, cervical cancer screenings, colorectal cancer screenings, prostate cancer screenings, hypercholesterolemia screenings, diabetes screenings for pregnant women, bone density testing, annual physical examinations and annual obstetric and gynecological examinations. May also include other services as required under State and Federal Law. May be subject to age and frequency limits.
(5) You are responsible for obtaining precertification from Empire's Medical Management Program for these services. Your provider may call for you, but you will be responsible for penalties applied if precertification is not obtained. For ambulatory surgery, precertification is required for reconstructive surgery, outpatient transplants and ophthalmological or eye-related procedures. Precertification is also required for cosmetic surgery, an excluded benefit except when medically necessary.
(6) For services received from an Empire PPO provider, the provider must precertify in-network services; Empire PPO providers cannot bill members beyond the copayment, deductible, or coinsurance for covered services. Outside Empire's network area, you or your provider must obtain precertification from Empire's Medical Management Program for services from in-network BlueCard® PPO providers.
(7) You are responsible for obtaining precertification from AIM for MRI, MRA, PET, CAT, Nuclear Cardiology, and Echocardiography services rendered by an Empire PPO provider. Your provider may call for you, but you will be responsible for penalties applied if precertification is not obtained. Precertification is not required for these services when rendered from an in-network BlueCard® provider outside of Empire's network area or out-of-network providers.
(8) You are responsible for obtaining precertification from the Behavioral Healthcare Manager for these services. Your provider may call for you, but you will be responsible for penalties applied if precertification is not obtained.
(9) Network providers must obtain precertification from Empire's Medical Management Program for Inpatient Facility Services received from an out-of-area BlueCard PPO Provider.
(10) This prescription drug coverage meets the CMS standard for Creditable Coverage under the Medicare Modernization Act of 2003.
(11) To receive a 90-day supply of prescription drugs through Empire's Mail-Order Program, the prescription must be written specifically for a 90-day supply.

IMPORTANT NOTE: This is a benefits summary only and is subject to the terms, conditions, limitations and exclusions set forth in your Certificate of Coverage, Schedule of Benefits, and any additional Riders or Contracts your group has purchased. Be sure to consult your benefit Contract or Certificate for full details about your coverage. To the extent that there is a conflict between this Summary and your benefit Contract or Certificate, the terms of the Contract or Certificate will control. Failure to comply with Empire's Medical Management or Behavioral Healthcare Management Program requirements could result in benefit reductions.

This summary of benefits has been updated to comply with federal and state requirements, including applicable provisions of the recently enacted federal health care reform laws. As we receive additional guidance and clarification on the new health care reform laws from the U.S. Department of Health and Human Services, Department of Labor and Internal Revenue Service, we may be required to make additional changes to this summary of benefits.

Included are preventive care services that meet the requirements of federal and state law, including certain screenings, immunizations and physician visits.
