You may request a copy of Our Formulary. Our Formulary is also available on Our website at www.empireblue.com. You may inquire if a specific drug is Covered under this Certificate by contacting us at the number on Your ID card.

- 2. Refills.** We Cover Refills of Prescription Drugs only when dispensed at a retail or mail order or designated pharmacy as ordered by an authorized Provider and only after $\frac{3}{4}$ of the original Prescription Drug has been used. Benefits for Refills will not be provided beyond one (1) year from the original prescription date. For prescription eye drop medication, We allow for the limited refilling of the prescription prior to the last day of the approved dosage period without regard to any coverage restrictions on early Refill of renewals. To the extent practicable, the quantity of eye drops in the early Refill will be limited to the amount remaining on the dosage that was initially dispensed. Your Cost-Sharing for the limited Refill is the amount that applies to each prescription or Refill as set forth in the Prescription Drug Schedule of Benefits section of this Certificate.

3. Benefit and Payment Information.

- a. **Cost-Sharing Expenses.** You are responsible for paying the costs outlined in the Prescription Drug Schedule of Benefits section of this Certificate when Covered Prescription Drugs are obtained from a retail or mail order or designated pharmacy.

Prescription Drug Deductible. Except where stated otherwise, You must pay the amount in the Prescription Drug Schedule of Benefits section of this Certificate for Covered Prescription Drugs during each Benefit Period before We provide coverage.

Prescription Drug Out-of-Pocket Limit. When You have met Your Prescription Drug Out-of-Pocket Limit in payment of In-Network Copayments, Deductibles and Coinsurance for a Benefit Period in the Schedule of Benefits for Prescription Drugs section of this Certificate, We will provide coverage for 100% of the Allowed Amount for Covered Prescription Drugs for the remainder of that Benefit Period. If You have other than individual coverage, the individual Prescription Drug Out-of-Pocket Limit applies to each person covered under this Certificate. Once a person within a family meets the individual Prescription Drug Out-of-Pocket Limit, We will provide coverage for 100% of the Allowed Amount for the rest of that Benefit Period for that person. If other than individual coverage applies, when persons in the same family covered under this Certificate have collectively met the family Prescription Drug Out-of-Pocket Limit in payment of Copayments, Deductibles and Coinsurance for a Benefit Period in the Prescription Drug Schedule of Benefits section of this Certificate, We will provide coverage for 100% of the Allowed Amount for the rest of that Benefit Period.

You have a three (3) tier plan design, which means that Your out-of-pocket expenses will generally be lowest for Prescription Drugs on Tier 1 and highest for Prescription Drugs on Tier 3. Your out-of-pocket expense for Prescription Drugs on Tier 2 will generally be more than for Tier 1 but less than Tier 3.

For most Prescription Drugs, You pay only the Cost-Sharing in the Schedule of Benefits. An additional charge, called an “ancillary charge”, may apply to some Prescription Drugs when a Prescription Drug on a higher tier is dispensed at Your or Your Provider’s request and Our formulary includes a chemically equivalent Prescription Drug on a lower tier. You will pay the difference between the full cost of the Prescription Drug on the higher tier and the cost of the Prescription Drug on the lower tier. The cost difference is not Covered and must be paid by You in addition to the lower tier Cost-Sharing. Your Cost-Sharing will never exceed the Usual and Customary Charge of the Prescription Drug. If Your Provider thinks that a chemically equivalent Prescription Drug on a lower tier is not clinically appropriate, You, Your designee or Your Provider may request that We approve coverage at the higher tier Cost-Sharing. If approved, You will pay the higher tier Cost-Sharing only. If We do not approve coverage at the higher tier Cost-Sharing, You are entitled to an Appeal as outlined in the Utilization Review and External Appeal sections of this Certificate. The request for an approval should include a statement from Your Provider that the Prescription Drug at the lower tier is not clinically appropriate (e.g., it will be or has been ineffective or would have adverse effects.) We may also request clinical documentation to support this statement. If We do not approve coverage for the Prescription Drug on the higher tier, the ancillary charge will apply toward Your Out-of-Pocket Limit.

You are responsible for paying the full cost (the amount the pharmacy charges You) for any non-Covered Prescription Drug and Our contracted rates (Our Prescription Drug Cost) will not be available to You.

- b. **Participating Pharmacies.** To find out if a Pharmacy is a Participating Pharmacy:
- Call the number on Your ID card; or
 - Visit Our website at www.empireblue.com.

For Prescription Drugs purchased at a retail or mail order or Designated Participating Pharmacy, You are responsible for paying the lower of:

- The applicable Cost-Sharing; or
- The Prescription Drug Cost for that Prescription Drug.

(Your Cost-Sharing will never exceed the Usual and Customary Charge of the Prescription Drug.)

In the event that Our Participating Pharmacies are unable to provide the Covered Prescription Drug, and cannot order the Prescription Drug within a reasonable time, You may, with Our prior written approval, go to a Non-Participating Pharmacy that is able to provide the Prescription Drug. We will pay You the Prescription Drug Cost for such approved Prescription Drug less Your required in-network Cost-Sharing upon receipt of a complete Prescription Drug claim form. Contact Us at the number on Your ID card or visit our website at www.empireblue.com to request approval.

- c. Non-Participating Pharmacies.** We will not pay for any Prescription Drugs that You purchase at a Non-Participating retail or mail order Pharmacy other than as described above.
- d. Designated Pharmacies.** If You require certain Prescription Drugs including, but not limited to specialty Prescription Drugs, We may direct You to a Designated Pharmacy with whom We have an arrangement to provide those Prescription Drugs.

Generally, specialty Prescription Drugs are Prescription Drugs that are approved to treat limited patient populations or conditions; are normally injected, infused or require close monitoring by a Provider; or have limited availability, special dispensing and delivery requirements and/or require additional patient supports.

If You are directed to a Designated Pharmacy and You choose not to obtain Your Prescription Drug from a Designated Pharmacy, You will not have coverage for that Prescription Drug.

If You are taking a Maintenance Drug, You may get the first 30 day supply and one 30 day refill of the same Maintenance Drug at Your local retail pharmacy. After that, You will have to fill Your prescription through Our mail order supplier or a Designated Retail Pharmacy.

You are responsible for paying the lower of:

- The applicable Cost-Sharing; or
- The Prescription Drug Cost for that Prescription Drug.

(Your Cost-Sharing will never exceed the Usual and Customary Charge of the Prescription Drug.)

To maximize Your benefit, ask Your Provider to write Your Prescription Order or Refill for a 90-day supply, with Refills when appropriate (not a 30-day supply with three (3) Refills).

Following are the therapeutic classes of Prescription Drugs or conditions that are included in this program:

- Asthma;

- High cholesterol.

You or Your Provider may obtain a copy of the list of Prescription Drugs available through a Designated Retail Pharmacy by visiting Our website at www.empireblue.com or by calling the number on Your ID card. The Maintenance Drug list is updated periodically. Visit Our website at www.empireblue.com or call the number on Your ID card to find out if a particular Prescription Drug is on the maintenance list.

- f. Mail Order:** We will only Cover drugs that have a restricted distribution by the FDA or require special handling, provider coordination or patient supports through a mail order pharmacy. Other drugs may also be purchased at a mail order pharmacy. If you are taking a Maintenance Medication, you may get the first 30 day supply and up to one additional 30 day prescription refills of the Maintenance Medication at your local Retail Pharmacy. After that, you will have to fill your prescription through the mail order supplier to get the In-Network level of benefits. If you do not use Our mail order supplier, benefits will not be Covered.

You are responsible for paying the lower of:

- The applicable Cost-Sharing; or
- The Prescription Drug Cost for that Prescription Drug.

(Your Cost-Sharing will never exceed the Usual and Customary Charge of the Prescription Drug.)

To maximize Your benefit, ask Your Provider to write Your Prescription Order or Refill for a 90-day supply, with Refills when appropriate (not a 30-day supply with three (3) Refills). You will be charged the mail order Cost-Sharing for any Prescription Orders or Refills sent to the mail order pharmacy regardless of the number of days supply written on the Prescription Order or Refill.

Prescription Drugs purchased through mail order will be delivered directly to Your home or office.

We will provide benefits that apply to drugs dispensed by a mail order pharmacy to drugs that are purchased from a retail pharmacy, when that retail pharmacy has a participation agreement with Us in which it agrees to be bound by the same terms and conditions as a participating mail order pharmacy.

You or Your Provider may obtain a copy of the list of Prescription Drugs available through mail order by visiting Our website at www.empireblue.com or by calling the number on Your ID card.

- g. Tier Status.** The tier status of a Prescription Drug may change periodically, but no more than four (4) times per calendar year, or when a Brand-Name Drug becomes available as a Generic Drug as described below, based on Our tiering decisions. These changes may occur without prior notice to You. However, if You have a prescription for a drug that is being moved to a higher tier or is being removed from Our Formulary, We will notify You at least 30 days before the change is effective. When such changes occur, Your Cost-Sharing may change. You may also request a Formulary exception for a Prescription Drug that is no longer on the Formulary as outlined below and in the External Appeal section of this Certificate. You may access the most up to date tier status on Our website at www.empireblue.com or by calling the number on Your ID card.
- h. When a Brand-Name Drug Becomes Available as a Generic Drug.** When a Brand-Name Drug becomes available as a Generic Drug, the tier placement of the Brand-Name Prescription Drug may change. If this happens, You will pay the Cost-Sharing applicable to the tier to which the Prescription Drug is assigned. Please note, if You are taking a Brand-Name Drug that is being placed on a higher tier due to a Generic Drug becoming available, You will receive 30 days' advance written notice of the change before it is effective.
- i. Supply Limits.** Except for contraceptive drugs, devices, or products, We will pay for no more than a 30-day supply of a Prescription Drug purchased at a retail pharmacy or Designated Pharmacy. You are responsible for one (1) Cost-Sharing amount for up to a 30-day supply. However, for Maintenance Drugs We will pay for up to a 90-day supply of a drug purchased at a Designated Retail Pharmacy. You are responsible for up to three (3) Cost-Sharing amounts for a 90-day supply at a Designated Retail Pharmacy.

You may have the entire supply (of up to 12 months) of the contraceptive drug, device, or product dispensed at the same time. Contraceptive drugs, devices, or products are not subject to Cost-Sharing when provided by a Participating Pharmacy.

Benefits will be provided for Prescription Drugs dispensed by a mail order pharmacy in a quantity of up to a 90-day supply. You are responsible for one (1) Cost-Sharing amount for a 30-day supply up to a maximum of three (3) Cost-Sharing amounts for a 90-day supply.

Specialty Prescription Drugs may be limited to a 30-day supply when obtained at a retail or mail order pharmacy. You may access Our website at www.empireblue.com or by calling the number on Your ID card for more information on supply limits for specialty Prescription Drugs.

Some Prescription Drugs may be subject to quantity limits based on criteria that We have developed, subject to Our periodic review and modification. The limit may restrict the amount dispensed per Prescription Order or Refill and/or the amount dispensed per month's supply. You can determine whether a Prescription Drug has been assigned a maximum quantity level for dispensing by accessing Our website at www.empireblue.com or by calling the number on Your ID card. If We deny a request to Cover an amount that exceeds Our quantity level, You are entitled to an Appeal pursuant to the Utilization Review and External Appeal sections of this Certificate.

- j. Initial Limited Supply of Prescription Opioid Drugs.** If You receive an initial limited prescription for a seven (7) day supply or less of any schedule II, III, or IV opioid prescribed for Acute pain, and You have a Copayment, Your Copayment will be the same Copayment that would apply to a 30-day supply of the Prescription Drug. If You receive an additional supply of the Prescription Drug within the same 30-day period in which You received the seven (7) day supply, You will not be responsible for an additional Copayment for the remaining 30-day supply of that Prescription Drug.
 - k. Cost-Sharing for Orally-Administered Anti-Cancer Drugs.** Your Cost-Sharing for orally-administered anti-cancer drugs is at least as favorable to You as the Cost-Sharing amount, if any, that applies to intravenous or injected anticancer medications Covered under the Outpatient and Professional Services section of this Certificate.
 - l. Split Fill Dispensing Program.** The split fill dispensing program is designed to prevent wasted Prescription Drugs if Your Prescription Drug or dose changes or if We contact You and You confirm that You have leftover Prescription Drugs from a previous fill. The Prescription Drugs that are included under this program have been identified as requiring more frequent follow up to monitor response to treatment and reactions. You will initially get up to a 15-day supply (or appropriate amount of medication needed for an average infertility treatment cycle) of Your Prescription Order for certain drugs filled at a retail, mail order or Designated Pharmacy instead of the full Prescription Order. You initially pay a lesser Cost-Sharing based on what is dispensed. The therapeutic classes of Prescription Drugs that are included in this program are Antivirals/Anti-infectives, Infertility, Iron Toxicity, Mental/Neurologic Disorders, Multiple Sclerosis, and Oncology. With the exception of Infertility drugs, this program applies for the first 30 days when You start a new Prescription Drug. For Infertility drugs, the program applies to Your infertility treatment cycle. This program will not apply upon You or Your Provider's request. You or Your Provider can opt out by visiting Our website at www.empireblue.com or by calling the number on Your ID card.
- 4. Medical Management.** This Certificate includes certain features to determine when Prescription Drugs should be Covered, which are described below. As part of these features, Your prescribing Provider may be asked to give more details before We can decide if the Prescription Drug is Medically Necessary.
- a. Preauthorization.** Preauthorization may be needed for certain Prescription Drugs to make sure proper use and guidelines for Prescription Drug coverage are followed. When appropriate, ask Your Provider to complete a Preauthorization form. Preauthorization is not required for Covered medications to treat substance use disorder, including opioid overdose reversal medications prescribed or dispensed to You.

For a list of Prescription Drugs that need Preauthorization, please visit Our website at www.empireblue.com or call the number on Your ID card. The list will be reviewed and updated from time to time. We also reserve the right to require Preauthorization for any new Prescription Drug on the market or for any currently available Prescription Drug which undergoes a change in prescribing protocols and/or indications regardless of the therapeutic classification, including if a Prescription Drug or related item on the list is not Covered under

Your Certificate. Your Provider may check with Us to find out which Prescription Drugs are Covered.

- b. Step Therapy.** Step therapy is a process in which You may need to use one (1) type of Prescription Drug before We will Cover another as Medically Necessary. A “step therapy protocol” means Our policy, protocol or program that establishes the sequence in which We approve Prescription Drugs for Your medical condition. When establishing a step therapy protocol, We will use recognized evidence-based and peer reviewed clinical review criteria that also takes into account the needs of atypical patient populations and diagnoses. We check certain Prescription Drugs to make sure that proper prescribing guidelines are followed. These guidelines help You get high quality and cost effective Prescription Drugs. The Prescription Drugs that require Preauthorization under the step therapy program are also included on the Preauthorization drug list. If a step therapy protocol is applicable to Your request for coverage of a Prescription Drug, You, Your designee, or Your Health Care Professional can request a step therapy override determination as outlined in the Utilization Review section of this Certificate.
- c. Therapeutic Substitution.** Therapeutic substitution is an optional program that tells You and Your Providers about alternatives to certain prescribed drugs. We may contact You and Your Provider to make You aware of these choices. Only You and Your Provider can determine if the therapeutic substitute is right for You. We have a therapeutic drug substitutes list, which We review and update from time to time. For questions or issues about therapeutic drug substitutes, visit Our website at www.empireblue.com or call the number on Your ID card.

5. Limitations/Terms of Coverage

- a.** We reserve the right to limit quantities, day supply, early Refill access and/or duration of therapy for certain medications based on Medical Necessity including acceptable medical standards and/or FDA recommended guidelines.
- b.** If We determine that You may be using a Prescription Drug in a harmful or abusive manner, or with harmful frequency, Your selection of Participating Pharmacies may be limited. If this happens, We may require You to select a single Participating Pharmacy that will provide and coordinate all future pharmacy services. Benefits will be paid only if You use the selected single Participating Pharmacy. If You do not make a selection within 31 days of the date We notify You, We will select a single Participating Pharmacy for You.
- c.** Compounded Prescription Drugs will be Covered only when all of the ingredients are FDA approved, they require a prescription to be dispensed, the compound medication is not essentially the same as an FDA approved product from a drug manufacturer, and are obtained from a pharmacy that is approved for compounding. Exceptions to non-FDA approved compound ingredients may include multi-source, non-proprietary vehicles and/or pharmaceutical adjuvants. All compounded Prescription Drugs over \$250 require Preauthorization. Compounded Prescription Drugs are on tier 3.
- d.** Various specific and/or generalized “use management” protocols will be used from time to time in order to ensure appropriate utilization of medications. Such protocols will be consistent with standard medical/drug treatment guidelines. The primary goal of the protocols is to provide Our Members with a quality-focused Prescription Drug benefit. In the event a use management protocol is implemented, and You are taking the drug(s) affected by the protocol, You will be notified in advance.
- e.** Injectable drugs (other than self-administered injectable drugs) and diabetic insulin, oral hypoglycemics, and diabetic supplies and equipment are not Covered under this section but are Covered under other sections of this Certificate.

- f. We do not Cover charges for the administration or injection of any Prescription Drug. Prescription Drugs given or administered in a Physician's office are Covered under the Outpatient and Professional Services section of this Certificate.
- g. We do not Cover drugs that do not by law require a prescription, except for smoking cessation drugs, over the counter preventive drugs or devices provided in accordance with the comprehensive guidelines supported by HRSA or with an "A" or "B" rating from USPSTF or as otherwise provided in this Certificate. We do not Cover Prescription Drugs that have over-the-counter non-prescription equivalents, except if specifically designated as Covered in the drug Formulary. Non-prescription equivalents are drugs available without a prescription that have the same name/chemical entity as their prescription counterparts. We do not Cover repackaged products such as therapeutic kits or convenience packs that contain a Covered Prescription Drug unless the Prescription Drug is only available as part of a therapeutic kit or convenience pack. Therapeutic kits or convenience packs contain one or more Prescription Drug(s) and may be packaged with over-the-counter items, such as gloves, finger cots, hygienic wipes or topical emollients.
- h. We do not Cover Prescription Drugs to replace those that may have been lost or stolen.
- i. We do not Cover Prescription Drugs dispensed to You while in a Hospital, nursing home, other institution, Facility, or if You are a home care patient, except in those cases where the basis of payment by or on behalf of You to the Hospital, nursing home, Home Health Agency or home care services agency, or other institution, does not include services for drugs.
- j. We reserve the right to deny benefits as not Medically Necessary or experimental or investigational for any drug prescribed or dispensed in a manner contrary to standard medical practice. If coverage is denied, You are entitled to an Appeal as described in the Utilization Review and External Appeal sections of this Certificate.
- k. A pharmacy need not dispense a Prescription Order that, in the pharmacist's professional judgment, should not be filled.

6. General Conditions.

- a. You must show Your ID card to a retail pharmacy at the time You obtain Your Prescription Drug or You must provide the pharmacy with identifying information that can be verified by Us during regular business hours. You must include Your identification number on the forms provided by the mail order pharmacy from which You make a purchase.
- b. **Drug Utilization, Cost Management and Rebates.** We conduct various utilization management activities designed to ensure appropriate Prescription Drug usage, to avoid inappropriate usage, and to encourage the use of cost-effective drugs. Through these efforts, You benefit by obtaining appropriate Prescription Drugs in a cost-effective manner. The cost savings resulting from these activities are reflected in the Premiums for Your coverage.

We may also, from time to time, enter into agreements that result in Us receiving rebates or other funds ("rebates") directly or indirectly from Prescription Drug manufacturers, Prescription Drug distributors or others. Any rebates are based upon utilization of Prescription Drugs across all of Our business and not solely on any one Member's utilization of Prescription Drugs. Any rebates received by Us may or may not be applied, in whole or part, to reduce premiums either through an adjustment to claims costs or as an adjustment to the administrative expenses component of Our Prescription Drug premiums. Any such rebates may be retained by Us, in whole or part, in order to fund such activities as new utilization management activities, community benefit activities and increasing reserves for the protection of Members. Rebates may change or reduce the amount of any Copayment or Coinsurance applicable under Our Prescription Drug coverage. If a Prescription Drug is

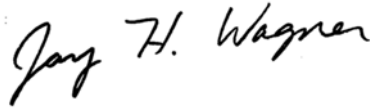

eligible for a rebate, most of the rebate will be used to reduce the Allowed Amount for the Prescription Drug. Your Deductible or Coinsurance is calculated using that reduced Allowed Amount. The remaining value of that rebate will be used to reduce costs for all Members enrolled in coverage. Not all Prescription Drugs are eligible for a rebate, and rebates can be discontinued or applied at any time based on the terms of the rebate agreements. Because the exact value of the rebate will not be known at the time You purchase the Prescription Drug, the amount of the rebate applied to Your claim will be based on an estimate. Payment on Your claim and Your Cost-Sharing will not be adjusted if the later-determined rebate value is higher or lower than Our estimate.

7. **Definitions.** Terms used in this section are defined as follows. (Other defined terms can be found in the Definitions section of this Certificate).

- a. **Brand-Name Drug:** A Prescription Drug that: 1) is manufactured and marketed under a trademark or name by a specific drug manufacturer; or 2) We identify as a Brand-Name Prescription Drug, based on available data resources. All Prescription Drugs identified as “brand name” by the manufacturer, pharmacy, or Your Physician may not be classified as a Brand-Name Drug by Us.
- b. **Designated Pharmacy:** A pharmacy that has entered into an agreement with Us or with an organization contracting on Our behalf, to provide specific Prescription Drugs, including but not limited to, specialty Prescription Drugs. The fact that a pharmacy is a Participating Pharmacy does not mean that it is a Designated Pharmacy.
- c. **Designated Retail Pharmacy:** A Participating Retail Pharmacy that is contracted with Us or Our designee to dispense a 90 day supply of Maintenance Drug.
- d. **Formulary:** The list that identifies those Prescription Drugs for which coverage may be available under this Certificate. This list is subject to Our periodic review and modification (no more than four (4) times per calendar year or when a Brand-Name Drug becomes available as a Generic Drug). To determine which tier a particular Prescription Drug has been assigned, visit Our website at www.empireblue.com or call the number on Your ID card.
- e. **Generic Drug:** A Prescription Drug that: 1) is chemically equivalent to a Brand-Name Drug; or 2) We identify as a Generic Prescription Drug based on available data resources. - f. **Maintenance Drug:** A Prescription Drug used to treat a condition that is considered chronic or long term and which usually requires daily use of Prescription Drugs.
- g. **Non-Participating Pharmacy:** A pharmacy that has not entered into an agreement with Us to provide Prescription Drugs to Members. We will not make any payment for prescriptions or Refills filled at a Non-Participating Pharmacy other than as described above.
- h. **Participating Pharmacy:** A pharmacy that has:
 - Entered into an agreement with Us or Our designee to provide Prescription Drugs to Members;
 - Agreed to accept specified reimbursement rates for dispensing Prescription Drugs; and
 - Been designated by Us as a Participating Pharmacy.A Participating Pharmacy can be either a retail or mail-order pharmacy.
- i. **Prescription Drug:** A medication, product or device that has been approved by the FDA and that can, under federal or state law, be dispensed only pursuant to a Prescription Order or Refill and is on Our Formulary. A Prescription Drug includes a medication that, due to its

characteristics, is appropriate for self-administration or administration by a non-skilled caregiver.

- j. Prescription Drug Cost:** The amount, including a dispensing fee and any sales tax, as contracted between Us and Our pharmacy benefit manager for a Covered Prescription Drug dispensed at a Participating Pharmacy. If Your Certificate includes coverage at Non-Participating Pharmacies, the Prescription Drug Cost for a Prescription Drug dispensed at a Non-Participating Pharmacy is calculated using the Prescription Drug Cost that applies for that particular Prescription Drug at most Participating Pharmacies.
 - k. Prescription Order or Refill:** The directive to dispense a Prescription Drug issued by a duly licensed Health Care Professional who is acting within the scope of his or her practice.
 - l. Usual and Customary Charge:** The usual fee that a pharmacy charges individuals for a Prescription Drug without reference to reimbursement to the pharmacy by third parties as required by New York Education Law Section 6826-a.

Cost of Dependent Survivor Coverage

Dependent survivors may be required to pay the full premium. Any contribution to Premium is payable through the former employer. Check with the Group Benefits Administrator from the former employer for contribution rates. Coverage for dependent survivors will terminate after a failure to pay the required premium.

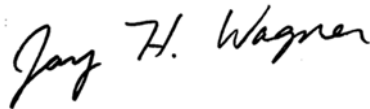

Termination of Dependent Survivor Coverage

Coverage of a dependent survivor terminates if:

- Such survivor is a proposed adoptive child and the application for the adoption is withdrawn by the surviving spouse or is otherwise terminated; or
- Such survivor is a surviving dependent child of the Subscriber who no longer meets the eligibility requirements of the plan.

If coverage as a dependent survivor is terminated for any reason, eligibility ends and the dependent survivor may not reenroll in the Group Plan. However, a dependent who loses eligibility for dependent survivor coverage may be eligible to continue coverage under COBRA or state law, as applicable, or to convert to a direct pay contract. Refer to the Continuation of Coverage and Conversion sections of this Contract, Certificate or Group Plan for information on coverage options.

All of the terms, conditions and limitations of the Contract, Certificate or Group Plan to which this rider is attached also apply to this rider, except where specifically changed by this rider.

CERTIFICATE OF COVERAGE

Issued by: Empire HealthChoice Assurance, Inc.

This Certificate of Coverage ("Certificate") explains the benefits available to You under a Group Contract between Empire HealthChoice Assurance, Inc. (hereinafter referred to as "We", "Us", or "Our") and the Group listed in the Group Contract. This Certificate is not a contract between You and Us. Amendments, riders or endorsements may be delivered with the Certificate or added thereafter.

This Certificate offers You the option to receive Covered Services on two benefit levels:

- 1. In-Network Benefits.** In-network benefits are the highest level of coverage available. In-network benefits apply when Your care is provided by Participating Providers in the network applicable to Your plan as indicated in the Schedule of Benefits section of this Certificate. You should always consider receiving health care services first through the in-network benefits portion of this Certificate.
- 2. Out-of-Network Benefits.** The out-of-network benefits portion of this Certificate provides coverage when You receive Covered Services from Non-Participating Providers. Your out-of-pocket expenses will be higher when You receive out-of-network benefits. In addition to Cost-Sharing, You will also be responsible for paying any difference between the Allowed Amount and the Non-Participating Provider's charge.

READ THIS ENTIRE CERTIFICATE CAREFULLY. IT DESCRIBES THE BENEFITS AVAILABLE UNDER THE GROUP CONTRACT. IT IS YOUR RESPONSIBILITY TO UNDERSTAND THE TERMS AND CONDITIONS IN THIS CERTIFICATE.

SECTION II. HOW YOUR COVERAGE WORKS

- A. Your Coverage Under this Certificate.** Your employer (referred to as the “Group”) has purchased a Group health insurance Contract from Us. We will provide the benefits described in this Certificate to covered Members of the Group, that is, to employees of the Group and their covered Dependents. However, this Certificate is not a contract between You and Us. You should keep this Certificate with Your other important papers so that it is available for Your future reference.
- B. Covered Services.** You will receive Covered Services under the terms and conditions of this Certificate only when the Covered Service is:
- Medically Necessary;
 - Provided by a Participating Provider for in-network coverage;
 - Listed as a Covered Service;
 - Not in excess of any benefit limitations described in the Schedule of Benefits section of this Certificate; and
 - Received while Your Certificate is in force.
- C. Participating Providers.** To find out if a Provider is a Participating Provider:
- Check Our Provider directory, available at Your request,
 - Call the number on Your ID card; or,
 - Visit Our website at www.empireblue.com.

The Provider directory will give You the following information about Our Participating Providers:

- Name address, and telephone number;
- Specialty;
- Board certification (if applicable);
- Languages spoken; and
- Whether the Participating Provider is accepting new patients.

- D. The Role of Primary Care Physicians.** This Certificate does not have a gatekeeper, usually known as a Primary Care Physician (“PCP”). You do not need a Referral from a PCP before receiving Specialist care.

For purposes of Cost-Sharing, if You seek services from a PCP (or a Physician covering for a PCP) who has a primary or secondary specialty other than general practice, family practice, internal medicine, pediatrics, and OB/GYN, You must pay the specialty office visit Cost-Sharing in the Schedule of Benefits section of this Certificate when the services provided are related to specialty care.

You may need to request Preauthorization before You receive certain services. See the Preauthorization Schedule section of this Certificate for the services that require Preauthorization.

- E. Access to Providers and Changing Providers.** Sometimes Providers in Our Provider directory are not available. You should call the Provider to make sure he or she is a Participating Provider and is accepting new patients.

To see a Provider, call his or her office and tell the Provider that You are an Empire Member in the network applicable to Your plan as indicated in the Schedule of Benefits section of this Certificate and explain the reason for Your visit. Have Your ID card available. The Provider’s office may ask You for Your Group or Member ID number. When You go to the Provider’s office, bring Your ID card with You.

If We do not have a Participating Provider for certain provider types in the county in which You live or in a bordering county that is within approved time and distance standards, We will approve an authorization to a specific Non-Participating Provider until You no longer need the care or We have a

Participating Provider in Our Network that meets the time and distance standards and Your care has been transitioned to that Participating Provider. Covered Services rendered by the Non-Participating Provider will be paid as if they were provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing.

- F. Out-of-Network Services.** We Cover the services of Non-Participating Providers. See the Schedule of Benefits section of this Certificate for the Non-Participating Provider services that are Covered. In any case where benefits are limited to a certain number of days or visits, such limits apply in the aggregate to in-network and out-of-network services.
- G. Services Subject To Preauthorization.** Our Preauthorization is required before You receive certain Covered Services. You are responsible for requesting Preauthorization for the in-network and out-of-network services listed in the Preauthorization Schedule section of this Certificate.
- H. Preauthorization/Notification Procedure.** If You seek coverage for services that require Preauthorization or notification, You or Your Provider must call Us or Our vendor at the number on Your ID card.

You or Your Provider must contact Us to request Preauthorization as follows:

- At least two (2) weeks prior to a planned admission or surgery when Your Provider recommends inpatient Hospitalization. If that is not possible, then as soon as reasonably possible during regular business hours prior to the admission.
- At least two (2) weeks prior to ambulatory surgery or any ambulatory care procedure when Your Provider recommends the surgery or procedure be performed in an ambulatory surgical unit of a Hospital or in an Ambulatory Surgical Center. If that is not possible, then as soon as reasonably possible during regular business hours prior to the surgery or procedure.
- Within the first three (3) months of a pregnancy, or as soon as reasonably possible and again within 48 hours after the actual delivery date if Your Hospital stay is expected to extend beyond 48 hours for a vaginal birth or 96 hours for cesarean birth.
- Before air ambulance services are rendered for a non-Emergency Condition.

You must contact Us to provide notification as follows:

- As soon as reasonably possible when air ambulance services are rendered for an Emergency Condition.
- If You are hospitalized in cases of an Emergency Condition, You must call Us within 48 hours after Your admission or as soon thereafter as reasonably possible.

After receiving a request for approval, We will review the reasons for Your planned treatment and determine if benefits are available. Criteria will be based on multiple sources which may include medical policy, clinical guidelines, and pharmacy and therapeutic guidelines.

- I. Failure to Seek Preauthorization or Provide Notification.** If You fail to seek Our Preauthorization or provide notification for benefits subject to this section, We will pay only 50% of the amount We would otherwise have paid for the care, up to the maximum penalty amount indicated on the Preauthorization Schedule section of this Certificate, whichever results in a greater benefit for You. You must pay the remaining charges. We will pay the amount specified above only if We determine the care was Medically Necessary even though You did not seek Our Preauthorization or provide notification. If We determine that the services were not Medically Necessary, You will be responsible for paying the entire charge for the service. The penalty listed above will not apply to Medically Necessary inpatient Facility services from a BlueCard Provider.
- J. Medical Management.** The benefits available to You under this Certificate are subject to pre-service, concurrent and retrospective reviews to determine when services should be Covered by Us. The purpose of these reviews is to promote the delivery of cost-effective medical care by reviewing the use of procedures and, where appropriate, the setting or place the services are performed. Covered Services must be Medically Necessary for benefits to be provided.

K. Medical Necessity. We Cover benefits described in this Certificate as long as the health care service, procedure, treatment, test, device, Prescription Drug or supply (collectively, "service") is Medically Necessary. The fact that a Provider has furnished, prescribed, ordered, recommended, or approved the service does not make it Medically Necessary or mean that We have to Cover it.

We may base Our decision on a review of:

- Your medical records;
- Our medical policies and clinical guidelines;
- Medical opinions of a professional society, peer review committee or other groups of Physicians;
- Reports in peer-reviewed medical literature;
- Reports and guidelines published by nationally-recognized health care organizations that include supporting scientific data;
- Professional standards of safety and effectiveness, which are generally-recognized in the United States for diagnosis, care, or treatment; and
- The opinion of Health Care Professionals in the generally-recognized health specialty involved.

Services will be deemed Medically Necessary only if:

- They are clinically appropriate in terms of type, frequency, extent, site, and duration, and considered effective for Your illness, injury, or disease;
- They are required for the direct care and treatment or management of that condition;
- Your condition would be adversely affected if the services were not provided;
- They are provided in accordance with generally-accepted standards of medical practice;
- They are not primarily for the convenience of You, Your family, or Your Provider;
- They are not more costly than an alternative service or sequence of services, that is at least as likely to produce equivalent therapeutic or diagnostic results;
- When setting or place of service is part of the review, services that can be safely provided to You in a lower cost setting will not be Medically Necessary if they are performed in a higher cost setting. For example We will not provide coverage for an inpatient admission for surgery if the surgery could have been performed on an outpatient basis or an infusion or injection of a specialty drug provided in the outpatient department of a Hospital if the drug could be provided in a Physician's office or the home setting.

See the Utilization Review and External Appeal sections of this Certificate for Your right to an internal appeal and external appeal of Our determination that a service is not Medically Necessary.

L. Protection from Surprise Bills.

1. Surprise Bills. A surprise bill is a bill You receive for Covered Services in the following circumstances:

- For services performed by a non-participating Physician at a participating Hospital or Ambulatory Surgical Center, when:
 - A participating Physician is unavailable at the time the health care services are performed;
 - A non-participating Physician performs services without Your knowledge; or
 - Unforeseen medical issues or services arise at the time the health care services are performed.

A surprise bill does not include a bill for health care services when a participating Physician is available and You elected to receive services from a non-participating Physician.

- You were referred by a participating Physician to a Non-Participating Provider without Your explicit written consent acknowledging that the referral is to a Non-Participating Provider and it may result in costs not covered by Us. For a surprise bill, a referral to a

Non-Participating Provider means:

- Covered Services are performed by a Non-Participating Provider in the participating Physician's office or practice during the same visit;
- The participating Physician sends a specimen taken from You in the participating Physician's office to a non-participating laboratory or pathologist; or
- For any other Covered Services performed by a Non-Participating Provider at the participating Physician's request, when Referrals are required under Your Certificate.

You will be held harmless for any Non-Participating Provider charges for the surprise bill that exceed Your In-Network Copayment, Deductible or Coinsurance if You assign benefits to the Non-Participating Provider in writing. In such cases, the Non-Participating Provider may only bill You for Your In-Network Copayment, Deductible or Coinsurance.

The assignment of benefits form for surprise bills is available at www.dfs.ny.gov or You can visit Our website at www.empireblue.com for a copy of the form. You need to mail a copy of the assignment of benefits form to Us at the address on Your ID card and to Your Provider.

- 2. Independent Dispute Resolution Process.** Either We or a Provider may submit a dispute involving a surprise bill to an independent dispute resolution entity ("IDRE") assigned by the state. Disputes are submitted by completing the IDRE application form, which can be found at www.dfs.ny.gov. The IDRE will determine whether Our payment or the Provider's charge is reasonable within 30 days of receiving the dispute.

M. Delivery of Covered Services Using Telehealth. If Your Provider offers Covered Services using telehealth, We will not deny the Covered Services because they are delivered using telehealth. Covered Services delivered using telehealth may be subject to utilization review and quality assurance requirements and other terms and conditions of the Certificate that are at least as favorable as those requirements for the same service when not delivered using telehealth. "Telehealth" means the use of electronic information and communication technologies by a Provider to deliver Covered Services to You while Your location is different than Your Provider's location.

N. Early Intervention Program Services. We will not exclude Covered Services solely because they are Early Intervention Program services for infants and toddlers under three years of age who have a confirmed disability or an established developmental delay. Additionally, if Early Intervention Program services are otherwise covered under this Certificate, coverage for Early Intervention Program services will not be applied against any maximum annual or lifetime dollar limits if applicable. Visit limits and other terms and conditions will continue to apply to coverage for Early Intervention Program services. However, any visits used for Early Intervention Program services will not reduce the number of visits otherwise available under this Certificate.

O. Case Management. Case management helps coordinate services for Members with health care needs due to serious, complex, and/or chronic health conditions. Our programs coordinate benefits and educate Members who agree to take part in the case management program to help meet their health-related needs.

Our case management programs are confidential and voluntary. These programs are given at no extra cost to You and do not change Covered Services. If You meet program criteria and agree to take part, We will help You meet Your identified health care needs. This is reached through contact and team work with You and/or Your authorized representative, treating Physician(s), and other Providers. In addition, We may assist in coordinating care with existing community-based programs and services to meet Your needs, which may include giving You information about external agencies and community-based programs and services.

In certain cases of severe or chronic illness or injury, We may provide benefits for alternate care through Our case management program that is not listed as a Covered Service. We may also extend Covered Services beyond the benefit maximums of this Certificate. We will make Our decision on a

case-by-case basis if We determine the alternate or extended benefit is in the best interest of You and Us.

Nothing in this provision shall prevent You from appealing Our decision. A decision to provide extended benefits or approve alternate care in one case does not obligate Us to provide the same benefits again to You or to any other Member. We reserve the right, at any time, to alter or stop providing extended benefits or approving alternate care. In such case, We will notify You or Your representative in writing.

SECTION III. ACCESS TO CARE AND TRANSITIONAL CARE

- A. Authorization to a Non-Participating Provider.** If We determine that We do not have a Participating Provider that has the appropriate training and experience to treat Your condition, We will approve an authorization to an appropriate Non-Participating Provider. Your Participating Provider or You must request prior approval of the authorization to a specific Non-Participating Provider. Approvals of authorizations to Non-Participating Providers will not be made for the convenience of You or another treating Provider and may not necessarily be to the specific Non-Participating Provider You requested. If We approve the authorization, all services performed by the Non-Participating Provider are subject to a treatment plan approved by Us in consultation with Your PCP, the Non-Participating Provider and You. Covered Services rendered by the Non-Participating Provider will be covered as if they were provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing. In the event an authorization is not approved, any services rendered by a Non-Participating Provider will be Covered as an out-of-network benefit if available.
- B. When Your Provider Leaves the Network.** If You are in an ongoing course of treatment when Your Provider leaves Our network, then You may be able to continue to receive Covered Services for the ongoing treatment from the former Participating Provider for up to 90 days from the date Your Provider's contractual obligation to provide services to You terminates. If You are pregnant and in Your second or third trimester, You may be able to continue care with a former Participating Provider through delivery and any postpartum care directly related to the delivery.

In order for You to continue to receive Covered Services for up to 90 days or through a pregnancy with a former Participating Provider, the Provider must agree to accept as payment the negotiated fee that was in effect just prior to the termination of Our relationship with the Provider. The Provider must also agree to provide Us necessary medical information related to Your care and adhere to Our policies and procedures, including those for assuring quality of care, obtaining Preauthorization, authorizations, and a treatment plan approved by Us. If the Provider agrees to these conditions, You will receive the Covered Services as if they were being provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing. Please note that if the Provider was terminated by Us due to fraud, imminent harm to patients or final disciplinary action by a state board or agency that impairs the Provider's ability to practice, continued treatment with that Provider is not available.

- C. New Members In a Course of Treatment.** If You are in an ongoing course of treatment with a Non-Participating Provider when Your coverage under this Certificate becomes effective, You may be able to receive Covered Services for the ongoing treatment from the Non-Participating Provider for up to 60 days from the effective date of Your coverage under this Certificate. This course of treatment must be for a life-threatening disease or condition or a degenerative and disabling condition or disease. You may also continue care with a Non-Participating Provider if You are in the second or third trimester of a pregnancy when Your coverage under this Certificate becomes effective. You may continue care through delivery and any post-partum services directly related to the delivery.

In order for You to continue to receive Covered Services for up to 60 days or through pregnancy, the Non-Participating Provider must agree to accept as payment Our fees for such services. The Provider must also agree to provide Us necessary medical information related to Your care and to adhere to Our policies and procedures including those for assuring quality of care, obtaining Preauthorization, Referrals, and a treatment plan approved by Us. If the Provider agrees to these conditions, You will receive the Covered Services as if they were being provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing.

SECTION IV. COST-SHARING EXPENSES AND ALLOWED AMOUNT

- A. Deductible.** Except where stated otherwise, You must pay the amount in the Schedule of Benefits section of this Certificate for Covered in-network and out-of-network Services during each Plan Year before We provide coverage. If You have other than individual coverage, the individual Deductible applies to each person covered under this Certificate. Once a person within a family meets the individual Deductible, no further Deductible is required for the person that has met the individual Deductible for that Plan Year. However, after Deductible payments for persons covered under this Certificate collectively total the family Deductible amount in the Schedule of Benefits section of this Certificate in a Plan Year, no further Deductible will be required for any person covered under this Certificate for that Plan Year.

You have a separate In-Network and Out-of-Network Deductible. Cost-Sharing for out-of-network services does not apply toward Your In-Network Deductible. Cost-Sharing for in-network services does not apply toward Your Out-of-Network Deductible. **Any charges of a Non-Participating Provider that are in excess of the Allowed Amount do not apply toward the Deductible.**

- B. Copayments.** Except where stated otherwise, after You have satisfied the Deductible as described above, You must pay the Copayments, or fixed amounts, in the Schedule of Benefits section of this Certificate for Covered Services. However, when the Allowed Amount for a service is less than the Copayment, You are responsible for the lesser amount.
- C. Coinsurance.** Except where stated otherwise, after You have satisfied the Deductible described above, You must pay a percentage of the Allowed Amount for Covered Services. We will pay the remaining percentage of the Allowed Amount as Your benefit as shown in the Schedule of Benefits section of this Certificate. **You must also pay any charges of a Non-Participating Provider that are in excess of the Allowed Amount.**
- D. In-Network Out-of-Pocket Limit.** When You have met Your In-Network Out-of-Pocket Limit in payment of In-Network Copayments, Deductibles and Coinsurance for a Plan Year in the Schedule of Benefits section of this Certificate, We will provide coverage for 100% of the Allowed Amount for Covered in-network Services for the remainder of that Plan Year. If You have other than individual coverage, once a person within a family meets the individual In-Network Out-of-Pocket Limit in the Schedule of Benefits section of this Certificate, We will provide coverage for 100% of the Allowed Amount for the rest of that Plan Year for that person. If other than individual coverage applies, when persons in the same family covered under this Certificate have collectively met the family In-Network Out-of-Pocket Limit in payment of In-Network Copayments, Deductibles and Coinsurance for a Plan Year in the Schedule of Benefits section of this Certificate, We will provide coverage for 100% of the Allowed Amount for the rest of that Plan Year for the entire family.

Cost-Sharing for out-of-network services, except for Emergency Services and out-of-network services approved by Us as an in-network exception does not apply toward Your In-Network Out-of-Pocket Limit; and Cost-Sharing for in-network services does not apply towards Your Out-of-Network Out-of-Pocket Limit. The Preauthorization penalty described in the How Your Coverage Works section of this Certificate does not apply toward Your In-Network Out-of-Pocket Limit.

- E. Out-of-Network Out-of-Pocket Limit.** This Certificate has a separate Out-of-Network Out-of-Pocket Limit in the Schedule of Benefits section of this Certificate for out-of-network benefits. When You have met Your Out-of-Network Out-of-Pocket Limit in payment of Out-of-Network Copayments, Deductibles and Coinsurance for a Plan Year in the Schedule of Benefits section of this Certificate, We will provide coverage for 100% of the Allowed Amount for Covered out-of-network Services for the remainder of that Plan Year. If You have other than individual coverage, once a person within a family meets the individual Out-of-Network Out-of-Pocket Limit in the Schedule of Benefits section of this Certificate, We will provide coverage for 100% of the Allowed Amount for Covered out-of-network Services for the rest of that Plan Year for that person. If other than individual coverage applies, when persons in the same family covered under this Certificate have collectively met the family Out-of-

Network Out-of-Pocket Limit in payment of Out-of-Network Copayments, Deductibles and Coinsurance for a Plan Year in the Schedule of Benefits section of this Certificate, We will provide coverage for 100% of the Allowed Amount for the Covered out-of-network Services for the rest of that Plan Year for the entire family. **Any charges of a Non-Participating Provider that are in excess of the Allowed Amount do not apply toward Your Out-of-Network Out-of-Pocket Limit.**

Cost-Sharing for in-network services does not apply toward Your Out-of-Network Out-of-Pocket Limit. The Preauthorization penalty described in the Preauthorization Schedule section of this Certificate does not apply toward Your Out-of-Network Out-of-Pocket Limit.

- F. Your Additional Payments for Out-of-Network Benefits.** When You receive Covered Services from a Non-Participating Provider, in addition to the applicable Copayments, Deductibles and Coinsurance described in the Schedule of Benefits section of this Certificate, You must also pay the amount, if any, by which the Non-Participating Provider's actual charge exceeds Our Allowed Amount. This means that the total of Our coverage and any Cost-Sharing amounts You pay may be less than the Non-Participating Provider's actual charge.

When You receive Covered Services from a Non-Participating Provider, We will apply nationally-recognized payment rules to the claim submitted for those services. These rules evaluate the claim information and determine the accuracy of the procedure codes and diagnosis codes for the services You received. Sometimes, applying these rules will change the way that We pay for the services. This does not mean that the services were not Medically Necessary. It only means that the claim should have been submitted differently. For example, Your Provider may have billed using several procedure codes when there is a single code that includes all of the separate procedures. We will make one (1) inclusive payment in that case rather than a separate payment for each billed code. Another example of when We will apply the payment rules to a claim is when You have surgery that involves two (2) surgeons acting as "co-surgeons". Under the payment rules, the claim from each Provider should have a "modifier" on it that identifies it as coming from a co-surgeon. If We receive a claim that does not have the correct modifier, We will change it and make the appropriate payment. Additionally, another example of when We will apply a payment rule to a claim is when You receive services from a Health Care Professional who is not a Physician, such as a physician's assistant. Under the payment rule, the Allowed Amount for a physician's assistant or other Health Care Professional who is not a Physician will be less than the Allowed Amount for a Physician.

- G. Allowed Amount.** "Allowed Amount" means the maximum amount We will pay for the services or supplies Covered under this Certificate, before any applicable Copayment, Deductible and Coinsurance amounts are subtracted. We determine Our Allowed Amount as follows:

The Allowed Amount for Participating Providers will be the amount We have negotiated with the Participating Provider, or the amount approved by another Host Plan, or the Participating Provider's charge, if less.

The Allowed Amount for Non-Participating Providers in Our Service Area will be determined as follows:

- **Facilities.** For Facilities, the Allowed Amount applicable to Your Certificate is listed on the Schedule of Benefits.
- **For All Other Providers.** For all other Providers, the Allowed Amount applicable to Your Certificate is listed on the Schedule of Benefits.

See the Inter-Plan Programs section of the Cost-Sharing Expenses and Allowed Amount section of this Certificate for a description of how We determine the Allowed Amount for Non-Participating Providers outside Our Service Area.

Our Allowed Amount is not based on UCR. The Non-Participating Provider's actual charge may exceed Our Allowed Amount. You must pay the difference between Our Allowed Amount and the Non-Participating Provider's charge. Contact Us at the number on Your ID card or visit Our website at www.empireblue.com for information on Your financial responsibility when You receive services from a Non-Participating Provider.

We reserve the right to negotiate a lower rate with Non-Participating Providers or to pay another Host Plan's rate, if lower. If the Provider participates in a network for an equivalent product offered by an affiliated insurer or HMO in another state, the rate the Provider has agreed to accept from the other insurer or HMO will apply. Medicare based rates referenced in and applied under this section shall be updated no less than annually.

See the Emergency Services and Urgent Care section of this Certificate for the Allowed Amount for Emergency Services rendered by Non-Participating Providers. See the Ambulance and Pre-Hospital Emergency Medical Services section of this Certificate for the Allowed Amount for Pre-Hospital Emergency Medical Services rendered by Non-Participating Providers.

H. Inter-Plan Programs

- 1. Out-of-Area Services.** We have a variety of relationships with other Blue Cross and/or Blue Shield Licensees. Generally, these relationships are called "Inter-Plan Arrangements." These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever You access healthcare services outside the geographic area We serve (the "Empire Service Area"), the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described below.

When You receive care outside of the Empire Service Area, You will receive it from one of two kinds of Providers. Most Providers ("Participating Providers") contract with the local Blue Cross and/or Blue Shield Plan in that geographic area ("Host Blue"). Some Providers ("Non-Participating Providers") don't contract with the Host Blue. We explain below how We pay both kinds of Providers.

Inter-Plan Arrangements Eligibility – Claim Types. Most claim types are eligible to be processed through Inter-Plan Arrangements, as described above. Examples of claims that are not included are prescription drugs that You obtain from a pharmacy and most dental or vision benefits.

- 2. BlueCard® Program.** Under the BlueCard® Program, when You receive Covered Services within the geographic area served by a Host Blue, We will still fulfill Our contractual obligations. But the Host Blue is responsible for: (a) contracting with its Providers; and (b) handling its interactions with those Providers.

When You receive Covered Services outside the Empire Service Area and the claim is processed through the BlueCard Program, the amount You pay is calculated based on the lower of:

- The billed charges for Covered Services; or
- The negotiated price that the Host Blue makes available to Us.

Often, this "negotiated price" will be a simple discount that reflects an actual price that the Host Blue pays to the Provider. Sometimes, it is an estimated price that takes into account special arrangements with that Provider. Sometimes, such an arrangement may be an average price, based on a discount that results in expected average savings for services provided by similar types of Providers. Estimated and average pricing arrangements may also involve types of settlements, incentive payments and/or other credits or charges.

Estimated pricing and average pricing, also take into account adjustments to correct for over- or underestimation of past pricing of claims, as noted above. However, such adjustments will not affect the price We used for Your claim because they will not be applied after a claim has already been paid.

3. **Negotiated (non-BlueCard Program) Arrangements.** With respect to one or more Host Blues, instead of using the BlueCard Program, Empire may process Your claims for covered services through Negotiated Arrangements for National Accounts.

The amount You pay for Covered Services under this arrangement will be calculated based on the lower of either billed charges for Covered Services or the negotiated price (refer to the description of negotiated price under Section 2. BlueCard Program) made available to Empire by the Host Plan.

4. **Special Cases: Value-Based Programs.**

BlueCard® Program. If You receive Covered Services under a value-based program inside a Host Blue's service area, You will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to Empire through average pricing or fee schedule adjustments.

Value Based Programs: Negotiated (non-BlueCard Program) Arrangements. If Empire has entered into a Negotiated Arrangement with a Host Blue to provide Value-Based Programs to the Plan on Your behalf, Empire will follow the same procedures for Value-Based Programs administration and Care Coordinator Fees as noted above for the BlueCard Program.

5. **Inter-Plan and Intra-Plan Programs: Federal/State Taxes/Surcharges/Fees.** Federal or state laws or regulations may require a surcharge, tax or other fee. If applicable, We will include any such surcharge, tax or other fee as part of the inter-plan or intra-plan claim charge passed on to You.

6. **Non-Participating Providers Outside Our Service Area.**

- a. **Allowed Amounts and Member Liability Calculation.** When Covered Services are provided outside of Empire's Service Area by non-participating providers, We may determine benefits and make payment based on pricing from either the Host Blue or the pricing arrangements required by applicable state or federal law. In these situations, the amount You pay for such services as Deductible, Copayment or Coinsurance will be based on that allowed amount. Also, You may be responsible for the difference between the amount that the non-participating provider bills and the payment We will make for the Covered Services as set forth in this paragraph. Federal or state law, as applicable, will govern payments for out-of-network emergency services.

- b. **Exceptions.** In certain situations, We may use other pricing methods, such as billed charges, the pricing We would use if the healthcare services had been obtained within the Empire Service Area, or a special negotiated price to determine the amount We will pay for services provided by non-participating providers. In these situations, You may be liable for the difference between the amount that the non-participating provider bills and the payment We make for the Covered Services as set forth in this paragraph.

7. **Blue Cross Blue Shield Global Core® Program.** If You plan to travel outside the United States, call Member Services to find out Your Blue Cross Blue Shield Global Core® benefits. Benefits for services received outside of the United States may be different from services received in the United States. The plan only covers Emergency, including ambulance and Urgent Care outside of the United States. Remember to take an up to date health ID card with You.

A. Who is Covered Under this Certificate. You, the Subscriber to whom this Certificate is issued, are covered under this Certificate. Members of Your family may also be covered depending on the type of coverage You selected.

B. Types of Coverage. We offer the following types of coverage:

1. **Individual.** If You selected individual coverage, then You are covered.
2. **Individual and Spouse.** If You selected individual and Spouse coverage, then You and Your Spouse are covered.
3. **Parent and Child/Children.** If You selected parent and child/children coverage, then You and Your Child or Children, as described below, are covered.
4. **Family.** If You selected family coverage, then You and Your Spouse and Your Child or Children, as described below, are covered.

C. Children Covered Under this Certificate. If You selected parent and child/children or family coverage, Children covered under this Certificate include Your natural Children, legally adopted Children, step Children, and Children for whom You are the proposed adoptive parent without regard to financial dependence, residency with You, student status or employment. A proposed adopted Child is eligible for coverage on the same basis as a natural Child during any waiting period prior to the finalization of the Child's adoption. Coverage lasts until the age set forth in the Schedule of Benefits section of this Certificate. Foster Children and grandchildren are not covered.

Any unmarried dependent Child, regardless of age, who is incapable of self-sustaining employment by reason of mental illness, developmental disability, mental retardation (as defined in the New York Mental Hygiene Law), or physical handicap and who became so incapable prior to attainment of the age at which the Child's coverage would otherwise terminate and who is chiefly dependent upon You for support and maintenance, will remain covered while Your insurance remains in force and Your Child remains in such condition. You have 31 days from the date of Your Child's attainment of the termination age to submit an application to request that the Child be included in Your coverage and proof of the Child's incapacity. We have the right to check whether a Child is and continues to qualify under this section.

We have the right to request and be furnished with such proof as may be needed to determine eligibility status of a prospective or covered Subscriber and all other prospective or covered Members in relation to eligibility for coverage under this Certificate at any time.

D. When Coverage Begins. Coverage under this Certificate will begin as follows:

1. If You, the Subscriber, elect coverage before becoming eligible, or within 60 days of becoming eligible for other than a special enrollment period, coverage begins on the date You become eligible, or on the date determined by Your Group. Groups cannot impose waiting periods that exceed 90 days.
2. If You, the Subscriber, do not elect coverage upon becoming eligible or within 60 days of becoming eligible for other than a special enrollment period, You must wait until the Group's next open enrollment period to enroll, except as provided below.
3. If You, the Subscriber, marry while covered, and We receive notice of such marriage and any Premium payment within 60 days thereafter, coverage for Your Spouse and Child starts on the date of such marriage. If We do not receive notice within 60 days of the marriage, You must wait until the Group's next open enrollment period to add Your Spouse or Child.
4. If You, the Subscriber, have a newborn or adopted newborn Child, and We receive notice of such birth within 60 days thereafter, coverage for Your newborn starts at the moment of birth; otherwise, coverage begins on the date on which We receive notice. Your adopted newborn Child will be covered from the moment of birth if You take physical custody of the infant as soon as the infant is released from the Hospital after birth and You file a petition pursuant to Section 115-c of the New York Domestic Relations Law within 60 days of the infant's birth; and provided further

that no notice of revocation to the adoption has been filed pursuant to Section 115-b of the New York Domestic Relations Law, and consent to the adoption has not been revoked. However, We will not provide Hospital benefits for the adopted newborn's initial Hospital stay if one of the infant's natural parents has coverage for the newborn's initial Hospital stay. If You have individual or individual and Spouse coverage, You must also notify Us of Your desire to switch to parent and child/children or family coverage and pay any additional Premium within 60 days of the birth or adoption in order for coverage to start at the moment of birth. Otherwise, coverage begins on the date on which We receive notice, provided that You pay any additional Premium when due.

E. Special Enrollment Periods. You, Your Spouse or Child can also enroll for coverage within 60 days of the loss of coverage in another group health plan if coverage was terminated because You, Your Spouse or Child are no longer eligible for coverage under the other group health plan due to:

1. Termination of employment;
2. Termination of the other group health plan;
3. Death of the Spouse;
4. Legal separation, divorce or annulment;
5. Reduction of hours of employment;
6. Employer contributions toward the group health plan were terminated for You or Your Dependents' coverage; or
7. A Child no longer qualifies for coverage as a Child under the other group health plan.

You, Your Spouse or Child can also enroll 60 days from exhaustion of Your COBRA or continuation coverage, or if You gain a Dependent or become a Dependent through marriage, birth, adoption, or placement for adoption.

We must receive notice and Premium payment within 60 days of one of these events. The effective date of Your coverage will be the date indicated on the application along with the Premium payment. If You gain a Dependent or become a Dependent due to a birth, adoption, or placement for adoption, Your coverage will begin on the date of the birth, adoption or placement for adoption.

In addition, You, Your Spouse or Child, can also enroll for coverage within 60 days of the occurrence of one of the following events:

1. You or Your Spouse or Child loses eligibility for Medicaid or Child Health Plus; or
2. You or Your Spouse or Child becomes eligible for Medicaid or Child Health Plus.

We must receive notice and Premium payment within 60 days of one of these events. The effective date of Your coverage will be the date indicated on the application along with the Premium payment.

However, Cost-Sharing may apply to services provided during the same visit as the preventive services. Also, if a preventive service is provided during an office visit wherein the preventive service is not the primary purpose of the visit, the Cost-Sharing amount that would otherwise apply to the office visit will still apply. You may contact Us at the number on Your ID card or visit Our website at www.empireblue.com for a copy of the comprehensive guidelines supported by HRSA, items or services with an “A” or “B” rating from USPSTF, and immunizations recommended by ACIP.

SECTION VII. AMBULANCE AND PRE-HOSPITAL EMERGENCY MEDICAL SERVICES

Please refer to the Schedule of Benefits section of this Certificate for Cost-Sharing requirements, day or visit limits, and any Preauthorization requirements that apply to these benefits. Pre-Hospital Emergency Medical Services and ambulance services for the treatment of an Emergency Condition do not require Preauthorization.

A. Emergency Ambulance Transportation.

- 1. Pre-Hospital Emergency Medical Services.** We Cover Pre-Hospital Emergency Medical Services worldwide for the treatment of an Emergency Condition when such services are provided by an ambulance service.

“Pre-Hospital Emergency Medical Services” means the prompt evaluation and treatment of an Emergency Condition and/or non-airborne transportation to a Hospital. The services must be provided by an ambulance service issued a certificate under the New York Public Health Law. We will, however, only Cover transportation to a Hospital provided by such an ambulance service when a prudent layperson, possessing an average knowledge of medicine and health, could reasonably expect the absence of such transportation to result in:

- Placing the health of the person afflicted with such condition or, with respect to a pregnant woman, the health of the woman or her unborn child in serious jeopardy, or in the case of a behavioral condition, placing the health of such person or others in serious jeopardy;
- Serious impairment to such person’s bodily functions;
- Serious dysfunction of any bodily organ or part of such person; or
- Serious disfigurement of such person.

An ambulance service must hold You harmless and may not charge or seek reimbursement from You for Pre-Hospital Emergency Medical Services except for the collection of any applicable Copayment, Deductible or Coinsurance.

In the absence of negotiated rates, We will pay a Non-Participating Provider the usual and customary charge for Pre-Hospital Emergency Medical Services, which shall not be excessive or unreasonable. The usual and customary charge for Pre-Hospital Emergency Medical Services is the lesser of the FAIR Health rate at the 80th percentile or the Provider’s billed charges.

- 2. Emergency Ambulance Transportation.** In addition to Pre-Hospital Emergency Medical Services, We also Cover emergency ambulance transportation worldwide by a licensed ambulance service (either ground, water or air ambulance) to the nearest Hospital where Emergency Services can be performed. This coverage includes emergency ambulance transportation to a Hospital when the originating Facility does not have the ability to treat Your Emergency Condition.

non-emergency transportation is provided when Your medical condition is such that transportation by land ambulance is not appropriate; **and** Your medical condition requires immediate and rapid ambulance transportation that cannot be provided by land ambulance; **and** one (1) of the following is met:

- The point of pick-up is inaccessible by land vehicle; or
- Great distances or other obstacles (e.g., heavy traffic) prevent Your timely transfer to the nearest Hospital with appropriate facilities.

SECTION VIII. EMERGENCY SERVICES AND URGENT CARE

Please refer to the Schedule of Benefits section of this Certificate for Cost-Sharing requirements, day or visit limits, and any Preauthorization requirements that apply to these benefits.

A. Emergency Services. We Cover Emergency Services for the treatment of an Emergency Condition in a Hospital.

We define an “**Emergency Condition**” to mean: A medical or behavioral condition that manifests itself by Acute symptoms of sufficient severity, including severe pain, such that a prudent layperson, possessing an average knowledge of medicine and health, could reasonably expect the absence of immediate medical attention to result in:

- Placing the health of the person afflicted with such condition or, with respect to a pregnant woman, the health of the woman or her unborn child in serious jeopardy, or in the case of a behavioral condition, placing the health of such person or others in serious jeopardy;
- Serious impairment to such person’s bodily functions;
- Serious dysfunction of any bodily organ or part of such person; or
- Serious disfigurement of such person.

For example, an Emergency Condition may include, but is not limited to, the following conditions:

- Severe chest pain
- Severe or multiple injuries
- Severe shortness of breath
- Sudden change in mental status (e.g., disorientation)
- Severe bleeding
- Acute pain or conditions requiring immediate attention such as suspected heart attack or appendicitis
- Poisonings
- Convulsions.

Coverage of Emergency Services for treatment of Your Emergency Condition will be provided regardless of whether the Provider is a Participating Provider. We will also Cover Emergency Services to treat Your Emergency Condition worldwide. However, We will Cover only those Emergency Services and supplies that are Medically Necessary and are performed to treat or stabilize Your Emergency Condition in a Hospital.

Please follow the instructions listed below regardless of whether or not You are in Our Service Area at the time Your Emergency Condition occurs:

- 1. Hospital Emergency Department Visits.** In the event that You require treatment for an Emergency Condition, seek immediate care at the nearest Hospital emergency department or call 911. Emergency Department Care does not require Preauthorization. However, **only Emergency Services for the treatment of an Emergency Condition are Covered in an emergency department.**

We do not Cover follow-up care or routine care provided in a Hospital emergency department.

- 2. Emergency Hospital Admissions.** In the event that You are **admitted** to the Hospital, You or someone on Your behalf must notify Us at the number on Your ID card within 48 hours of Your admission, or as soon as is reasonably possible.

We Cover inpatient Hospital services following Emergency Department Care at a non-participating Hospital at the in-network Cost-Sharing. If Your medical condition permits Your transfer to a participating Hospital, We will notify You and arrange the transfer.

3. **Payments Relating to Emergency Services Rendered.** The amount We pay a Non-Participating Provider for Emergency Services will be the greater of: 1) the amount We have negotiated with Participating Providers for the Emergency Service (and if more than one amount is negotiated, the median of the amounts); 2) 100% of the Allowed Amount for services provided by a Non-Participating Provider (i.e., the amount We would pay in the absence of any Cost-Sharing that would otherwise apply for services of Non-Participating Providers); or 3) the amount that would be paid under Medicare. The amounts described above exclude any Copayment or Coinsurance that applies to Emergency Services provided by a Participating Provider.

If a dispute involving a payment for physician or Hospital services is submitted to an independent dispute resolution entity ("IDRE"), We will pay the amount, if any, determined by the IDRE for physician or Hospital services.

You are responsible for any In-Network Copayment, Deductible or Coinsurance. You will be held harmless for any Non-Participating Provider charges that exceed Your Copayment, Deductible or Coinsurance. Additionally, if You assign benefits to a Non-Participating Provider in writing, the Non-Participating Provider may only bill You for Your In-Network Copayment, Deductible or Coinsurance. If You receive a bill from a Non-Participating Provider that is more than Your In-Network Copayment, Deductible or Coinsurance, You should contact Us.

- B. **Urgent Care.** Urgent Care is medical care for an illness, injury or condition serious enough that a reasonable person would seek care right away, but not so severe as to require Emergency Department Care. Urgent Care is typically available after normal business hours, including evenings and weekends. If You need care after normal business hours, including evenings, weekends or holidays, You have options. You can call Your Provider's office for instructions or visit an Urgent Care Center. If You have an Emergency Condition, seek immediate care at the nearest Hospital emergency department or call 911. **Urgent Care is Covered in or out of Our Service Area.**
 1. **In-Network.** We Cover Urgent Care from a participating Physician or a participating Urgent Care Center. You do not need to contact Us prior to, or after Your visit.
 2. **Out-of-Network.** We Cover Urgent Care from a non-participating Urgent Care Center or Physician.

If Urgent Care results in an emergency admission, please follow the instructions for emergency Hospital admissions described above.

Not all Participating Providers participate in Our telemedicine program. You can check Our Provider directory or contact Us for a listing of the Providers that participate in Our telemedicine program.

Covered Services include a visit with the physician using the internet via a web application that supports a one on one webcam video conversation. Services are provided by board certified, licensed Primary Care Physicians. Online visits are not for specialist care. Common types of diagnoses and conditions treated online are: cough, fever, headaches, sore throat, routine child health issues, influenza, upper respiratory infections, sinusitis, bronchitis and urinary tract infections, when uncomplicated in nature.

Member Access. To begin the online visit, go to www.empireble.com and log in to Your member account or, if You do not already have one, set up an online account by providing some basic information about You and Your insurance plan. Then, follow the prompts that will guide You to an online visit. Before You connect to a Doctor, You will be asked to identify: the kind of condition and symptoms You want to discuss with the Doctor, list Your local pharmacy, provide information for the credit card You want any cost share for the visit to be billed to, agree to the terms of use, and select an available Physician. If You are not in New York State when You seek an online visit, You will need to check to be sure an online Doctor is available in the state You are in because online Doctors are not available in every state. Please refer to the Schedule of Benefits for any Cost-Sharing requirements that apply.

The visit with the Physician will not start until You provide the above information and click "connect." The visit will be documented in an electronic health record. You may access Your records and print them, and may email or fax them to Your Primary Care Physician.

Note about Covered Services. Online visits are not meant for the following purposes:

All transplants must be prescribed by Your Specialist(s).

We Cover the Hospital and medical expenses, including donor search fees, of the Member-recipient. We Cover transplant services required by You when You serve as an organ donor only if the recipient is a Member. We do not Cover the medical expenses of a non-Member acting as a donor for You if the non-Member's expenses will be Covered under another health plan or program.

To maximize Your benefits, You should call Our Transplant Department to as soon as You think You may need a transplant to talk about Your benefit options. You must do this before You have an evaluation and/or work-up for a transplant. We will help You maximize Your benefits by giving You coverage information, including details on what is Covered and if any clinical coverage guidelines, medical policies, or Exclusions apply. Call the Member Services number on the back of Your ID card and ask for the transplant coordinator. Even if We give a prior approval for the Covered Transplant Procedure, You or Your Provider must call Our Transplant Department for Precertification prior to the transplant whether this is performed in an Inpatient or Outpatient setting.

Precertification is required before We will Cover benefits for a transplant. Your Doctor must certify, and We must agree, that the transplant is Medically Necessary. Your Doctor should send a written request for Precertification to Us as soon as possible to start this process. Not getting Precertification will result in a denial of benefits.

Please note that there are cases where Your Provider asks for approval for Human Leukocyte Antigen (HLA) testing, donor searches and/or a harvest and storage of stem cells prior to the final decision as to what transplant procedure will be needed. In these cases, the HLA testing and donor search charges will be Covered as routine diagnostic tests. The harvest and storage request will be reviewed for Medical Necessity and may be approved. However, such an approval for HLA testing, donor search and/or harvest and storage is NOT an approval for the later transplant. A separate Medical Necessity decision will be needed for the transplant.

We do not Cover: travel expenses, lodging, meals, or other accommodations for donors or guests; donor fees in connection with organ transplant surgery; or routine harvesting and storage of stem cells from newborn cord blood.

BB. Vision Therapy. We Cover vision therapy to improve vision skills, such as eye movement control and eye coordination.

The provision of services pursuant to an individualized family service plan under Section 2545 of the New York Public Health Law, an individualized education plan under Article 89 of the New York Education Law, or an individualized service plan pursuant to regulations of the New York State Office for People With Developmental Disabilities shall not affect coverage under this Certificate for services provided on a supplemental basis outside of an educational setting if such services are prescribed by a licensed Physician or licensed psychologist.

For example, any Copayment, Deductible or Coinsurance that applies to physical therapy visits will generally also apply to physical therapy services Covered under this benefit; and any Copayment, Deductible or Coinsurance for Prescription Drugs will generally also apply to Prescription Drugs Covered under this benefit. See the Schedule of Benefits section of this Certificate for the Cost Sharing requirements that apply to applied behavior analysis services and assistive communication devices.

Nothing in this Certificate shall be construed to affect any obligation to provide coverage for otherwise-Covered Services solely on the basis that the services constitute early intervention program services pursuant to Section 3235-a of the New York Insurance Law or an individualized service plan pursuant to regulations of the New York State Office for People With Developmental Disabilities.

SECTION XIII. WELLNESS BENEFITS

A. Voluntary Clinical Quality Programs. The purpose of these voluntary clinical quality programs is to promote good health and early detection of disease. They are designed to encourage eligible Members to obtain certain covered Preventive Care or other recommended care covered under this Certificate that was not received within the recommended timeframe. For instance, a program may be designed to encourage You to bring Your child to his or her PCP for a well-child or well-baby care visit if You missed a recommended check-up, or may encourage You to get certain screening tests such as a mammogram if You have not been tested within the recommended age range. Or, a program may encourage You to have a medical visit within a specific time period such as a postpartum checkup within a set number of days after delivery of a newborn, or a home visit so You can provide a blood sample for a recommended laboratory test.

1. **Description.** These voluntary clinical quality programs are designed to encourage You to get certain preventive, wellness, or other recommended care when You need it based on recommended clinical guidelines. These programs are not guaranteed and Your participation is optional. We will give You the choice, and if You choose to participate in any program for which You qualify, and obtain the recommended care within the program's timeframe, You will receive an incentive. The incentive may take the form of:
 - a. a gift card in the amount of \$50 so long as You are encouraged to use the reward for a product or service that promotes good health, or retailer coupons, such as for discounts on eye glasses; or
 - b. a home test kit at no cost to allow You to conveniently collect a specimen for certain covered laboratory tests at home and mail it to the laboratory for processing. In this case, You may need to pay any cost shares that normally apply to covered laboratory tests under Your benefit plan, but the home test kit will be free to You; or
 - c. a home visit to allow You to provide a specimen for certain covered laboratory tests, or for certain biometric screenings. In this case, You may need to pay any cost shares that normally apply to covered laboratory tests, but the home visit will be free to You.

If You have any questions about whether receipt of a gift card or retail coupon results in taxable income to You, We recommend that You consult Your tax advisor.

2. **Eligibility.** You, the Subscriber, and the Subscriber's covered Spouse, and each covered Dependent may participate in the Voluntary Clinical Quality Program(s) if the targeted service applies, based on the recommended clinical guidelines the program promotes. These programs will be offered to Members who have certain conditions, who fall within certain age ranges, or who are due to receive certain recommended preventive or other care based on a recommended timeframe. For example:
 - a. Members age 50-75 years who have not undergone colorectal cancer screening as recommended by the American Cancer Society may be eligible to participate in a program designed to encourage these members to obtain a recommended preventive colorectal cancer screening, such as a fecal occult blood screening test.
 - b. Members age 50-74 years who have not had a mammography screening as recommended by the United States Preventive Services Task Force may be eligible to participate in a program designed to encourage these members to obtain the screening through the offer of a gift card awarded upon receipt of documentation that the screening was completed.
3. **Participation.** If You are eligible for a clinical quality program We offer, We will contact You by phone or mail to offer You the chance to participate. You may also call Us at the phone number on Your ID card if You have any questions regarding program participation. We will explain to You the care You are recommended to receive and the timeframe within which You need to receive it to be eligible for the reward if applicable.
4. **Rewards.** Rewards for participation in a clinical quality program and completion of the identified services within the specified timeframe may include monetary rewards in the form of a gift card or

retailer coupon such as for discounts on eyeglasses, so long as the recipient is encouraged to use the reward for a product or service that promotes good health. In other cases, You will receive a home test kit at no cost to make it more convenient for You to receive the recommended care.

B. Member Discount Programs. We have agreements with various vendors that provide Members with various discounts on the products and services they offer. Discounts are available primarily for health related services, such as fitness centers, hearing aids, vitamins, weight loss programs, childbirth classes, and dental and vision services. Discounts will not be available if a service is an otherwise Covered benefit under this Contract. You can view the discounts available to You by visiting Our website at www.empireblue.com. You must present your ID card to the vendor at the time a service is purchased. If You do not have internet access, please call Us at the number on Your ID card and We will provide You with information on the discounts available to You. The vendor will then apply the applicable discount. If You do not have access to a computer, please call Us at the number on Your ID card and We will provide You with information regarding how to participate without internet access

Written notice will follow within three (3) calendar days of the decision.

G. Post-Service Claim Determinations. A post-service claim is a request for a service or treatment that You have already received. If We have all information necessary to make a determination regarding a post-service claim, We will make a determination and notify You (or Your designee) within 30 calendar days of the receipt of the claim if We deny the claim in whole or in part. If We need additional information, We will request it within 30 calendar days. You will then have 45 calendar days to provide the information. We will make a determination and provide notice to You (or Your designee) in writing within 15 calendar days of the earlier of Our receipt of the information or the end of the 45-day period if We deny the claim in whole or in part.

H. Payment of Claims. Where Our obligation to pay a claim is reasonably clear, We will pay the claim within 30 days of receipt of the claim (when submitted through the internet or e-mail) and 45 days of receipt of the claim (when submitted through other means, including paper or fax). If We request additional information, We will pay the claim within 30 days (for claims submitted through the internet or e-mail) or 45 days (for claims submitted through other means, including paper or fax) of receipt of the information.

SECTION XVII. UTILIZATION REVIEW

- A. Utilization Review.** We review health services to determine whether the services are or were Medically Necessary or experimental or investigational ("Medically Necessary"). This process is called Utilization Review. Utilization Review includes all review activities, whether they take place prior to the service being performed (Preauthorization); when the service is being performed (concurrent); or after the service is performed (retrospective). If You have any questions about the Utilization Review process, please call the number on Your ID card. The toll-free telephone number is available at least 40 hours a week with an after-hours answering machine.

All determinations that services are not Medically Necessary will be made by: 1) licensed Physicians; or 2) licensed, certified, registered or credentialed Health Care Professionals who are in the same profession and same or similar specialty as the Provider who typically manages Your medical condition or disease or provides the health care service under review; or 3) with respect to mental health or substance use disorder treatment, licensed Physicians or licensed, certified, registered or credentialed Health Care Professionals who specialize in behavioral health and have experience in the delivery of mental health or substance use disorder courses of treatment. We do not compensate or provide financial incentives to Our employees or reviewers for determining that services are not Medically Necessary.

We have developed guidelines and protocols to assist Us in this process. We will use evidence-based and peer reviewed clinical review criteria that are appropriate to the age of the patient and designated by OASAS for substance use disorder treatment or approved for use by OMH for mental health treatment. Specific guidelines and protocols are available for Your review upon request. For more information, call the number on Your ID card or visit Our website at www.empireblue.com.

You may ask that We send You electronic notification of a Utilization Review determination instead of notice in writing or by telephone. You must tell Us in advance if You want to receive electronic notifications. To opt into electronic notifications, call the number on Your ID card or visit Our website at www.empireblue.com. You can opt out of electronic notifications at any time.

3. **Court Ordered Treatment.** With respect to requests for mental health and/or substance use disorder services that have not yet been provided, if You (or Your designee) certify, in a format prescribed by the Superintendent of Financial Services, that You will be appearing, or have appeared, before a court of competent jurisdiction and may be subject to a court order requiring such services, We will make a determination and provide notice to You (or Your designee) and Your Provider by telephone within 72 hours of receipt of the request. Written notification will be provided within three (3) business days of Our receipt of the request. Where feasible, the telephonic and written notification will also be provided to the court.
4. **Inpatient Rehabilitation Services Reviews.** After receiving a Preauthorization request for coverage of inpatient rehabilitation services following an inpatient Hospital admission provided by a Hospital or skilled nursing facility, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within one (1) business day of receipt of the necessary information.

C. Concurrent Reviews

1. **Non-Urgent Concurrent Reviews.** Utilization Review decisions for services during the course of care (concurrent reviews) will be made, and notice provided to You (or Your designee) and Your Provider, by telephone and in writing, within one (1) business day of receipt of all necessary information. 2. **Urgent Concurrent Reviews.** For concurrent reviews that involve an extension of urgent care, if the request for coverage is made at least 24 hours prior to the expiration of a previously approved treatment, We will make a determination and provide notice to You (or Your designee) and Your Provider by telephone within 24 hours of receipt of the request. Written notice will be provided within one (1) business day of receipt of the request.

If the request for coverage is not made at least 24 hours prior to the expiration of a previously approved treatment and We have all the information necessary to make a determination, We will make a determination and provide written notice to You (or Your designee) and Your Provider within the earlier of 72 hours or one (1) business day of receipt of the request. If We need additional information, We will request it within 24 hours. You or Your Provider will then have 48 hours to submit the information. We will make a determination and provide written notice to You (or Your designee) and Your Provider within the earlier of one (1) business day or 48 hours of Our receipt of the information or, if we do not receive the information, within 48 hours of the end of the 48-hour period.

3. **Inpatient Substance Use Disorder Treatment Reviews.** If a request for inpatient substance use disorder treatment is submitted to Us at least 24 hours prior to discharge from an inpatient substance use disorder treatment admission, We will make a determination within 24 hours of receipt of the request and We will provide coverage for the inpatient substance use disorder treatment while Our determination is pending.
4. **Inpatient Mental Health Treatment for Members under 18 at Participating Hospitals Licensed by the Office of Mental Health (OMH).** Coverage for inpatient mental health treatment at a participating OMH-licensed Hospital is not subject to Preauthorization. Coverage will not be subject to concurrent review for the first 14 days of the inpatient admission if the OMH-licensed Hospital notifies Us of both the admission and the initial treatment plan within two (2) business days of the admission. After the first 14 days of the inpatient admission, We may review the entire stay to determine whether it is Medically Necessary, and We will use clinical review tools approved by OMH. If any portion of the stay is denied as not Medically Necessary, You are

only responsible for the in-network Cost-Sharing that would otherwise apply to Your inpatient admission.

- 5. Inpatient Substance Use Disorder Treatment at Participating OASAS Certified Facilities.** Coverage for inpatient substance use disorder treatment at a participating OASAS-certified Facility is not subject to Preauthorization. Coverage will not be subject to concurrent review for the first 28 days of the inpatient admission if the OASAS-certified Facility notifies Us of both the admission and the initial treatment plan within two (2) business days of the admission. After the first 28 days of the inpatient admission, We may review the entire stay to determine whether it is Medically Necessary and We will use clinical review tools designated by OASAS. If any portion of the stay is denied as not Medically Necessary, You are only responsible for the in-network Cost-Sharing that would otherwise apply to Your inpatient admission.
- 6. Outpatient Substance Use Disorder Treatment at Participating OASAS-Certified Facilities.** Coverage for outpatient, intensive outpatient, outpatient rehabilitation and opioid treatment at a participating OASAS-certified Facility is not subject to Preauthorization. Coverage will not be subject to concurrent review for the first four (4) weeks of continuous treatment, not to exceed 28 visits, if the OASAS-certified Facility notifies Us of both the start of treatment and the initial treatment plan within two (2) business days. After the first four (4) weeks of continuous treatment, not to exceed 28 visits, We may review the entire outpatient treatment to determine whether it is Medically Necessary and We will use clinical review tools designated by OASAS. If any portion of the outpatient treatment is denied as not Medically Necessary, You are only responsible for the in-network Cost-Sharing that would otherwise apply to Your outpatient treatment.

- D. Retrospective Reviews.** If We have all information necessary to make a determination regarding a retrospective claim, We will make a determination and notify You and Your Provider within 30 calendar days of the receipt of the request. If We need additional information, We will request it within 30 calendar days. You or Your Provider will then have 45 calendar days to provide the information. We will make a determination and provide notice to You and Your Provider in writing within 15 calendar days of the earlier of Our receipt of all or part of the requested information or the end of the 45-day period.

Once We have all the information to make a decision, Our failure to make a Utilization Review determination within the applicable time frames set forth above will be deemed an adverse determination subject to an internal Appeal.

- E. Retrospective Review of Preauthorized Services.** We may only reverse a preauthorized treatment, service or procedure on retrospective review when:
- The relevant medical information presented to Us upon retrospective review is materially different from the information presented during the Preauthorization review;
 - The relevant medical information presented to Us upon retrospective review existed at the time of the Preauthorization but was withheld or not made available to Us;
 - We were not aware of the existence of such information at the time of the Preauthorization review; and
 - Had We been aware of such information, the treatment, service or procedure being requested would not have been authorized. The determination is made using the same specific standards, criteria or procedures as used during the Preauthorization review.
- F. Step Therapy Override Determinations.** You, Your designee, or Your Health Care Professional may request a step therapy protocol override determination for Coverage of a Prescription Drug selected by Your Health Care Professional. When conducting Utilization Review for a step therapy protocol override determination, We will use recognized evidence-based and peer reviewed clinical review criteria that is appropriate for You and Your medical condition.

- 1. Supporting Rationale and Documentation.** A step therapy protocol override determination

request must include supporting rationale and documentation from a Health Care Professional, demonstrating that:

- The required Prescription Drug(s) is contraindicated or will likely cause an adverse reaction or physical or mental harm to You;
 - The required Prescription Drug(s) is expected to be ineffective based on Your known clinical history, condition, and Prescription Drug regimen;
 - You have tried the required Prescription Drug(s) while covered by Us or under Your previous health insurance coverage, or another Prescription Drug in the same pharmacologic class or with the same mechanism of action, and that Prescription Drug(s) was discontinued due to lack of efficacy or effectiveness, diminished effect, or an adverse event;
 - You are stable on a Prescription Drug(s) selected by Your Health Care Professional for Your medical condition, provided this does not prevent Us from requiring You to try an AB-rated generic equivalent; or
 - The required Prescription Drug(s) is not in Your best interest because it will likely cause a significant barrier to Your adherence to or compliance with Your plan of care, will likely worsen a comorbid condition, or will likely decrease Your ability to achieve or maintain reasonable functional ability in performing daily activities.
2. **Standard Review.** We will make a step therapy protocol override determination and provide notification to You (or Your designee) and where appropriate, Your Health Care Professional, within 72 hours of receipt of the supporting rationale and documentation.
3. **Expedited Review.** If You have a medical condition that places Your health in serious jeopardy without the Prescription Drug prescribed by Your Health Care Professional, We will make a step therapy protocol override determination and provide notification to You (or Your designee) and Your Health Care Professional within 24 hours of receipt of the supporting rationale and documentation.

If the required supporting rationale and documentation are not submitted with a step therapy protocol override determination request, We will request the information within 72 hours for Preauthorization and retrospective reviews, the lesser of 72 hours or one (1) business day for concurrent reviews, and 24 hours for expedited reviews. You or Your Health Care Professional will have 45 calendar days to submit the information for Preauthorization, concurrent and retrospective reviews, and 48 hours for expedited reviews. For Preauthorization reviews, We will make a determination and provide notification to You (or Your designee) and Your Health Care Professional within the earlier of 72 hours of Our receipt of the information or 15 calendar days of the end of the 45-day period if the information is not received. For concurrent reviews, We will make a determination and provide notification to You (or Your designee) and Your Health Care Professional within the earlier of 72 hours or one (1) business day of Our receipt of the information or 15 calendar days of the end of the 45-day period if the information is not received. For retrospective reviews, We will make a determination and provide notification to You (or Your designee) and Your Health Care Professional within the earlier of 72 hours of Our receipt of the information or 15 calendar days of the end of the 45-day period if the information is not received. For expedited reviews, We will make a determination and provide notification to You (or Your designee) and Your Health Care Professional within the earlier of 24 hours of Our receipt of the information or 48 hours of the end of the 48-hour period if the information is not received.

If We do not make a determination within 72 hours (or 24 hours for expedited reviews) of receipt of the supporting rationale and documentation, the step therapy protocol override request will be approved.

If We determine that the step therapy protocol should be overridden, We will authorize immediate coverage for the Prescription Drug prescribed by Your treating Health Care Professional. An adverse step therapy override determination is eligible for an Appeal.

G. Reconsideration. If We did not attempt to consult with Your Provider who recommended the Covered Service before making an adverse determination, the Provider may request reconsideration by the same clinical peer reviewer who made the adverse determination or a designated clinical peer

reviewer if the original clinical peer reviewer is unavailable. For Preauthorization and concurrent reviews, the reconsideration will take place within one (1) business day of the request for reconsideration. If the adverse determination is upheld, a notice of adverse determination will be given to You and Your Provider, by telephone and in writing.

H. Utilization Review Internal Appeals. You, Your designee, and, in retrospective review cases, Your Provider, may request an internal Appeal of an adverse determination, either by phone, in person, or in writing.

You have up to 180 calendar days after You receive notice of the adverse determination to file an Appeal. We will acknowledge Your request for an internal Appeal within 15 calendar days of receipt. This acknowledgment will include the name, address, and phone number of the person handling Your Appeal and, if necessary, inform You of any additional information needed before a decision can be made. The Appeal will be decided by a clinical peer reviewer who is not subordinate to the clinical peer reviewer who made the initial adverse determination and who is 1) a Physician or 2) a Health Care Professional in the same or similar specialty as the Provider who typically manages the disease or condition at issue.

- 1. Out-of-Network Service Denial.** You also have the right to Appeal the denial of a Preauthorization request for an out-of-network health service when We determine that the out-of-network health service is not materially different from an available in-network health service. A denial of an out-of-network health service is a service provided by a Non-Participating Provider, but only when the service is not available from a Participating Provider. For a Utilization Review Appeal of denial of an out-of-network health service, You or Your designee must submit:
 - A written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition, that the requested out-of-network health service is materially different from the alternate health service available from a Participating Provider that We approved to treat Your condition; and
 - Two (2) documents from the available medical and scientific evidence that the out-of-network service: 1) is likely to be more clinically beneficial to You than the alternate in-network service; and 2) that the adverse risk of the out-of-network service would likely not be substantially increased over the in-network health service.
- 2. Out-of-Network Authorization Denial.** You also have the right to Appeal the denial of a request for an authorization to a Non-Participating Provider when We determine that We have a Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service. For a Utilization Review Appeal of an out-of-network authorization denial, You or Your designee must submit a written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition:
 - That the Participating Provider recommended by Us does not have the appropriate training and experience to meet Your particular health care needs for the health care service; and
 - Recommending a Non-Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service.

I. Standard Appeal.

- 1. Preauthorization Appeal.** If Your Appeal relates to a Preauthorization request, We will decide the Appeal within 30 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee), and where appropriate Your Provider within two (2) business days after the determination is made, but no later than 30 calendar days after receipt of the Appeal request.

2. **Retrospective Appeal.** If Your Appeal relates to a retrospective claim, We will decide the Appeal within the earlier of 30 calendar days of receipt of the information necessary to conduct the Appeal or 60 days of receipt of the Appeal. Written notice of the determination will be provided to You (or Your designee) and where appropriate Your Provider within two (2) business days after the determination is made, but no later than 60 calendar days after receipt of the Appeal request.
3. **Expedited Appeal.** An Appeal of a review of continued or extended health care services, additional services rendered in the course of continued treatment, home health care services following discharge from an inpatient Hospital admission, services in which a Provider requests an immediate review, mental health and/or substance use disorder services that may be subject to a court order or any other urgent matter will be handled on an expedited basis. An expedited Appeal is not available for retrospective reviews. For an expedited Appeal, Your Provider will have reasonable access to the clinical peer reviewer assigned to the Appeal within one (1) business day of receipt of the request for an Appeal. Your Provider and a clinical peer reviewer may exchange information by telephone or fax. An expedited Appeal will be determined within the earlier of 72 hours of receipt of the Appeal or two (2) business days of receipt of the information necessary to conduct the Appeal. Written notice of the determination will be provided to You (or Your designee) within 24 hours after the determination is made, but no later than 72 hours after receipt of the Appeal request.

If You are not satisfied with the resolution of Your expedited Appeal, You may file a standard internal Appeal or an external appeal.

Our failure to render a determination of Your Appeal within 30 calendar days of receipt of the necessary information for a standard Appeal or within two (2) business days of receipt of the necessary information for an expedited Appeal will be deemed a reversal of the initial adverse determination.

4. **Substance Use Appeal.** If We deny a request for inpatient substance use disorder treatment that was submitted at least 24 hours prior to discharge from an inpatient admission, and You or Your Provider file an expedited internal Appeal of Our adverse determination, We will decide the Appeal within 24 hours of receipt of the Appeal request. If You or Your Provider file the expedited internal Appeal and an expedited external appeal within 24 hours of receipt of Our adverse determination, We will also provide coverage for the inpatient substance use disorder treatment while a determination on the internal Appeal and external appeal is pending.
- J. Full and Fair Review of an Appeal.** We will provide You, free of charge, with any new or additional evidence considered, relied upon, or generated by Us or any new or additional rationale in connection with Your Appeal. The evidence or rationale will be provided as soon as possible and sufficiently in advance of the date on which the notice of final adverse determination is required to be provided to give You a reasonable opportunity to respond prior to that date.
- K. Appeal Assistance.** If You need assistance filing an Appeal You may contact the state independent Consumer Assistance Program at:

SECTION XVIII. EXTERNAL APPEAL

- A. Your Right to an External Appeal.** In some cases, You have a right to an external appeal of a denial of coverage. If We have denied coverage on the basis that a service is not Medically Necessary (including appropriateness, health care setting, level of care or effectiveness of a Covered benefit); or is an experimental or investigational treatment (including clinical trials and treatments for rare diseases); or is an out-of-network treatment, You or Your representative may appeal that decision to an External Appeal Agent, an independent third party certified by the State to conduct these appeals.

In order for You to be eligible for an external appeal You must meet the following two (2) requirements:

- The service, procedure, or treatment must otherwise be a Covered Service under this Certificate and
- In general, You must have received a final adverse determination through Our internal Appeal process. But, You can file an external appeal even though You have not received a final adverse determination through Our internal Appeal process if:
 - We agree in writing to waive the internal Appeal. We are not required to agree to Your request to waive the internal Appeal; or
 - You file an external appeal at the same time as You apply for an expedited internal Appeal; or
 - We fail to adhere to Utilization Review claim processing requirements (other than a minor violation that is not likely to cause prejudice or harm to You, and We demonstrate that the violation was for good cause or due to matters beyond Our control and the violation occurred during an ongoing, good faith exchange of information between You and Us).

- B. Your Right to Appeal a Determination that a Service is Not Medically Necessary.** If We have denied coverage on the basis that the service is not Medically Necessary, You may appeal to an External Appeal Agent if You meet the requirements for an external appeal in paragraph “A” above.

- C. Your Right to Appeal a Determination that a Service is Experimental or Investigational.** If We have denied coverage on the basis that the service is an experimental or investigational treatment (including clinical trials and treatments for rare diseases), You must satisfy the two (2) requirements for an external appeal in paragraph “A” above and Your attending Physician must certify that Your condition or disease is one for which:
1. Standard health services are ineffective or medically inappropriate; **or**
 2. There does not exist a more beneficial standard service or procedure Covered by Us; **or**
 3. There exists a clinical trial or rare disease treatment (as defined by law).

In addition, Your attending Physician must have recommended one (1) of the following:

1. A service, procedure or treatment that two (2) documents from available medical and scientific evidence indicate is likely to be more beneficial to You than any standard Covered Service (only certain documents will be considered in support of this recommendation – Your attending Physician should contact the State for current information as to what documents will be considered or acceptable); or
2. A clinical trial for which You are eligible (only certain clinical trials can be considered); or
3. A rare disease treatment for which Your attending Physician certifies that there is no standard treatment that is likely to be more clinically beneficial to You than the requested service, the requested service is likely to benefit You in the treatment of Your rare disease, and such benefit outweighs the risk of the service. In addition, Your attending Physician must certify that Your condition is a rare disease that is currently or was previously subject to a research study by the National Institutes of Health Rare Disease Clinical Research Network **or** that it affects fewer than 200,000 U.S. residents per year.

For purposes of this section, Your attending Physician must be a licensed, board-certified or board eligible Physician qualified to practice in the area appropriate to treat Your condition or disease. In addition, for a rare disease treatment, the attending Physician may not be Your treating Physician.

- D. Your Right to Appeal a Determination that a Service is Out-of-Network.** If We have denied coverage of an out-of-network treatment because it is not materially different than the health service available in-network, You may appeal to an External Appeal Agent if You meet the two (2) requirements for an external appeal in paragraph “A” above, and You have requested Preauthorization for the out-of-network treatment.

In addition, Your attending Physician must certify that the out-of-network service is materially different from the alternate recommended in-network health service, and based on two (2) documents from available medical and scientific evidence, is likely to be more clinically beneficial than the alternate in-network treatment and that the adverse risk of the requested health service would likely not be substantially increased over the alternate in-network health service.

For purposes of this section, Your attending Physician must be a licensed, board certified or board eligible Physician qualified to practice in the specialty area appropriate to treat You for the health service.

- E. Your Right to Appeal an Out-of-Network Authorization Denial to a Non-Participating Provider.** If We have denied coverage of a request for an authorization to a Non-Participating Provider because We determine We have a Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service, You may appeal to an External Appeal Agent if You meet the two (2) requirements for an external appeal in paragraph “A” above.

In addition, Your attending Physician must: 1) certify that the Participating Provider recommended by Us does not have the appropriate training and experience to meet Your particular health care needs; and 2) recommend a Non-Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service.

For purposes of this section, Your attending Physician must be a licensed, board certified or board eligible Physician qualified to practice in the specialty area appropriate to treat You for the health service.

- F. The External Appeal Process.** You have four (4) months from receipt of a final adverse determination or from receipt of a waiver of the internal Appeal process to file a written request for an external appeal. If You are filing an external appeal based on Our failure to adhere to claim processing requirements, You have four (4) months from such failure to file a written request for an external appeal.

We will provide an external appeal application with the final adverse determination issued through Our internal Appeal process or Our written waiver of an internal Appeal. You may also request an external appeal application from the New York State Department of Financial Services at 1-800-400-8882. Submit the completed application to the Department of Financial Services at the address indicated on the application. If You meet the criteria for an external appeal, the State will forward the request to a certified External Appeal Agent.

You can submit additional documentation with Your external appeal request. If the External Appeal Agent determines that the information You submit represents a material change from the information on which We based Our denial, the External Appeal Agent will share this information with Us in order for Us to exercise Our right to reconsider Our decision. If We choose to exercise this right, We will have three (3) business days to amend or confirm Our decision. Please note that in the case of an expedited external appeal (described below), We do not have a right to reconsider Our decision.

In general, the External Appeal Agent must make a decision within 30 days of receipt of Your completed application. The External Appeal Agent may request additional information from You, Your Physician, or Us. If the External Appeal Agent requests additional information, it will have five (5) additional business days to make its decision. The External Appeal Agent must notify You in writing of its decision within two (2) business days.

If Your attending Physician certifies that a delay in providing the service that has been denied poses an imminent or serious threat to Your health; or if Your attending Physician certifies that the standard external appeal time frame would seriously jeopardize Your life, health or ability to regain maximum function; or if You received Emergency Services and have not been discharged from a Facility and the denial concerns an admission, availability of care, or continued stay, You may request an expedited external appeal. In that case, the External Appeal Agent must make a decision within 72 hours of receipt of Your completed application. Immediately after reaching a decision, the External Appeal Agent must notify You and Us by telephone or facsimile of that decision. The External Appeal Agent must also notify You in writing of its decision.

If the External Appeal Agent overturns Our decision that a service is not Medically Necessary or approves coverage of an experimental or investigational treatment or an out-of-network treatment, We will provide coverage subject to the other terms and conditions of this Certificate. Please note that if the External Appeal Agent approves coverage of an experimental or investigational treatment that is part of a clinical trial, We will only Cover the cost of services required to provide treatment to You according to the design of the trial. We will not be responsible for the costs of investigational drugs or devices, the costs of non-health care services, the costs of managing the research, or costs that would not be Covered under this Certificate for non-investigational treatments provided in the clinical trial.

The External Appeal Agent's decision is binding on both You and Us. The External Appeal Agent's decision is admissible in any court proceeding.

- G. Your Responsibilities. It is Your responsibility to start the external appeal process.** You may start the external appeal process by filing a completed application with the New York State Department of Financial Services. You may appoint a representative to assist You with Your application; however, the Department of Financial Services may contact You and request that You confirm in writing that You have appointed the representative.

Under New York State law, Your completed request for external appeal must be filed within four (4) months of either the date upon which You receive a final adverse determination, or the date upon which You receive a written waiver of any internal Appeal, or Our failure to adhere to claim processing requirements. We have no authority to extend this deadline.

SECTION XIX. COORDINATION OF BENEFITS

This section applies when you also have group health coverage with another plan. When You receive a Covered service, We will coordinate benefit payments with any payment made by another plan. The primary plan will pay its full benefits and the other plan may pay secondary benefits, if necessary, to cover some or all of the remaining expenses. This coordination prevents duplicate payments and overpayments.

A. Definitions.

1. "Allowable expense" is the necessary, reasonable, and customary item of expense for health care, when the item is covered at least in part under any of the plans involved, except where a statute requires a different definition. When a plan provides benefits in the form of services, the reasonable cash value of each service will be considered as both an allowable expense and a benefit paid.
2. "Plan" is other group health coverage with which We will coordinate benefits. The term "plan" includes:
 - Group health benefits and group blanket or group remittance health benefits coverage, whether insured, self-insured, or self-funded. This includes group HMO and other prepaid group coverage, but does not include blanket school accident coverage or coverages issued to a substantially similar group (e.g., Girl Scouts, Boy Scouts) where the school or organization pays the premiums.
 - Medical benefits coverage, in group and individual automobile "no-fault" and traditional liability "fault" type contracts.
 - Hospital, medical, and surgical benefits coverage of Medicare or a governmental plan offered, required, or provided by law, except Medicaid or any other plan whose benefits are by law excess to any private insurance coverage.
3. "Primary plan" is one whose benefits must be determined without taking the existence of any other plan into consideration. A plan is primary if either: 1) the plan has no order of benefits rules or its rules differ from those required by regulation; or 2) all plans which cover the person use the order of benefits rules required by regulation and under those rules the plan determines its benefits first. More than one plan may be a primary plan (for example, two plans which have no order of benefit determination rules).
4. "Secondary plan" is one which is not a primary plan. If a person is covered by more than one secondary plan, the order of benefit determination rules decide the order in which their benefits are determined in relation to each other.

B. Rules to Determine Order of Payment.

The first of the rules listed below in paragraphs 1-6 that applies will determine which plan will be primary:

1. If the other plan does not have a provision similar to this one, then the other plan will be primary.
2. If the person receiving benefits is the Subscriber and is only covered as a Dependent under the other plan, this Certificate will be primary.
3. If a child is covered under the plans of both parents and the parents are not separated or divorced, the plan of the parent whose birthday falls earlier in the year will be primary. If both parents have the same birthday, the plan which covered the parent longer will be primary. To determine whose birthday falls earlier in the year, only the month and day are considered. However, if the other plan does not have this birthday rule, but instead has a rule based on the sex of the parent and as a result the plans do not agree on which is primary, then the rule in the other plan will determine which plan is primary.

4. If a child is covered by both parents' plans, the parents are separated or divorced, and there is no court decree between the parents that establishes financial responsibility for the child's health care expenses:
 - The plan of the parent who has custody will be primary;
 - If the parent with custody has remarried, and the child is also covered as a child under the step-parent's plan, the plan of the parent with custody will pay first, the step-parent's plan will pay second, and the plan of the parent without custody will pay third; and
 - If a court decree between the parents says which parent is responsible for the child's health care expenses, then that parent's plan will be primary if that plan has actual knowledge of the decree.
5. If the person receiving services is covered under one plan as an active employee or member (i.e., not laid-off or retired), or as the spouse or child of such an active employee, and is also covered under another plan as a laid-off or retired employee or as the spouse or child of such a laid-off or retired employee, the plan that covers such person as an active employee or spouse or child of an active employee will be primary. If the other plan does not have this rule, and as a result the plans do not agree on which will be primary, this rule will be ignored.
6. If none of the above rules determine which plan is primary, the plan that covered the person receiving services longer will be primary.

C. Effects of Coordination. When this plan is secondary, its benefits will be reduced so that the total benefits paid by the primary plan and this plan during a claim determination period will not exceed Our maximum available benefit for each Covered Service. Also, the amount We pay will not be more than the amount We would pay if We were primary. As each claim is submitted, We will determine Our obligation to pay for allowable expenses based upon all claims that have been submitted up to that point in time during the claim determination period.

D. Right to Receive and Release Necessary Information. We may release or receive information that We need to coordinate benefits. We do not need to tell anyone or receive consent to do this. We are not responsible to anyone for releasing or obtaining this information. You must give Us any needed information for coordination purposes, in the time frame requested.

E. Our Right to Recover Overpayment. If We made a payment as a primary plan, You agree to pay Us any amount by which We should have reduced Our payment. Also, We may recover any overpayment from the primary plan or the Provider receiving payment and You agree to sign all documents necessary to help Us recover any overpayment.

F. Coordination with "Always Excess," "Always Secondary," or "Non-Complying" Plans. Except as described below, We will coordinate benefits with plans, whether insured or self-insured, that provide benefits that are stated to be always excess or always secondary or use order of benefit determination rules that are inconsistent with the rules described above in the following manner:

1. If this Certificate is primary, as defined in this section, We will pay benefits first.
2. If this Certificate is secondary, as defined in this section, We will pay only the amount We would pay as the secondary insurer.
3. If We request information from a non-complying plan and do not receive it within 30 days, We will calculate the amount We should pay on the assumption that the non-complying plan and this Certificate provide identical benefits. When the information is received, We will make any necessary adjustments.

If a blanket accident insurance policy issued in accordance with Section 1015.11 of the General Business Law contains a provision that its benefits are excess or always secondary, then this Certificate is primary.

SECTION XX. TERMINATION OF COVERAGE

Coverage under this Certificate will automatically be terminated on the first of the following to apply.

1. The Group and/or Subscriber has failed to pay Premiums within 30 days of when Premiums are due. Coverage will terminate as of the last day for which Premiums were paid.
2. The date on which the Subscriber ceases to meet the eligibility requirements as defined by the Group.
3. Upon the Subscriber's death, coverage will terminate unless the Subscriber has coverage for Dependents. If the Subscriber has coverage for Dependents, then coverage will terminate as of the last day of the month for which the Premium had been paid.
4. For Spouses in cases of divorce, the date of the divorce.
5. For Children, until the Child turns the maximum age indicated on the Schedule of Benefits section of this Certificate.
6. For all other Dependents, the end of the month in which the Dependent ceases to be eligible.
7. The end of the month during which the Group or Subscriber provides written notice to Us requesting termination of coverage, or on such later date requested for such termination by the notice.
8. If the Subscriber or the Subscriber's Dependent has performed an act that constitutes fraud or the Subscriber has made an intentional misrepresentation of material fact in writing on his or her enrollment application, or in order to obtain coverage for a service, coverage will terminate immediately upon written notice of termination delivered by Us to the Subscriber and/or the Subscriber's Dependent, as applicable. However, if the Subscriber makes an intentional misrepresentation of material fact in writing on his or her enrollment application we will rescind coverage if the facts misrepresented would have led Us to refuse to issue the coverage. Rescission means that the termination of Your coverage will have a retroactive effect of up to Your enrollment under the Certificate. If termination is a result of the Subscriber's action, coverage will terminate for the Subscriber and any Dependents. If termination is a result of the Dependent's action, coverage will terminate for the Dependent.
9. The date that the Group Contract is terminated. If We decide to stop offering a particular class of group contracts, without regard to claims experience or health related status, to which this Certificate belongs, We will provide the Group and Subscribers at least 90 days' prior written notice.
10. If We decide to stop offering all hospital, surgical and medical expense coverage in the large group market in this state, We will provide written notice to the Group and Subscriber at least 180 days prior to when the coverage will cease.
11. The Group has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of the coverage.
12. The Group ceases to meet the statutory requirements to be defined as a group for the purposes of obtaining coverage. We will provide written notice to the Group and Subscriber at least 30 days prior to when the coverage will cease.
13. The date there is no longer any Subscriber who lives, resides, or works in Our Service Area.

No termination shall prejudice the right to a claim for benefits which arose prior to such termination.

See the Continuation of Coverage section of this Certificate for Your right to continuation of this coverage. See the Conversion Right to a New Contract After Termination section of this Certificate for Your right to conversion to an individual Contract.

SECTION XXI. EXTENSION OF BENEFITS

When Your coverage under this Certificate ends, benefits stop. But, if You are totally disabled on the date the Group Contract terminates, or on the date Your coverage under this Certificate terminates, continued benefits may be available for the treatment of the injury or sickness that is the cause of the total disability.

For purposes of this section, "total disability" means You are prevented because of injury or disease from engaging in any work or other gainful activity. Total disability for a minor means that the minor is prevented because of injury or disease from engaging in substantially all of the normal activities of a person of like age and sex who is in good health.

A. When You May Continue Benefits. When Your coverage under this Certificate ends, We will provide benefits during a period of total disability for a Hospital stay commencing, or surgery performed, within 31 days from the date Your coverage ends. The Hospital stay or surgery must be for the treatment of the injury, sickness, or pregnancy causing the total disability.

If Your coverage ends because You are no longer employed, We will provide benefits during a period of total disability for up to 12 months from the date Your coverage ends for Covered services to treat the injury, sickness, or pregnancy that caused the total disability, unless these services are covered under another group health plan.

B. Termination of Extension of Benefits. Extended benefits will end on the earliest of the following:

- The date You are no longer totally disabled;
- The date the contractual benefit has been exhausted;
- 12 months from the date extended benefits began (if Your benefits are extended based on termination of employment); or
- With respect to the 12-month extension of coverage, the date You become eligible for benefits under any group policy providing medical benefits.

C. Limits on Extended Benefits. We will not pay extended benefits:

- For any Member who is not totally disabled on the date coverage under this Certificate ends;
or
- Beyond the extent to which We would have paid benefits under this Certificate if coverage had not ended.

SECTION XXII. CONTINUATION OF COVERAGE

Under the continuation of coverage provisions of the federal Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA"), most employer-sponsored group health plans must offer employees and their families the opportunity for a temporary continuation of health insurance coverage when their coverage would otherwise end. If You are not entitled to temporary continuation of coverage under COBRA, You may be entitled to temporary continuation coverage under the New York Insurance Law as described below. Call or write Your employer to find out if You are entitled to temporary continuation of coverage under COBRA or under the New York Insurance Law. Any period of continuation of coverage will terminate automatically at the end of the period of continuation provided under COBRA or the New York Insurance Law.

A. Qualifying Events. Pursuant to federal COBRA and state continuation coverage laws, You, the Subscriber, Your Spouse and Your Children may be able to temporarily continue coverage under this Certificate in certain situations when You would otherwise lose coverage, known as qualifying events.

1. If Your coverage ends due to voluntary or involuntary termination of employment or a change in Your employee class (e.g., a reduction in the number of hours of employment), You may continue coverage. Coverage may be continued for You, Your Spouse and any of Your covered Children.
2. If You are a covered Spouse, You may continue coverage if Your coverage ends due to:
 - Voluntary or involuntary termination of the Subscriber's employment;
 - Reduction in the hours worked by the Subscriber or other change in the Subscriber's class;
 - Divorce or legal separation from the Subscriber; or
 - Death of the Subscriber.
3. If You are a covered Child, You may continue coverage if Your coverage ends due to:
 - Voluntary or involuntary termination of the Subscriber's employment;
 - Reduction in the hours worked by the Subscriber or other change in the Subscriber's class;
 - Loss of covered Child status under the plan rules; or
 - Death of the Subscriber.

If You want to continue coverage, You must request continuation from the Group in writing and make the first Premium payment within the 60-day period following the later of:

1. The date coverage would otherwise terminate; or
2. The date You are sent notice by first class mail of the right of continuation by the Group.

The Group may charge up to 102% of the Group Premium for continued coverage.

Continued coverage under this section will terminate at the earliest of the following:

1. The date 36 months after the Subscriber's coverage would have terminated because of termination of employment;
2. If You are a covered Spouse or Child, the date 36 months after coverage would have terminated due to the death of the Subscriber, divorce or legal separation, the Subscriber's eligibility for Medicare, or the failure to qualify under the definition of "Children";
3. The date You become covered by an insured or uninsured arrangement that provides group hospital, surgical or medical coverage;
4. The date You become entitled to Medicare;
5. The date to which Premiums are paid if You fail to make a timely payment; or
6. The date the Group Contract terminates. However, if the Group Contract is replaced with similar coverage, You have the right to become covered under the new Group Contract for the balance of the period remaining for Your continued coverage.

When Your continuation of coverage ends, You may have a right to conversion. See the Conversion Right to a New Contract After Termination section of this Certificate.

B. Supplementary Continuation, Conversion, and Temporary Suspension Rights During Active Duty.

If You, the Subscriber, are a member of a reserve component of the armed forces of the United States, including the National Guard, You have the right to continuation, conversion, or a temporary suspension of coverage during active duty and reinstatement of coverage at the end of active duty if Your Group does not voluntarily maintain Your coverage and if:

1. Your active duty is extended during a period when the president is authorized to order units of the reserve to active duty, provided that such additional active duty is at the request and for the convenience of the federal government; and
2. You serve no more than four (4) years of active duty.

When Your Group does not voluntarily maintain Your coverage during active duty, coverage under this Certificate will be suspended unless You elect to continue coverage in writing within 60 days of being ordered to active duty and You pay the Group the required Premium payment but not more frequently than on a monthly basis in advance. This right of continuation extends to You and Your eligible Dependents. Continuation of coverage is not available for any person who is eligible to be covered under Medicare; or any person who is covered as an employee, member or dependent under any other insured or uninsured arrangement which provides group hospital, surgical or medical coverage, except for coverage available to active duty members of the uniformed services and their family members.

Upon completion of active duty:

1. Your coverage under this Certificate may be resumed as long as You are reemployed or restored to participation in the Group upon return to civilian status. The right of resumption extends to coverage for Your covered Dependents. For coverage that was suspended while on active duty, coverage under the Group plan will be retroactive to the date on which active duty terminated.
2. If You are not reemployed or restored to participation in Your Group upon return to civilian status, You will be eligible for continuation and conversion as long as You apply to Us for coverage within 31 days of the termination of active duty or discharge from a Hospitalization resulting from active duty as long as the Hospitalization was not in excess of one (1) year.

C. Availability of Age 29 Dependent Coverage Extension – Young Adult Option. The Subscriber's Child may be eligible to purchase continuation coverage under the Group's Contract through the age of 29 if he or she:

1. Is under the age of 30;
2. Is not married;
3. Is not insured by or eligible for coverage under an employer-sponsored health benefit plan covering him or her as an employee or member, whether insured or self-insured;
4. Lives, works or resides in New York State or Our Service Area; and
5. Is not covered by Medicare.

The Child may purchase continuation coverage even if he or she is not financially dependent on his or her parent(s) and does not need to live with his or her parent(s).

The Subscriber's Child may elect this coverage:

1. Within 60 days of the date that his or her coverage would otherwise end due to reaching the maximum age for Dependent coverage, in which case coverage will be retroactive to the date that coverage would otherwise have terminated;
2. Within 60 days of newly meeting the eligibility requirements, in which case coverage will be prospective and start within 30 days of when the Group or the Group's designee receives notice and We receive Premium payment; or
3. During an annual 30-day open enrollment period, in which case coverage will be prospective and will start within 30 days of when the Group or the Group's designee receives notice of election and We receive Premium payment.

The Subscriber or Subscriber's Child must pay the Premium rate that applies to individual coverage. Coverage will be the same as the coverage provided under this Certificate. The Child's children are not eligible for coverage under this option.

SECTION XXII. CONVERSION RIGHT TO A NEW CONTRACT AFTER TERMINATION

- A. Circumstances Giving Rise to Right to Conversion.** You have the right to convert to a new Contract if coverage under this Certificate terminates under the circumstances described below.
- 1. Termination of the Group Contract.** If the Group Contract between Us and the Group is terminated as set forth in the Termination of Coverage section of this Certificate, and the Group has not replaced the coverage with similar and continuous health care coverage, whether insured or self-insured, You are entitled to purchase a new Contract as a direct payment member.
 - 2. If You Are No Longer Covered in a Group.** If Your coverage terminates under the Termination of Coverage section of this Certificate because You are no longer a member of a Group, You are entitled to purchase a new Contract as a direct payment member.
 - 3. On the Death of the Subscriber.** If coverage terminates under the Termination of Coverage section of this Certificate because of the death of the Subscriber, the Subscriber's Dependents are entitled to purchase a new Contract as direct payment members.
 - 4. Termination of Your Marriage.** If a Spouse's coverage terminates under the Termination of Coverage section of this Certificate because the Spouse becomes divorced from the Subscriber or the marriage is annulled, that former Spouse is entitled to purchase a new Contract as a direct payment member.
 - 5. Termination of Coverage of a Child.** If a Child's coverage terminates under the Termination of Coverage section of this Certificate because the Child no longer qualifies as a Child, the Child is entitled to purchase a new Contract as a direct payment member.
 - 6. Termination of Your Temporary Continuation of Coverage.** If coverage terminates under the Termination of Coverage section of this Certificate because You are no longer eligible for continuation of coverage, You are entitled to purchase a new Contract as a direct payment member.
 - 7. Termination of Your Young Adult Coverage.** If a Child's young adult coverage terminates under the Termination of Coverage section of this Certificate, the Child is entitled to purchase a new Contract as a direct payment member.
- B. When to Apply for the New Contract.** If You are entitled to purchase a new Contract as described above, You must apply to Us for the new Contract within 60 days after termination of coverage under this Certificate. You must also pay the first Premium of the new Contract at the time You apply for coverage.
- C. The New Contract.** We will offer You an individual direct payment Contract at each level of coverage (i.e., bronze, silver, gold or platinum) that Covers all benefits required by state and federal law. You may choose among any of the four (4) Contracts offered by Us. The coverage may not be the same as Your current coverage. If We determine that You do not reside in New York State, We may issue You or Your family members coverage on a form that We use for conversion in that state.

SECTION XXIV. GENERAL PROVISIONS

- 1. Agreements Between Us and Participating Providers.** Any agreement between Us and Participating Providers may only be terminated by Us or the Providers. This Certificate does not require any Provider to accept a Member as a patient. We do not guarantee a Member's admission to any Participating Provider or any health benefits program.
- 2. Assignment.** You cannot assign any benefits under this Certificate or legal claims based on a denial of benefits or request for plan documents to any person, corporation, or other organization. You cannot assign any monies due under this Certificate to any person, corporation or other organization unless it is an assignment to Your Provider for a surprise bill or to a Hospital for Emergency Services, including inpatient services following Emergency Department Care. See the How Your Coverage Works section of this Certificate for more information about surprise bills. Any assignment of benefits or legal claims based on a denial of benefits or request for plan documents by You other than for monies due for a surprise bill or an assignment of monies due to a Hospital for Emergency Services, including inpatient services following Emergency Department Care, will be void and unenforceable.

Assignment means the transfer to another person, corporation or other organization of Your right to the services provided under this Certificate or Your right to collect money from Us for those services or Your right to sue based on a denial of benefits or request for plan documents. Nothing in this paragraph shall affect Your right to appoint a designee or representative as otherwise permitted by applicable law.

- 3. Changes in this Certificate.** We may unilaterally change this Certificate upon renewal, if We give the Group 30 days' prior written notice.
- 4. Choice of Law.** This Certificate shall be governed by the laws of the State of New York.
- 5. Clerical Error.** Clerical error, whether by the Group or Us, with respect to this Certificate, or any other documentation issued by Us in connection with this Certificate, or in keeping any record pertaining to the coverage hereunder, will not modify or invalidate coverage otherwise validly in force or continue coverage otherwise validly terminated.
- 6. Conformity with Law.** Any term of this Certificate which conflicts with New York State law or with any applicable federal law that imposes additional requirements from what is required under New York State law will be amended to conform with the minimum requirements of such law.
- 7. Continuation of Benefit Limitations.** Some of the benefits in this Certificate may be limited to a specific number of visits, and/or subject to a Deductible. You will not be entitled to any additional benefits if Your coverage status should change during the year. For example, if Your coverage status changes from covered family member to Subscriber, all benefits previously utilized when you were a covered family member will be applied toward your new status as a Subscriber.
- 8. Enrollment ERISA.** The Group will develop and maintain complete and accurate payroll records, as well as any other records of the names, addresses, ages, and social security numbers of all Group Members covered under this Certificate, and any other information required to confirm their eligibility for coverage.

The Group will provide Us with this information upon request. The Group may also have additional responsibilities as the "plan administrator" as defined by the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The "plan administrator" is the Group, or a third party appointed by the Group. We are not the ERISA plan administrator.

The Group will provide Us with the enrollment form including Your name, address, age, and social security number and advise Us in writing when You are to be added to or subtracted from Our list of covered persons, on a monthly basis, on or before the same date of the month as the effective date

of the Group's Contract with Us. If the Group fails to so advise Us, the Group will be responsible for the cost of any claims paid by Us as a result of such failure. In no event will retroactive additions to or deletions from coverage be made for periods in excess of thirty (30) days.

- 9. Entire Agreement.** This Certificate, including any endorsements, riders and the attached applications, if any, constitutes the entire Certificate.
- 10. Fraud and Abusive Billing.** We have processes to review claims before and after payment to detect fraud and abusive billing.

Members seeking services from Non-Participating Providers could be balance billed by the Non-Participating Provider for those services that are determined to be not payable as a result of a reasonable belief of fraud or other intentional misconduct or abusive billing.

- 11. Furnishing Information and Audit.** The Group and all persons covered under this Certificate will promptly furnish Us with all information and records that We may require from time to time to perform Our obligations under this Certificate. You must provide Us with information over the telephone for reasons such as the following: to allow Us to determine the level of care You need; so that We may certify care authorized by Your Physician; or to make decisions regarding the Medical Necessity of Your care. The Group will, upon reasonable notice, make available to Us, and We may audit and make copies of, any and all records relating to Group enrollment at the Group's New York office.
- 12. Identification Cards.** Identification ("ID") cards are issued by Us for identification purposes only. Possession of any ID card confers no right to services or benefits under this Certificate. To be entitled to such services or benefits, Your Premiums must be paid in full at the time the services are sought to be received.
- 13. Incontestability.** No statement made by You will be the basis for avoiding or reducing coverage unless it is in writing and signed by You. All statements contained in any such written instrument shall be deemed representations and not warranties.
- 14. Independent Contractors.** Participating Providers are independent contractors. They are not Our agents or employees. We and Our employees are not the agent or employee of any Participating Provider. We are not liable for any claim or demand on account of damages arising out of, or in any manner connected with, any injuries alleged to be suffered by You, Your covered Spouse or Children while receiving care from any Participating Provider or in any Participating Provider's Facility.
- 15. Input in Developing Our Policies.** Subscribers may participate in the development of Our policies by calling or writing to Member Services. We encourage You to send suggestions about how We may improve Our products or Our policies and procedures. Also, We regularly conduct customer satisfaction surveys that permit You to share Your suggestions and opinions with Us.
- 16. Material Accessibility.** We will give the Group, and the Group will give You, ID cards, Certificates, riders, and other necessary materials.
- 17. More Information about Your Health Plan.** You can request additional information about Your coverage under this Certificate. Upon Your request, We will provide the following information:
- A list of the names, business addresses and official positions of Our board of directors, officers and members; and Our most recent annual certified financial statement which includes a balance sheet and a summary of the receipts and disbursements.
 - The information that We provide the State regarding Our consumer complaints.
 - A copy of Our procedures for maintaining confidentiality of Member information.
 - A copy of Our drug formulary. You may also inquire if a specific drug is Covered under this Certificate.
 - A written description of Our quality assurance program.
 - A copy of Our medical policy regarding an experimental or investigational drug, medical device or

treatment in clinical trials.

- Provider affiliations with participating Hospitals.
- A copy of Our clinical review criteria (e.g. Medical Necessity criteria), and where appropriate, other clinical information We may consider regarding a specific disease, course of treatment or Utilization Review guidelines including clinical review criteria relating to a step therapy protocol override determination.
- Written application procedures and minimum qualification requirements for Providers.
- Documents that contain the processes, strategies, evidentiary standards, and other factors used to apply a treatment limitation with respect to medical/surgical benefits and mental health or substance use disorder benefits under the Certificate.

18. Notice. Any notice that We give You under this Certificate will be mailed to Your address as it appears in Our records or to the address of the Group. You agree to provide Us with notice of any change of Your address. If You have to give Us any notice, it should be sent by U.S. mail, first class, postage prepaid to: Empire Member Services, P.O. Box 1407, Church Street Station, New York, NY 10008.

19. Premium Refund. We will give any refund of Premiums, if due, to the Group.

20. Recovery of Overpayments. On occasion a payment may be made to You when You are not covered, for a service that is not Covered, or which is more than is proper. When this happens We will explain the problem to You and You must return the amount of the overpayment to Us within 60 days after receiving notification from Us. However, We shall not initiate overpayment recovery efforts more than 24 months after the original payment was made unless We have a reasonable belief of fraud or other intentional misconduct.

21. Renewal Date. The renewal date for this Certificate is the anniversary of the effective date of the Group Contract of each year. This Certificate will automatically renew each year on the renewal date unless otherwise terminated by Us as permitted by this Certificate, or by the Group upon 30 days' prior written notice to Us.

22. Right to Develop Guidelines and Administrative Rules. We may develop or adopt standards that describe in more detail when We will or will not make payments under this Certificate. Examples of the use of the standards are to determine whether Hospital inpatient care was Medically Necessary; surgery was Medically Necessary to treat Your illness or injury; or certain services are skilled care. Those standards will not be contrary to the descriptions in this Certificate. If You have a question about the standards that apply to a particular benefit, You may contact Us and We will explain the standards or send You a copy of the standards. We may also develop administrative rules pertaining to enrollment and other administrative matters. We shall have all the powers necessary or appropriate to enable Us to carry out Our duties in connection with the administration of this Certificate.

We review and evaluate new technology according to technology evaluation criteria developed by Our medical directors and reviewed by a designated committee, which consists of Health Care Professionals from various medical specialties. Conclusions of the committee are incorporated into Our medical policies to establish decision protocols for determining whether a service is Medically Necessary, experimental or investigational, or included as a Covered benefit.

23. Right to Offset. If We make a claim payment to You or on Your behalf in error or You owe Us any money, You must repay the amount You owe Us. Except as otherwise required by law, if We owe You a payment for other claims received, We have the right to subtract any amount You owe Us from any payment We owe You.

24. Service Marks. Empire HealthChoice Assurance, Inc. ("Empire") is an independent corporation organized under the New York Insurance Law. Empire also operates under licenses with the Blue Cross and Blue Shield Association, which licenses Empire to use the Blue Cross and/or Blue Shield

service marks in a portion of New York State. Empire does not act as an agent of the Blue Cross and Blue Shield Association. Empire is solely responsible for the obligations created under this agreement.

- 25. Severability.** The unenforceability or invalidity of any provision of this Certificate shall not affect the validity and enforceability of the remainder of this Certificate.
- 26. Significant Change in Circumstances.** If We are unable to arrange for Covered Services as provided under this Certificate as the result of events outside of Our control, We will make a good faith effort to make alternative arrangements. These events would include a major disaster, epidemic, the complete or partial destruction of facilities, riot, civil insurrection, disability of a significant part of Participating Providers' personnel, or similar causes. We will make reasonable attempts to arrange for Covered Services. We and Our Participating Providers will not be liable for delay, or failure to provide or arrange for Covered Services if such failure or delay is caused by such an event.
- 27. Subrogation and Reimbursement.** These paragraphs apply when another party (including any insurer) is, or may be found to be, responsible for Your injury, illness or other condition and We have provided benefits related to that injury, illness or condition. As permitted by applicable state law, unless preempted by federal law, We may be subrogated to all rights of recovery against any such party (including Your own insurance carrier) for the benefits We have provided to you under this Certificate. Subrogation means that We have the right, independently of you, to proceed directly against the other party to recover the benefits that We have provided.

Subject to applicable state law, unless preempted by federal law, We may have a right of reimbursement if you or anyone on your behalf receives payment from any responsible party (including Your own insurance carrier) from any settlement, verdict or insurance proceeds, in connection with an injury, illness, or condition for which We provided benefits. Under New York General Obligations Law Section 5-335, Our right of recovery does not apply when a settlement is reached between a plaintiff and defendant, unless a statutory right of reimbursement exists. The law also provides that, when entering into a settlement, it is presumed that You did not take any action against Our rights or violate any contract between You and Us. The law presumes that the settlement between You and the responsible party does not include compensation for the cost of health care services for which We provided benefits.

We request that You notify Us within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of Your intention to pursue or investigate a claim to recover damages or obtain compensation due to injury, illness or condition sustained by You for which we have provided benefits. You must provide all information requested by Us or Our representatives including, but not limited to, completing and submitting any applications or other forms or statements as We may reasonably request.

- 28. Third Party Beneficiaries.** No third party beneficiaries are intended to be created by this Certificate and nothing in this Certificate shall confer upon any person or entity other than You or Us any right, benefit, or remedy of any nature whatsoever under or by reason of this Certificate. No other party can enforce this Certificate's provisions or seek any remedy arising out of either Our or Your performance or failure to perform any portion of this Certificate, or to bring an action or pursuit for the breach of any terms of this Certificate.
- 29. Time to Sue.** No action at law or in equity may be maintained against Us prior to the expiration of 60 days after written submission of a claim has been furnished to Us as required in this Certificate. You must start any lawsuit against Us under this Certificate within two (2) years from the date the claim was required to be filed.
- 30. Translation Services.** Translation services are available free of charge under this Certificate for non-English speaking Members. Please contact Us at the number on Your ID card to access these

services. TTY/TDD services are also available by dialing 711. A special operator will get in touch with Us to help with Your needs.

- 31. Venue for Legal Action.** If a dispute arises under this Certificate, it must be resolved in a court located in the State of New York. You agree not to start a lawsuit against Us in a court anywhere else. You also consent to New York State courts having personal jurisdiction over You. That means that, when the proper procedures for starting a lawsuit in these courts have been followed, the courts can order You to defend any action We bring against You.
- 32. Waiver.** The waiver by any party of any breach of any provision of this Certificate will not be construed as a waiver of any subsequent breach of the same or any other provision. The failure to exercise any right hereunder will not operate as a waiver of such right.
- 33. Who May Change this Certificate.** This Certificate may not be modified, amended, or changed, except in writing and signed by Our President or a person designated by the President. No employee, agent, or other person is authorized to interpret, amend, modify, or otherwise change this Certificate in a manner that expands or limits the scope of coverage, or the conditions of eligibility, enrollment, or participation, unless in writing and signed by the President or person designated by the President.
- 34. Who Receives Payment under this Certificate.** Payments under this Certificate for services provided by a Participating Provider will be made directly by Us to the Provider. If You receive services from a Non-Participating Provider, We reserve the right to pay either the Subscriber or the Provider. If You assign benefits for a surprise bill to a Non-Participating Provider, We will pay the Non-Participating Provider directly. See the How Your Coverage Works section of this Certificate for more information about surprise bills.
- 35. Workers' Compensation Not Affected.** The coverage provided under this Certificate is not in lieu of and does not affect any requirements for coverage by workers' compensation insurance or law.
- 36. Your Medical Records and Reports.** In order to provide Your coverage under this Certificate, it may be necessary for Us to obtain Your medical records and information from Providers who treated You. Our actions to provide that coverage include processing Your claims, reviewing Grievances, Appeals, or complaints involving Your care, and quality assurance reviews of Your care, whether based on a specific complaint or a routine audit of randomly selected cases. By accepting coverage under this Certificate, except as prohibited by state or federal law, You automatically give Us or Our designee permission to obtain and use Your medical records for those purposes and You authorize each and every Provider who renders services to You to:
- Disclose all facts pertaining to Your care, treatment, and physical condition to Us or to a medical, dental, or mental health professional that We may engage to assist Us in reviewing a treatment or claim, or in connection with a complaint or quality of care review;
 - Render reports pertaining to Your care, treatment, and physical condition to Us, or to a medical, dental, or mental health professional that We may engage to assist Us in reviewing a treatment or claim; and
 - Permit copying of Your medical records by Us.

We agree to maintain Your medical information in accordance with state and federal confidentiality requirements. However, to the extent permitted under state or federal law, You automatically give Us permission to share Your information with the New York State Department of Health, quality oversight organizations, and third parties with which We contract to assist Us in administering this Certificate, so long as they also agree to maintain the information in accordance with state and federal confidentiality requirements.

- 37. Your Rights and Responsibilities.** As a Member, You have rights and responsibilities when receiving health care. As Your health care partner, We want to make sure Your rights are respected while providing Your health benefits. You have the right to obtain complete and current information

concerning a diagnosis, treatment and prognosis from a Physician or other Provider in terms You can reasonably understand. When it is not advisable to give such information to You, the information shall be made available to an appropriate person acting on Your behalf.

You have the right to receive information from Your Physician or other Provider that You need in order to give Your informed consent prior to the start of any procedure or treatment.

You have the right to refuse treatment to the extent permitted by law and to be informed of the medical consequences of that action.

You have the right to formulate advance directives regarding Your care.

You have the right to access Our Participating Providers.

As a Member, You should also take an active role in Your care. We encourage You to:

- Understand Your health problems as well as You can and work with Your Providers to make a treatment plan that You all agree on;
- Follow the treatment plan that You have agreed on with Your doctors or Providers;
- Give Us, Your doctors and other Providers the information needed to help You get the care You need and all the benefits You are eligible for under Your Certificate. This may include information about other health insurance benefits You have along with Your coverage with Us; and
- Inform Us if You have any changes to Your name, address or Dependents covered under Your Certificate.

For additional information regarding Your rights and responsibilities, visit the FAQs on Our website at www.empireblue.com. If You do not have internet access, You can call Us at the number on Your ID card to request a copy. If You need more information or would like to contact Us, please go to Our website at www.empireblue.com or call Us at the number on Your ID card.

HIPAA Notice of Privacy Practices

THIS NOTICE DESCRIBES HOW HEALTH, VISION AND DENTAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION WITH REGARD TO YOUR HEALTH BENEFITS. PLEASE REVIEW IT CAREFULLY.

We keep the health and financial information of our current and former members private, as required by law, accreditation standards and our rules. This notice explains your rights. It also explains our legal duties and privacy practices. We are required by federal law to give you this notice.

Your Protected Health Information

We may collect, use and share your Protected Health Information (PHI) for the following reasons and others as allowed or required by law, including the HIPAA Privacy rule:

For payment: We use and share PHI to manage your account or benefits; or to pay claims for health care you get through your plan.

For health care operations: We use and share PHI for our health care operations.

For treatment activities: We do not provide treatment. This is the role of a health care provider, such as your doctor or a hospital. **Examples of ways we use your information for payment, treatment and health care operations:**

- We keep information about your premium and deductible payments.
- We may give information to a doctor's office to confirm your benefits.
- We may share explanation of benefits (EOB) with the subscriber or your plan for payment purposes.
- We may share PHI with your health care providers so that the provider may treat you.
- We may use PHI to review the quality of care and services you get.
- We may use PHI to provide you with care management or care coordination services for conditions like asthma, diabetes or traumatic injury.
- We may use your publicly and/or commercially available data about you to provide you with information about available health plan benefits and services.
- We may also use and share PHI directly or indirectly with health information exchanges for payment, health care operations and treatment. If you do not want your PHI to be shared for payment, health care operations, or treatment purposes in health information exchanges, please visit empireblue.com/health-insurance/about-us/privacy for more information.

Services provided by Empire HealthChoice Assurance, Inc., a licensee of the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans.

To you: We must give you access to your own PHI. We may also contact you to let you know about treatment options or other health-related benefits and services. When you or your dependents reach a certain age, we may tell you about other products or programs for which you may be eligible. This may include individual coverage. We may also send you reminders about routine medical checkups and tests.

You may have an opportunity to receive email communications involving limited PHI such as welcome materials. We will obtain your consent before initiating these email communications.

To others: In most cases, if we use or disclose your PHI outside of treatment, payment, operations or research activities, we must get your OK in writing first. We must receive your written OK before we can use your PHI for certain marketing activities. We must get your written OK before we sell your PHI. If we have them, we must get your OK before we disclose your provider's psychotherapy notes. Other uses and disclosures of your PHI not mentioned in this notice also require your written OK. You always have the right to revoke any written OK you provide,

You may tell us in writing that it is OK for us to give your PHI to someone else for any reason. Also, if you are present, and tell us it is OK, we may give your PHI to a family member, friend or other person. We would do this if it has to do with your current treatment or payment for your treatment. If you are not present, if it is an emergency, or you are not able to tell us it is OK, we may give your PHI to a family member, friend or other person if sharing your PHI is in your best interest.

As allowed or required by law: We may also share your PHI for other types of activities including:

- Health oversight activities.
- Judicial or administrative proceedings, with public health authorities, for law enforcement reasons, and with coroners, funeral directors or medical examiners (about decedents).
- Organ donation groups for certain reasons, for research, and to avoid a serious threat to health or safety.
- Special government functions, for Worker's Compensation, to respond to requests from the U.S. Department of Health and Human Services, and to alert proper authorities if we reasonably believe that you may be a victim of abuse, neglect, domestic violence or other crimes; and
- As required by law.

If you are enrolled with us through an employer sponsored group health plan, we may share PHI with your group health plan. If your employer pays your premium or part of your premium, but does not pay your health insurance claims, your employer is not allowed to receive your PHI – unless your employer promises to protect your PHI and makes sure the PHI will be used for legal reasons only.

Authorization: We will get an OK from you in writing before we use or share your PHI for any other purpose not stated in this notice. You may take away this OK at any time, in writing. We will then stop using your PHI for that purpose. But, if we have already used or shared your PHI based on your OK, we cannot undo any actions we took before you told us to stop.

Genetic Information: We cannot use or disclose PHI that is an individual's genetic information for underwriting.

Race, Ethnicity and Language: We may receive race, ethnicity and language information about you and protect this information as described in this Notice. We may use this information in various health care operations, which include identifying health care disparities, developing care management programs and educational materials and providing interpretation services. We do not use race, ethnicity and language information to perform underwriting rate setting or benefit determinations, and we do not disclose this information to unauthorized persons.

Your Rights

Under federal law, you have the right to:

- Send us a written request to see or get a copy of certain PHI, including a request to receive a copy of your PHI through email. It is important to note that there is some level of risk that your PHI could be read or accessed by a third party when it is sent by unencrypted email. We will confirm that you want to receive PHI by unencrypted email before sending it to you.
- Ask that we correct your PHI that you believe is missing or incorrect. If someone else (such as your doctor) gave us the PHI, we will let you know so you can ask them to correct it.
- Send us a written request to ask us not to use your PHI for treatment, payment or health care operations activities. We are not required to agree to these requests.
- Give us a verbal or written request to ask us to send your PHI using other means that are reasonable. Also let us know if you want us to send your PHI to an address other than your home if sending it to your home could place you in danger.
- Send us a written request to ask us for a list of certain disclosures of your PHI. Call Customer Service at the phone number printed on your identification (ID) card to use any of these rights. Customer Service representatives can give you the address to send the request. They can also give you any forms we have that may help you with this process.
- Right to a restriction for services you pay for out of your own pocket: If you pay in full for any medical services out of your own pocket, you have the right to ask for a restriction. The restriction would prevent to use or disclosure of that PHI for treatment, payment or operations reasons. If you or your provider submits a claim to Empire BlueCross BlueShield (Empire), Empire does not have to agree to a restriction (see Your Rights section above). If a law requires the disclosure, Empire does not have to agree to your restriction.

How we protect information

We are dedicated to protecting your PHI, and have set up a number of policies and practices to help make sure your PHI is kept secure.

We have to keep your PHI private. If we believe your PHI has been breached, we must let you know.

We keep your oral, written, and electronic PHI safe using physical, electronic, and procedural means. These safeguards follow federal and state laws. Some of the ways we keep your PHI safe include securing offices that hold PHI, password-protecting computers, and locking storage areas and filing cabinets. We require our employees to protect PHI through written policies and procedures. These policies limit access to PHI to only those employees who need the data to do their job. Employees are also required to wear ID badges to help keep people who do not belong, out of areas where sensitive data is kept. Also, where required by law, our affiliates and non-affiliates must protect the privacy of data we share in the normal course of business. They are not allowed to give PHI to others without your written OK, except as allowed by law and outlined in this notice.

Potential impact of other applicable laws

HIPAA (the federal privacy law) generally does not pre-empt, or override, other laws that give people greater privacy protections. As a result, if any state or federal privacy law requires us to provide you with more privacy protections, then we must also follow that law in addition to HIPAA.

Contacting you

We, including our affiliates and/or vendors, may call or text you by using an automatic telephone dialing system and/or an artificial voice. But we only do this in accordance with the Telephone Consumer Protection Act (TCPA). The calls may be to let you know about treatment options or other health-related benefits and services. If you do not want to be contacted by phone, just let the caller know, and we won't reach out this way anymore or call 1-844-203-3796 to add your phone number to our Do Not Call list.

Complaints

If you think we have not protected your privacy, you can file a complaint with us at the Customer Service phone number printed on your ID card. You may also file a complaint with the Office for Civil Rights in the U.S. Department of Health and Human Services, Office for Civil Rights by visiting www.hhs.gov/ocr/privacy/hipaa/complaints/. We will not take action against you for filing a complaint.

Contact information

Please call Customer Service at the phone number printed on your ID card. Representatives can help you apply your rights, file a complaint, or talk with you about privacy issues.

COPIES AND CHANGES

You have the right to get a new copy of this notice at any time. Even if you have agreed to get this notice by electronic means, you still have the right to a paper copy. We reserve the right to change this notice. A revised notice will apply to PHI we already have about you as well as any PHI we may get in the future. We are required by law to follow the privacy notice that is in effect at this time. We may tell you about any changes to our notice in a number of ways. We may tell you about the changes in a member newsletter or post them on our website. We may also mail you a letter that tells you about any changes.

Effective date of this notice

The original effective date of this Notice was April 14, 2003. The most recent revision date is indicated in the footer of this Notice.

STATE NOTICE OF PRIVACY PRACTICES

As mention in our Health Insurance Portability and Accountability Act (HIPAA) notice, we must follow state laws that are stricter than the federal HIPAA privacy law. This notice explains your rights and our legal duties under state law. This applies to life insurance benefits, in addition to health, dental and vision benefits that you may have.

Your personal information

We may collect, use and share your nonpublic personal information (PI) as described in this notice. PI identifies a person and is often gathered in an insurance matter.

We may collect PI about you from other persons or entities, such as doctors, hospitals or other carriers. We may share PI with persons or entities outside of our company - without your OK in some cases. If we take part in an activity that would require us to give you a chance to opt-out, we will contact you. We will tell you how you can let us know that you do not want us to use or share your PI for a given activity. You have the right to access and correct your PI. Because PI is defined as any information that can be used to make judgments about your health, finances, character, habits, hobbies, reputation, career and credit, we take reasonable safety measures to protect the PI we have about you. A more detailed state notice is available upon request. Please call the phone number printed on your ID card.

Eligibility and Enrollment

Who is Eligible

This section will tell you who is eligible to enroll for coverage, as well as when you can enroll for coverage.

Subscriber. You are eligible to be a subscriber and have coverage under this plan if you are an employee of the group and meet the group's eligibility criteria

Dependents. You may enroll your eligible *dependents* for coverage under this *plan*. Your *dependents* are only eligible for coverage if they are one of the following:

- Spouse: Your spouse under a legally valid marriage.
- Domestic Partner: Your domestic partner under a legally registered and valid domestic partnership. Check with your employer's human resources or benefits department to see if your domestic partner is eligible for coverage under this *plan*.
- Children: Your or your spouse's or domestic partner's child by blood or by law up to age 26. This includes your natural children, stepchildren, legally adopted children, children placed for adoption or have been court-ordered to provide coverage.

Children Covered Under this Certificate:

If You selected child/children or family coverage, Children covered under this Certificate include Your natural Children, legally adopted Children, step Children, and Children for whom You are proposed adoptive parent without regard to financial dependency, residency with You, student status or employment. A proposed adopted Child is eligible for coverage on the same basis as a natural Child during any waiting period prior to the finalization of the Child's adoption. Coverage lasts until the age set forth in the Schedule of Benefits section of this Certificate. Foster Children and grandchildren are not covered.

Any unmarried dependent Child, regardless of age, who is incapable of self-sustaining employment by reason of mental illness, developmental disability, mental retardation (as defined in the New York Mental Hygiene Law), or physical handicap and who became so incapable prior to attainment of the age at which the Child's coverage would otherwise terminate and who is chiefly dependent upon You for support and maintenance, will remain covered while Your insurance remains in force and Your Child remains in such condition. You have 31 days from the date of Your Child's attainment of the termination age to submit an application to request that the Child be included in Your coverage and proof of the Child's incapacity. We have the right to check whether a Child is and continues to qualify under this section.

We have the right to request and be furnished with such proof as may be needed to determine eligibility status of a prospective or covered Subscriber and all other prospective or covered Members in relation to eligibility for coverage under this Certificate at any time.

Newborn and Adopted Child Coverage. If you have a newborn or adopted newborn child, and we receive notice of such birth within 60 thereafter, coverage for your newborn starts at the moment of birth; otherwise, coverage begins on the date on which we receive notice. Your adopted newborn child will be covered from the moment of birth if you take physical custody of the infant as soon as the infant is released from the hospital after birth and you file a petition pursuant to Section 115-c of the New York Domestic Relations Law within 60 days of the infant's birth; and provided further that no notice of revocation to the adoption has been filed pursuant to Section 115-b of the New York Domestic Relations Law, and consent to the adoptions has not been revoked. If you have individual or individual and spouse coverage, you must notify us of your desire to switch to parent and child/children or family coverage and pay any additional premium within 60 days from the date of birth or adoption in order for coverage to start at the moment of birth. Otherwise coverage begins on the date on which we receive notice, provided that you pay any additional premium when due.

Enrollment

Initial Enrollment. Your *group* will have an initial enrollment period for newly eligible employee and their *dependents* to enroll for coverage. You may need to meet a waiting period established by the *group* before you can enroll for coverage. See your *group's* human resources or benefits department to determine if there are any waiting periods.

If you or your *dependents* do not enroll during the initial enrollment period you will only be able to enroll during an open enrollment or special enrollment period. Keep reading for more information on open and special enrollment periods.

Open Enrollment. At least once a year your employer will hold an open enrollment period. During the open enrollment period you and your *dependents* can enroll for coverage. If you do not enroll during the open enrollment period, you may have to wait until the next open enrollment period, unless you qualify for a special enrollment period. See below for more information on special enrollment.

Special Enrollment. Your plan elections chosen during initial or open enrollment are intended to remain the same until the next open enrollment period. However, there may be times when you or your *dependents* can enroll for coverage outside of the open enrollment period. This is allowed if you have certain qualifying events that happen. Qualifying events are:

- You or your *dependents* did not previously enroll for coverage because you had coverage under another group plan (including COBRA or other continuation coverage) and have since become ineligible for that plan. You must request enrollment within 60 days of this qualifying event.
- You have a change in the number of *dependents* due to marriage, birth, adoption, court order, or death. You must request enrollment within 60 days of this qualifying event.
- You or your *dependents* lost coverage under Medicaid or a Children's Health Insurance Program (CHIP), or became eligible for a subsidy (state premium assistance program) under Medicaid or CHIP. You must request enrollment within 60 days of this qualifying event.

Gap in Coverage. If your coverage terminates and you become eligible for coverage again and reenroll within 13 weeks of losing coverage, all benefit maximums and frequencies will continue to apply during the current benefit period.

Notice of Changes in Eligibility. You must tell your employer's human resources or benefits department if there are any changes that will affect your or your *dependent's* eligibility. This includes a change in address or a change in the number of your *dependents*. The *group* is then responsible to notify us of any changes according to the terms of the *Administrative Services Agreement*. If your *group* fails to notify us of your changes in eligibility, it does not obligate us to pay for your vision care.

Your Effective Date. Your coverage begins at 12:01 a.m. Eastern Time on the *effective date*. Your *effective date* and enrollment requirements are described in the *Administrative Services Agreement*. See your employer's human resources or benefits department for more information on your specific *effective date* under this *plan*.

Statements and Forms. *Subscribers* or applicants for membership shall complete and submit applications, questionnaires or other forms or statements the *plan* may reasonably request.

Applicants for membership understand that all rights to benefits under this *Booklet* are subject to the condition that all such information is true, correct and complete. Any material misrepresentation by a *member* may result in termination of coverage as provided in the Termination and Continuation of Coverage section. We will not use a statement made by a *member* to terminate the *member's* contract after two years have passed since the enrollment date. This does not apply, however, to fraudulent misstatements.

Delivery of Documents. We will provide an identification card and a *Booklet* for each *subscriber*.

Termination and Continuation Of Coverage

Except as otherwise provided, your coverage will terminate in the following situations. The information provided below is general and the actual effective date of termination may vary based on your group's agreement with us and your specific circumstances, such as whether premium has been paid in full:

If Your Employer Cancels Coverage. Your coverage will end if your employer cancels coverage or on the date the *Administrative Services Agreement* between us and your employer ends.

If You Cancel Your Coverage. If you want to cancel your or your *dependent's* coverage you need to notify your *group*. See your *group's* human resources or benefits department for more information on how to cancel your coverage. If you cancel, your *group* will be responsible to notify us in writing of the cancellation.

If You or Your Dependents Are No Longer Eligible. Coverage will end when you and/or your *dependents* no longer meet the eligibility requirements as outlined under the section Eligibility and Enrollment. When you or your *dependents* are no longer eligible, the date coverage ends is determined by the *group* in accordance with its eligibility requirements. For spouses in cases of divorce, coverage will end on the date of the divorce. Upon the subscriber's death, coverage will terminate unless the subscriber has coverage for dependents. If the subscriber has coverage for dependents, then coverage will terminate as of the last day of the month.

Fraud, Intentional Misrepresentation, Misuse of an ID Card. We will cancel this coverage if you or the *group* participates in any kind of intentional misrepresentation of material fact (knowingly provide false information) or fraud during the application and/or enrollment process. Subject to the incontestability provision, we will cancel this coverage if you or the *group* participates in any kind of intentional misrepresentation of material fact (knowingly provide false information) or fraud during the application and/or enrollment process. We may also cancel your coverage for other types of fraud, such as if you allow any other person to use your ID card to obtain benefits, or if you use another *member's* ID card (including one of your *dependent's* ID card) to obtain benefits. You will be held liable for any payments we make as a result of fraud. For any fraud or intentional misrepresentation, coverage will end on the date we send the written notice of cancellation.

Continuation of Coverage

COBRA Continuation of Coverage. Your employer is subject to COBRA if they have more than 20 employees. COBRA allows you and your dependents to continue coverage for either 18, 29 or 36 months depending on the event.

COBRA coverage is available to you and your *dependents* for 18 months for the following events:

- You lose coverage due to a reduction in working hours, a layoff, or strike.
- You lose coverage because your employment ends (for voluntary or involuntary loss, except for gross misconduct).

COBRA coverage is available to you and your *dependents* for 29 months for the following events:

- You or your *dependent* was disabled when coverage ended or within 60 days after the coverage ended. However, you or your *dependent* must continue to be disabled after 18 months has passed. The Social Security Administration must determine if you are disabled.

COBRA coverage is available to your *dependents* for 36 months for the following events:

- Your death.
- You become eligible for Medicare in the 18 months before an event listed above.
- You divorce or separate from your spouse.
- Your dependent children no longer qualify as dependents.

You must notify your employer within 60 days if you or your dependents wish to continue coverage under COBRA after an event. Once notified, your employer will provide the information on how coverage under COBRA may continue, and must give us notice within 30 days of the event that you wish to continue coverage. Contact your employer for more information.

How Continuation of Coverage Ends. Your continuation of coverage ends when the time period that you qualified for runs out. However, coverage may end before that time if one of the following occurs:

- The *Administrative Services Agreement* between us and the employer ends. If your employer switches coverage you will be able to continue coverage under their new plan.
- You tell us in writing to cancel your coverage.

- The date your spouse remarries and becomes eligible under the new spouse's plan.

Coverage may also end for COBRA if the following occurs:

- You are eligible for coverage with another group. However, if your COBRA plan covers something that the other group doesn't then you may continue coverage. Your coverage will continue until the group covers that exclusion or you are no longer eligible.
- You get Medicare
- Your coverage was extended to 29 months and you are now no longer disabled.

How Your Benefits Work

This section tells you how we set the payment amount for *covered services*. It will also tell you more about what you pay out-of-pocket for *covered services*, as well as how your choice of *provider* may affect your out-of-pocket costs. The portion you must pay for *covered services* is stated in the Schedule of Benefits at the beginning of this *Booklet*.

Choosing a Provider

Please read the following information so you will know from whom or what group of providers vision care may be obtained.

Important Note: We do not restrict or interfere with your right to select the *provider* of your choice, but your benefits are reduced when you use a *provider* who is not a *network provider*.

Network Providers. We have a network of vision care providers for you to use. We call them network providers, because they have agreed to take part in our Blue View Vision network. They have agreed to provide *covered services* to you for a negotiated rate. *Covered services* you receive from a network provider are considered In-Network care.

IMPORTANT: If you opt to receive optometric services or procedures that are NOT covered services under this plan, a network provider may charge you his or her usual and customary rate for such services or procedures. Prior to providing you with optometric services or procedures that are not covered services, the provider should provide you with a treatment plan that includes each anticipated service or procedure to be given and the estimated cost of each service or procedure. To fully understand your coverage, you may wish to review your *Booklet*.

Non-Network Providers. Non-network providers are vision care providers that did not agree to participate in our Blue View Vision network. They have not agreed to a negotiated rate and do not have a provider contract with us. Using a non-network provider will typically increase your out of pocket costs. *Covered services* you receive from non-network providers are considered Out-of-Network care.

Please call us or visit our website listed in the Contact Us section for help in finding a *network provider*.

Benefit Maximums, Allowances and Frequency Limits

The amount we pay for your benefits is subject to your benefit maximums, allowances and frequency limits. We will not pay for vision care services that go over your benefit maximums or allowances, or for services that are received more than the allowed frequency limits. Benefit maximums, allowances, and frequency limits are stated in the Schedule of Benefits at the beginning of this *Booklet*.

Your Cost Share Requirements

We will pay up to the *maximum allowable amount* for *covered services*. You may be required to pay a part of the *maximum allowable amount*. This is called your cost share amount. *Copayments* are an example of a cost share amount. See the Schedule of Benefits to help determine your cost share amount for *covered services*.

Your cost share amount may vary depending on whether you receive vision care from a *network* or *non-network provider*. You may be required to pay higher cost sharing amounts when using *non-network providers*.

We will not pay for vision care that is not covered under this plan. You are required to pay all charges for vision care that is not covered. Vision care received after you have met any benefit maximums or benefit frequency limits are also not covered.

Covered Services

This section describes the *covered services* available under your vision care benefits when received by a *provider*. All *covered services* are subject to the exclusions listed in the Exclusions section and all other conditions and limitations of the *Booklet*.

Routine Eye Exam. Your *plan* covers a complete eye exam with dilation as needed. The exam is used to check all aspects of your vision. An eye exam does not include a contact lens fitting fee. Your plan covers a refraction in conjunction with an eye exam. A refraction is your prescription based on your eye exam. *Network providers* should not bill the refraction separately from the routine exam.

Eyeglass Lenses. You have a choice in your eyeglass lenses. Eyeglass lenses include factory scratch coating at no additional cost. Your *dependent* children under 19 may also receive polycarbonate and photochromic eyeglass lenses at no additional cost when received from a *network provider*.

Covered eyeglass lenses include plastic (CR39) lenses up to 55 mm in:

- single vision
- bifocal
- trifocal (FT 25-28)

Frames. You have a benefit allowance towards your choice of frames. You may apply the allowance toward the purchase of any frame. If your frame choice is more than your allowance then you are responsible for the balance. The Schedule of Benefits lists your allowance and benefit frequency.

Contact Lenses. This plan covers elective or non-elective contact lenses. You may receive a benefit for elective contact lenses or non-elective contact lenses, but not both.

Note: Contact lenses are in lieu of your eyeglasses benefit. If you receive elective or non-elective contact lenses then no benefits will be available for eyeglass lenses until you satisfy the benefit frequency listed in the Schedule of Benefits.

Elective Contact Lenses. Elective contact lenses are contacts that you choose for appearance or comfort. The contact lens allowance must be completely used at the time of initial service. The Schedule of Benefits lists the contact lens allowance available under this *Booklet*.

Non-Elective Contact Lenses. Non-elective contact lenses are prescribed by your provider for diagnoses listed below:

- Extreme visual acuity or other functional problems that cannot be corrected by spectacle lenses; or
- Keratoconus-unusual cone-shaped thinning of the cornea of the eye which usually occurs before the age of 20 years; or
- High Ametropia-unusually high levels of near sightedness, far sightedness, or astigmatism are identified; or
- Anisometropia-when one eye requires a much different prescription than the other eye.

Important Note: We will not reimburse for non-elective contact lenses for any member who has undergone prior elective corneal surgery, such as radial keratotomy (RK), photorefractive keratectomy (PRK), or LASIK.

- **Services of relatives.** Professional services or supplies received from a person who lives in your home or who is related to you by blood or marriage.

How to Submit a Claim

This section describes how you submit a claim and what information you should include on your claim. When you receive care from a *network provider*, you do not need to file a claim. The *network provider* will do this for you. However, if you receive vision care from a *non-network provider*, you will need to submit a claim to us.

Notice of Claim. Claims for services must include all information designated by us as necessary to process the claim, including, but not limited to, member identification number, name, date of birth, date of service, type of service, the charge for each service, procedure code for the service as applicable, diagnosis code, name and address of the provider making the charge, and supporting medical records, when necessary. A claim that fails to contain all necessary information will not be accepted and must be resubmitted with all necessary information.

Claim Forms. We will provide claim forms within 15 days after you notify us. The claim form will have instructions on how to fill it out and where to submit. If you do not receive the claim form within 15 days of your notice, you may send us other written proof of your loss instead, such as an itemized bill from your provider. To make it easier to process your claim the other proof of loss should include the following:

- the date of service
- the patient's name, date of birth, and identification number
- the type and place of service
- your signature and the provider's signature

Proof of Loss. Written proof of claim satisfactory to us must be submitted to us within 120 days after the date of the event for which claim is made. If proof of claim is not sent within the time required, the benefit or claim amount will not be reduced or denied if you show that it was not reasonably possible to give notice within that period and that you sent proof as soon as reasonably possible. In any case, we request that the proof required must be sent to us no later than one year following the 120 day period specified, unless you were legally incapacitated.

Notice of claim, claim forms and other proof of loss can be sent to the following address:

Blue View Vision
P.O. Box 8504
Mason, OH 45040-7111
Phone: (866) 723-0515

Time of Payment of Claims. We will pay claims immediately once we receive written proof of your claim, but not later than 30 days after we receive your proper written proof of loss.

Payment of Claims. Where our obligation to pay a claim is reasonably clear, we will pay the claim within 30 days of receipt of the claim (when submitted through the internet or e-mail) and 45 days of receipt of the claim (when submitted through other means, including paper or fax). If we request additional information, we will pay the claim within 30 days (for claims submitted through the internet or e-mail) or 45 days (for claims submitted through other means, including paper or fax) of receipt of the information.

General Provisions

Entire Contract – Changes. Your *plan* is the entire contract of insurance. Your *plan* is made up of this *Booklet*, your application (if any), and any amendments. In addition, your employer has the *Administrative Services Agreement* and the group master application, which are also a part of your *plan*. No agent of the *plan* is authorized to change the form of content of this *plan* or waive any of its provisions. Any changes to the *plan* must be endorsed by an executive officer. All statements made by you or your employer shall be deemed representations and not warranties. No written statement made by you will be used in any context to deny a claim unless a copy of the statement is furnished to you, your beneficiary or personal representative.

Incontestability. The validity of this *plan* will not be contested, except for nonpayment of premiums, after it has been in force for two years from its date of issue. No statement made by you or your *dependents* relating to you or your *dependent's* insurability will be used to contest the validity of this *Booklet* unless the statement is contained in a written instrument signed by your or your *dependents*.

Physical Examinations. We may have you examined as reasonably needed while we are deciding to pay a claim.

Change of Beneficiary. You have the right to choose your own beneficiary.

Independent Contractors. *Providers* are not our agents or employees. They do not have the ability to waive or alter your *plan*. We are not responsible for any damages or injuries as a result of receiving care from any *provider*.

Right of Recovery. When we overpay a claim, we have the right to recover our overpayment. We may recover our overpayment from you, the person we paid, or another plan. We may deduct any overpayment from pending or future claims.

Benefits not Transferable. You are the only person able to receive benefits under this *plan*. You are not able to transfer your benefits to anyone else.

Legal Actions. No action at law or in equity shall be brought to recover on this *plan* prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of this *plan*. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

Coordination of Benefits. We consider this *plan* primary in all circumstances.

Grace Period. Your *group* is responsible to pay premiums on your behalf. After the first premium payment, your *group* has a grace period of 31 days to pay any *premium* due. During the grace period, your coverage will continue in force unless your *group* has given us written notice to cancel the coverage in accordance with the terms of the *group contract*. Your *group* is responsible to pay any premium to the plan. However, you may be required to pay a portion of the premium to your *group*. See your *group* for more information on premiums.

Conformity with the Law. Any provision of this *Booklet* which is in conflict with applicable law is hereby automatically amended to conform the minimum requirements of such laws.

Modifications. We may change this *plan*, including the fees, at any time by providing notice to the *group* at least 30 days before the change takes effect.

Notice of Privacy Practices. We maintain a privacy program designed to protect your health information consistent with applicable law. In addition to various laws governing your privacy, we have our own privacy policies and procedures in place that are designed to protect your information. We are required by law to provide individuals with notice of our legal duties and privacy practices. To obtain a copy of this notice, call us or visit the website listed in the Contact Us section of this *Booklet*.

Reservation of Discretionary Authority

The following provision only applies where the interpretation of this *Booklet* is governed by the Employee Retirement Income Security Act (ERISA), 29 U.S.C. 1001 et seq. The *plan*, or anyone acting on our behalf, shall determine the administration of benefits and eligibility for participation in such a manner that has a rational relationship to the terms set forth herein. However, we, or anyone acting on our behalf, has complete discretion to determine the administration of your benefits. Our determination shall be final and conclusive and may include, without limitation, determination of whether the services, care, treatment, or supplies are covered. However, a *member* may utilize all applicable grievance and appeals procedures.

The *plan*, or anyone acting on our behalf, shall have all the powers necessary or appropriate to enable it to carry out its duties in connection with the operation and administration of the *certificate*. This includes, without limitation, the power to construe the *group contract*, to determine all questions arising under the *certificate*, to resolve member grievances and Appeals and to make, establish and amend the rules, regulations and procedures with regard to the interpretation and administration of the provisions of this *certificate*. However, these powers shall be exercised in such a manner that has reasonable relationship to the provisions of the *group contract* the *certificate*, provider agreements, and applicable state or federal laws. A specific limitation or exclusion will override more general benefit language.

Grievance and Appeals

Grievances. Our grievance procedure applies to any issue not relating to a medical necessity or experimental or investigational determination by us. For example, it applies to contractual benefit denials or issues or concerns you have regarding our administrative policies or access to providers. **Note:** Empire pays all claims under this *plan* without conducting medical necessity review.

Filing a Grievance. You can contact us by phone at (866) 723-0515 or in writing to file a grievance. You or a person you authorize has up to 180 calendar days from when you received the decision you are asking us to review to file the grievance.

When we receive your grievance, we will mail an acknowledgement letter within 15 business days. The acknowledgement letter will include the name, address and telephone number of the person handling your grievance, and indicate what additional information, if any, must be provided.

We keep all requests and discussions confidential and we will take no discriminatory action because of your issue. We have a process for both standard and expedited grievances depending on the nature of your inquiry.

External Review

- A.** If the outcome of the mandatory first level appeal is adverse to you, you may be eligible for an independent External Review pursuant to federal law.

You must submit your request for External Review to the Claims Administrator within four (4) months of the notice of your final internal adverse determination.

A request for an External Review must be in writing unless the Claims Administrator determines that it is not reasonable to require a written statement. You do not have to re-send the information that you submitted for internal appeal. However, you are encouraged to submit any additional information that you think is important for review.

- B.** For pre-service claims involving urgent/concurrent care, you may proceed with an Expedited External Review without filing an internal appeal or while simultaneously pursuing an expedited appeal through our internal appeal process. You or your authorized representative may request it orally or in writing. All necessary information, including the Claims Administrator's decision, can be sent between the Claims Administrator and you by telephone, facsimile or other similar method. To proceed with an Expedited External Review, you or your authorized representative must contact the Claims Administrator at the number shown on your identification card and provide at least the following information:

- the identity of the claimant;
- the date (s) of the medical service;
- the specific medical condition or symptom;
- the provider's name
- the service or supply for which approval of benefits was sought; and
- any reasons why the appeal should be processed on a more expedited basis.

- C.** All other requests for External Review should be submitted in writing unless the Claims Administrator determines that it is not reasonable to require a written statement. Such requests should be submitted by you or your authorized representative to:

Empire Appeal and Grievance Department
PO Box 1407
Church Street Station
New York, NY 10008-1407

This is not an additional step that you must take in order to fulfill your appeal procedure obligations described above. Your decision to seek External Review will not affect your rights to any other benefits under this health care plan. There is no charge for you to initiate an independent External Review. The External Review decision is final and binding on all parties except for any relief available through applicable state laws or ERISA.

Statement of ERISA Rights

As a member of this plan, you may be entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA generally does not apply to church plans or to governmental plans, such as plans sponsored by city, county, or state governments, or public school systems. Check with your *group* to determine if your plan is subject to ERISA.

As part of your rights, you may examine, without charge, at your *group's* plan administrator's office or at other specified locations, all plan documents. These include insurance contracts, copies of all documents filed by the plan with the Department of Labor (such as detailed annual reports) and plan descriptions. You may obtain copies of all plan documents and other plan information by writing to your *group's* plan administrator. The administrator may make a reasonable charge for the copies.

Plan Fiduciaries. In addition to creating rights for plan members, ERISA imposes duties upon the people who are responsible for the operation of your employee benefit plan. The people who operate your plan are called "fiduciaries" of the plan. They have a duty to operate the plan prudently and in the interest of you and other plan members.

- No one may terminate your employment or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.
- If your claim for a welfare benefit is denied in whole or in part, you may receive a written explanation of the reason for the denial.
- You have the right to have the plan administrator review and reconsider your claim.

Enforcement of ERISA Rights. Under ERISA, there are steps to enforce the rights listed above. For instance:

- If you request materials from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials (unless the materials were not sent because of reasons beyond the control of the administrator).
- If you have a claim for benefits for an appeal of a coverage decision, which is denied or ignored, in whole or in part, you may file suit in a state or federal court.
- If plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court decides who pays court costs and legal fees.

If you are successful, the court may order the person you have sued to pay the court costs and fees. If you lose, the court may order you to pay these costs and fees. You may lose if, for example, the court finds your claim to be frivolous.

Assistance. If you have questions about your plan, contact your *group*. If you have questions about this statement about your rights under ERISA, contact the nearest Area Office of the Employee Benefits Security Administration, Department of Labor. You can find the contact information in your telephone directory. You may also contact the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210.
