As of Wednesday mid-day, April 6, 2022, the District received no new information pertaining to a 2022-2023 New York State (NYS) Budget.

What does this mean?

- The Board of Education is still scheduled to approve a Proposed Budget on April 19, 2022.
- All information received from NYS by the District will be reviewed immediately upon receipt.
- Any adjustments to the WCSD budget will be made based on:
  - previous conversations with the Board of Education and the community
  - Board of Education wish list items
  - community feedback
  - administration input
- A revised presentation may be provided to the Board of Education at the April 19, 2022 meeting.
- NYS aid comprises 28.67% of the District’s total revenue at this time. It is anticipated that any changes to NYS aid can be managed to meet the .83% tax levy increase.

**WCSD Continued Goal:**

*The 2022-2023 WCSD tax levy increase will be .83% which is below the tax cap.*
How did WCSD get to the proposed budget for 2022-2023?

The driving forces behind the WCSD 2022-2023 budget

• Balance social and emotional health supports for WCSD students and staff and continue to personalize the educational experience by maintaining staffing levels and educational opportunities in challenging times.

• Maintain our current educational program by supporting academic supports, academic enrichment opportunities, extra-curricular activities, as well as professional development for staff.

We believe the collaboration needed for meaningful change is built on honesty, trust and respect.
