<p>The mandatory mail order RX benefit on all DEHIC plans requires members to obtain maintenance medications through mail order. This benefit allows for two new 30-day maintenance medication fills at a retail pharmacy and future fills must be obtained through mail order as 90 day prescriptions. The pharmacies noted above are participating within the mail order network, and therefore may be used by members to obtain 90 days prescriptions as an alternative to IngenioRx mail order.</p>
