2021-2022 Budget & the Current Educational Climate

- Working within guidelines and approvals from New York State Department of Health (NYS DOH) and Dutchess County Department of Behavioral and Community Health (DCDBCH)

- Continuing to work to increase in-person instruction opportunities in a safe environment that adheres to the guidelines and protocols enacted by the NYS DOH and/or the DCDBCH

- Increase social and emotional health supports for WCSD students and continue to personalize the educational experience by maintaining current staffing levels in challenging times

- Maintain our current educational program by supporting academic enrichment opportunities, extra-curricular activities, as well as professional development for staff

We believe the health and quality of a community are dependent on the responsible contributions of all of its members.
2021-2022 Budget – What we know so far...

- Consumer Price Index (CPI) is 1.23% - utilize the maximum available tax levy without piercing the tax cap

- New York State (NYS) Governor’s Executive Budget Proposal:
  - Areas of concern: NYS Aid by Reimbursable Aid category (i.e.: Textbook, BOCES, Transportation, Hardware, Software, Library, etc.) be converted to “Services Aid”
  - Current federal funding allocation of $10 million via the Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act
  - Potential additional federal funding allocation in excess of $6 million via the American Rescue Plan Act (ARPA) More information needed – very recent and no details yet available
  - Current Local District Funding Adjustment (LDFA) of $10 million

We believe the collaboration needed for meaningful change is built on honesty, trust and respect.
Key Words in the Budget process

- The **Budget** is the District’s spending. It balances revenues and expenses.

- The **Tax Levy** is the amount received in property taxes.

- **State Aid** is the amount received from fiscal year 2021 NY Enacted State Budget.

- **Other Revenue** is other financial resources received at the local level (i.e.: interest earnings).

- **Assigned Fund Balance** is an amount intended for the specific use/assignment for the District to reduce the burden on the taxpayer.

We believe that active and continuous learning is essential for individuals and communities to flourish.
