

FISHKILL ELEMENTARY SCHOOL Adopt-A-Book Program

Here's a great way to celebrate your child's birthday, a special day, or to honor a special teacher. Through the Adopt-A-Book Program, the PTA will be stocking the library with many new books that the school librarian will select to enhance the library. A book plate will be placed in each book to announce the adopter's name, when the book was adopted and the occasion or person that the book celebrates. Your generosity in helping expand our school library is truly appreciated!

With a tax-deductible donation of \$15 to \$20, your child will pick a high quality hard cover book and be the first to check it out. Checks should be made payable to ***Fishkill Elementary School PTA***. Please complete this form if you are interested in being part of this special program.
