- All District and school staff must attend an annual training by September 15, 2016.
- Greeter Policy – Driver's license scan.
- Mr. Lolkema will talk to Renee about monitor hours.
- Through the Smart Schools Bond Act all schools will have vestibules by the beginning of next year.
- Check with Bill Beale regarding de-escalation techniques for staff, students and parents.
- Principals should be trained first then they will train staff in their building.
- Update emergency contacts.
- NEW this year – 8 fire drills, 4 lockdown drills, etc. Should the drills be announced? Should law enforcement be notified of the drills? Should this be uniform around the district? Should there be a district policy on drill procedure so there is no miscommunication?
- Definition of drills should be communicated to the parents.
- Group shall meet quarterly.
- FEMA training/District Release?

Next meeting – early November
