

April 1, 2020

Hello OT parents & students!

First & foremost, I hope that all of my students and their families are safe and well! I understand how overwhelming and confusing this time is and my hope is that I can offer some guidance and strategies to make it a little easier for all of my students. I truly miss seeing and working with each and every one of them!

Starting this Friday April 3rd, I will slowly be adding resources, strategies, and activities to keep my students moving, writing, and learning through their teachers google classroom. Keep in mind that this will be constantly evolving as I will continue to have access to more digital resources and training in the days to come. If you have questions or need guidance that is specific to your child's OT needs, I can be reached via email: brooke.gabriels@wcsdny.org I will be checking this email periodically throughout the week and will respond as soon as I am able.

I will be creating "office hours" which are times that you can contact me and I will be available via email to promptly answer any of your questions or concerns. My "office hours" will take place Mon-Fri from 10:00-11:00am.

Please check out my teacher website for general OT information, resources, and activity suggestions: <https://www.wappingersschools.org/Domain/2060>

Again, I am here to help! Stay well!!

Mrs. Gabriels/Miss Brooke

P.S. Did you know that April is OT Month?! Check out my favorite OT website for kids: <https://www.toolstogrowot.com/>
