

2020-21 Fishkill Elementary

TOGETHER WE CAN MAKE A DIFFERENCE

Welcome Fishkill Families!

While this year will be different from any school year we have been a part of, we want to do our best to support students and teachers to make the best of it: Together We Can Make a Difference!

The PTA is a bridge between home and school. The collaboration of families and teachers/staff make it possible for every child to reach their potential. This year more than ever, we need to work together to create a meaningful and healthy experience for our children. We strive to create a “Fishkill Family Community” and our hope is that you will be part of and help build that community.

Here are ways you can get involved:

- Join the PTA! Visit our store online at <https://fishkillpta.memberhub.store>
- Attend our meetings – via zoom until further notice
- Volunteer to chair a committee or co-chair with a friend – ask for ways you can help or look for postings!
- Support our fundraising efforts by joining the PTA, ordering Spirit Wear, making a tax deductible Direct Donation and/or participating in our ongoing fundraisers. We have options for everyone!

Here are some things we have planned for the year: (we hope to be able to add to this!)

- Virtual room parents – help keep your class up to date with what’s going on at FES. This is a great opportunity for parents that usually cannot help as a traditional room parent.
- Spirit wear! We will be offering t-shirts, sweats (great for remote learning) and FES facemasks!
- Teacher/Staff grants to help support our teachers
- Please check our facebook page and e-mails for additional events as we are able to have them.

This new school year brings with it new challenges, let’s take these challenges and look for opportunities to help our students and teachers! Your participation as a member and/or volunteer, will make a positive difference for all of our Fishkill students!

Thank you in advance for your involvement and continued generous support!
