The mission of the Wappingers Central School District is to empower all of our students with the competencies and confidence to challenge themselves, pursue their passions and to realize their potential while growing as responsible members of their community.
The “tax cap” applies to the tax levy – not to tax rates by town or a taxpayer’s bill.

The legislation caps the tax levy limit at .12% for 2016-2017.

Exclusions – New York State Retirement Systems & capital levy.

District met the requirements for STAR refunds through government efficiency plans.

Why this adjustment in the tax levy?

- GlobalFoundries purchased IBM property
- Payment in Lieu of Taxes (PILOT) agreement with IBM ended
- GlobalFoundries did not seek PILOT
- GlobalFoundries requested property to be added to the tax roll instead of a new PILOT agreement

Assessments

Each town assessor determines the valuation of real property including exempt properties and whether such property is subject to valuation.

Clergy and firefighter exemptions remain in existence in 2016-2107.

Tax grievance day is in May for each town.

Final assessments received from each town in Mid-August and broken down by Homestead & Non-Homestead.
How are school taxes calculated?

Equalization Rates

Percentage of full values at which the taxable real property for a municipality is assessed

Used to create uniform assessments and rates among municipalities

Finalized by the Office of Real Property Tax Services in mid-August

All towns are finalized at 100% with the exception of Philipstown (46.5%)
How are school taxes calculated?

**Tax Levy**

Total amount of money to be raised by the school district after all other sources of revenue are identified

The portion of the budget funded by property taxes

The tax cap legislation has made the tax levy a challenging factor of the budget process
