Meal Distribution Update: Mr. Flusser provided an update on how the meal distribution process started and has settled into a rhythm of sorts. Approximately 400 breakfasts and lunches are served per day. All meals distributed are eligible for Federal and State reimbursement and are being claimed by the Food Service Department. Meals are compliant with USDA. Inventory being used as well as commodities available to help keep food costs down. The food service team has done a wonderful job of transitioning as needed and providing meals five days a week to WCSD students since mid-March. Kudos to Mr. Flusser and his team.

Mrs. Kelland: Thank you Mr. Flusser

Mr. Lumia: We get reimbursement for the meals from Federal and State, but what about the labor cost?

Ms. Crandall: WCSD does not qualify for FEMA relief for regular hourly wages. No reimbursement for this cost and it is one that the district must bear.

Surveys: Timeline for distribution and end date was discussed as well as the addition of two questions related to meal distribution during COVID-19. No issues or concerns. Surveys to go as scheduled.

No items for open discussion.

Wished everyone well and that we would speak again on Monday, 6/8/2020.

Motion to Adjourn 8:19am Mr. Lumia; seconded Mrs. Johnson
