

Wellness Committee Minutes

March 7, 2017

Called to order: 8:16am

Wellness Policy – The revised policy from the Policy Committee will be put forth to the Board of Education at the next BOE meeting in March 2017. A copy of the revised policy will be sent to all Wellness Committee (Committee) members as soon as it is approved. The article from OnBoard (copy provided to the Committee) outlines the newest guidelines from NYS.

The policy includes a list of actions that must be taken by this Committee. Mrs. Crandall created and shared a template of agenda items to ensure that the Committee reaches its goals as per the policy.

Board Presentation – We have confirmed that the presentation done in 2015-2016 meets the criteria as outlined in the guidelines from NYS as well as within the OnBoard article we just shared. The guidelines mandate that the presentation be completed every three years. At this point we will not proceed with an additional presentation this school year.

Survey – The annual survey is an action that is included in the policy. We have provided some examples of surveys and ask that you please provide feedback on items to include in the upcoming surveys. These surveys will not only include food choices but also wellness activities offered at each building.

Building Activity Update - We continue to add the examples of these activities to our website – sharing the great news happening in our schools. If there are any changes to the building contacts for wellness please let us know.

Next meeting: 5/25/17 at 8:15

Adjourn 8:52am
