- [Walton High School](#)
- [Will County School District 92](#)

- Other items

EFFECTIVE COLLABORATION NORMS AND GUIDELINES

Suspend Certainty:

- Remain open minded.
- Commit to big picture, not personal interest. Inquire into the ideas of others before advocating for one's idea.
- Putting all ideas on the table, this creates meaningful dialogue and discussion.
- Presume positive intentions of each member, this can prevent unintentional put-downs.

Respectful Responses:

- Putting all ideas on the table, this creates meaningful dialogue and discussion.
- Presume positive intentions of each member, this can prevent unintentional put-downs.
- Pause before responding to enhance dialogue and decision making.
- Pay attention to self and others, be aware of what you are saying and how it is said as well as how others are responding.
- Paraphrase to indicate that you are an active participant and understand the conversation.
- Encourage a spirit of inquiry, balance advocacy with inquiry, so as not to rush to decision making nor leave issues without closure.
