The Mission of the Wappingers Central School District is to Empower ALL of our Students with the Competences and Confidence to Challenge themselves, to Pursue their Passions, and to Realize their Potential while Growing as Responsible Members of their Community.

Empower, Challenge, Grow!

Responsible
Current Climate For Education

- The District is operating day by day with continuity of learning, providing breakfast and lunch daily, and essential operations.
- The District is working within the regulations set forth by the Governor of the State of New York.
- The NYS Education Department and various other NYS Offices provide guidance and guidelines to the District.
- These guidelines are subject to change based upon additional information received from the Governor and/or NYS Education Department.
- The multitude of unknowns make the climate even more complex.
- As a result, the information included herein is subject to change upon demand.
All Things Budget

- WCSD has a responsibility to the students and taxpayers. This budget is responsible in light of the current climate. **WCSD’s goal is to maintain the budgets integrity into 2020-2021 and beyond.**

- The budget vote is postponed until “at least June 1” per the NYS Governor.

- Any public hearing in April or May, including the budget public hearing, has been postponed per the NYS Governor.

- The Property Tax Report Card still reflects a due date of 4/27/2020. This is the mechanism by which a school district reports the budget to NYS.

- Legal opinion from the District’s counsel and the recommendation of the WCSD Administration:

  “We would recommend holding off on adopting the budget at this time. The Property Tax Report Card has to be submitted to SED the day after the budget is adopted by the Board, but no later than 24 days before the vote. Therefore, if the Board were to adopt the budget at its next meeting, it would have to submit the Property Tax Report Card. The Board would not be able to modify the budget once the Report Card is submitted to SED, should any unanticipated issues come up relating to COVID-19. We will speak with NYSSBA, who can hopefully contact Dan Fuller in the Governor’s Office, regarding the fact that SED’s website still shows a deadline of 4/27 to submit the Report Card.

  We still await an Executive Order from the Governor as to how the annual election and budget vote will be held (if at all). While we understand there are timelines within the Education Law, those are all dependent on the specific date of the vote. Since we do not have a date for the vote, we cannot calculate the timelines leading up to the vote yet. I do note that the Governor recently signed an Executive Order postponing any public hearings required to be held by school districts in April or May, which would include the public hearing on the budget. We are working on a memo to clients on this issue which should go out soon.”

WE BELIEVE

Embracing diversity in ALL its forms enriches the human experience.

A Challenging Budget Year
Status Check of the WCSD Successes During 2020-2021 Budget Process

District has made many advances in the area of reducing classroom sizes
- Strong recommendation to not reverse the last five years

The District has not allowed for the loss of employment (personnel cuts) in over 7 years
- This is not something that the District wishes to do as a budget balancing factor
- Through attrition, we have made responsible modifications to organizational structures

The District had the opportunity to move General Fund Balance to the Capital Projects in 2018-2019 – totaling $6,036,082
- This was done to support $3,000,000 in additional work and the balance in case of cost overruns related to the bidding of the work.
- The balance of the funds were not necessary as the bids came in within budget.
- The District can transfer the $3,000,000 back to the General Fund Balance.

WE BELIEVE
The collaboration needed for meaningful change is built on honesty, trust and respect.
What does it Mean to Use Fund Balance to Assist in Balancing a School Budget?

Fund Balance
• by definition is the difference between revenue and expenses
• can accumulate from year to year
• is like a savings account

Accumulated Fund Balance
• Utilizing portions of the Fund Balance reduces the balance in the “WCSD Savings Account”
• Increase when revenue exceeds expenditures in a school year.

When using Fund Balance to balance a budget, it is recorded as an increase in revenue. It is a tool to balance a budget.

What does it Mean to Use Fund Balance to Assist in Balancing a School Budget?

IF using Fund Balance as a tool to balance the budget, a district must be mindful of the availability of these funds from year to year.

WCSD will have retained **$805,119** in General Fund fund balance in the worst case scenario – NYS re-assesses school aid and reduces it in 2020-2021 by the full amount of the CARES funding.

*If the CARES money is not withheld by NYS, the balance of the funds will remain in the fund balance. Making the funds available for 2020-2021 and beyond.*

This budget supports WCSD's goal to maintain the budget’s integrity into 2020-2021 and beyond. There will be continued challenges ahead and WCSD is planning for them.
