

Welcome to 7th Grade Math with Ms. Oppenheim

Our class will have a daily [Google Meet](#)
from 12:05 - 12:30

Assignments, lesson videos, and learning activities will be assigned daily and posted in the Google Classroom. Everything will be organized by week in the "Classwork" tab.

Attendance

Attendance in the Google Meet will be taken daily. You are expected to be present for the entire duration of the class.

Contact me with any conflicts.

Google Meet Expectations

- Arrive on time and ready to learn
- Cameras on
- Do not record audio or video
- Do not take screenshots or take photos of classmates or teachers
- Only share your screen if your teacher asks you to
- Find a place free from distractions
- Come prepared with necessary materials (paper, pencil, etc.)
- Use the chat to ask questions
- Turn your audio off (mute) unless asked otherwise

Grades

Quarterly grades will be based on a point system. The more in-depth or complex an assignment, the more points it will be worth.

A percentage grade can be found by dividing the points earned by the total points an assignment is worth. For instance, if you earn 17 points on an 18 point assignment, that is equivalent to a 94%. All grades will be visible through Google Classroom.

Submitting work late puts you at risk of not receiving full credit for the assignment.
