

# Welcome to AIS Math

## with Ms. Oppenheim

Our class will have a Google Meet  
from 9:35 - 10:00 on ODD days

During remote learning, every MONDAY and  
FRIDAY, along with EVERY OTHER WEDNESDAY is  
an odd day.

If you are unsure about what day it is, check  
the Google Classroom. I will post reminders!

**4th  
period**

Click here to  
access the  
Google  
Classroom

### Attendance

Attendance will be taken during every  
Google Meet. You are expected to be  
present for the entire duration  
of the class.

Contact me with any conflicts.

### Google Meet Expectations

- Arrive on time and ready to learn
- Cameras on
- Do not record audio or video
- Do not take screenshots or take photos of classmates or teachers
- Only share your screen if your teacher asks you to
- Find a place free from distractions
- Come prepared with necessary materials (paper, pencil, etc.)
- Use the chat to ask questions
- Turn your audio off (mute) unless asked otherwise

The purpose of AIS Math is for you to  
have extra time to master the material  
you are learning in your math class.  
AIS is your time to ask questions and  
revisit topics. What you learn in AIS  
will directly connect to what you are  
learning in your math class.

**Check your school  
email daily!**

My daily office hours are from 1:15 - 2:25.

Email me at any time! I will get back to you as soon as possible.
