## **Course Fees/Supplies**

- Loose-leaf binder with loose leaf and five dividers
- Marble composition book
- Blue/black ink pens, pencils, highlighters
- Folder
- Earbuds for use in a Chromebook
- 2 boxes of tissues

## **Course Learning Objectives**

In Grades 7 and 8, students will examine the United States and New York State through a historical lens. The two-year sequence is arranged chronologically, beginning with the settlement of North America by Native Americans\* and ending with an examination of the United States in the 21st century. Although the courses emphasize the skill of chronological reasoning and causation, the

courses also integrate the skills and content from geography, politics, economy, and culture into the study of history.

As outlined by the New York State Social Studies Framework, Grade 7 Social Studies is arranged chronologically and incorporates geography as well as economic, social, and political trends. The course content is divided into eight Key Ideas, tracing the human experience in the United States from pre-Columbian times until the Civil War, with a focus on the people, events, and places in New York State as applicable. Throughout the course, teachers should help students see connections across time

#### Grade 7: Social Studies Practices

- A. Gathering, Interpreting and Using Evidence
- B. Chronological Reasoning
- C. Comparison and Contextualization
- D. Geographic Reasoning
- E. Economic and Economic Systems
- F. Civic Participation

Student outcomes for the social studies curriculum can be found at <https://www.engageny.org/resource/new-york-state-k-12-social-studies-framework>.

#### Attendance Policy:

**Absences:** You are responsible for the work we accomplished while you were gone. Work not turned in earns a zero. An illegal absence from class on a pre-announced test day will earn a zero on the test. NO make-up will be given. It is the students' responsibility to approach their teacher and ask for their missed work.

**Tardies:** Tardiness will not be tolerated. You are expected to show up to class before the bell. You will be late if you are loitering or "hanging-out" in-front of the door or in the bathroom when the bell rings. If you are late you need a signed pass from a teacher or administrator. Three (3) tardies will result in disciplinary action.

**Passes:** Passes will only be given in the event of an emergency. You are to go to the bathroom in between periods or during your free periods.

#### Grading Policy:

Homework = 1-15 points  
Quizzes = 15-50 points

Classroom Activities= 1-25 points  
Tests/Projects = 50-100 points

| SAMPLE GRADE:  | HW#1 | HW#2 | HW#3 | Test#1 | Quiz #1 | Quiz#2 | TOTAL |
|----------------|------|------|------|--------|---------|--------|-------|
| POINTS WORTH:  | 5    | 5    | 5    | 100    | 50      | 50     | 215   |
| POINTS EARNED: | 5    | 5    | 5    | 85     | 40      | 45     | 185   |

GRADE = POINTS EARNED (185) / POINTS ASSIGNMENT WORTH (215) X 100 = **86**

Every assignment is given a point value. The student's final grade is determined by **adding up all the points in the assignments** and dividing that number by the total points possible.

## **Course Policies**

### *Classroom Rules:*

1. Show respect for yourself, for others, and for the facilities and equipment.
2. Act in a responsible manner in everything you do.
3. Practice safety in regards to yourself and towards others.

### *Students are expected to:*

1. be a positive influence on others.
2. follow classroom rules.
3. come prepared to class daily.
4. complete assignments by their due dates.
5. work to the best of your ability.
6. actively participate in cooperative groups and classroom discussions.

Wappingers Central School District is committed to advancing the mental health and well-being of its students. If you or someone you know is feeling overwhelmed, depressed, and/or in need of support, services are available. For help or to find additional resources, contact the School Counseling Office at (845) 227-1700 visit the [School Counseling website](#).

## **Academic Integrity Rules**

### *As outline in the Wappinger Central School District Code of Conduct:*

#### **A. HONOR CODE**

A healthy learning environment can exist only if a commitment is made by all to live in the most ethical way possible. Those who refuse to make this commitment hurt not only themselves but also those in the entire school community.

##### **1. Cheating**

The District recognizes all policies and procedures required by NYSED for instances of cheating on all New York State Assessments. For class assigned work or local assessments a grade of zero may be given to any student who gives or receives information, including electronically, on any form of a test, quiz, homework, assignment or lab. Any person falsifying a grade or a test or related material, with the goal of increasing that grade shall take the penalty of cheating. A student may appeal the grade to the Principal and/or Building Administrator. In addition to the range of possible disciplines listed in the Disciplinary Measures table of this code of conduct, penalties for cheating will be at the discretion of the Building Administrator and the Classroom Teacher.

##### **2. Plagiarism**

Plagiarism is defined as the act of stealing and passing off as one's own ideas or words of another, or using a created production without giving credit to the source. This includes ideas or words from any printed text and/or the Internet. Students must use proper citations and references when using another's work or ideas. Any student who plagiarizes may receive a zero on the plagiarized work and may have a conference with the teacher to explain the circumstances. In addition to the range of possible disciplines listed in the Disciplinary Measures table of this code of conduct, penalties for plagiarism will be at the discretion of the Building Administrator and the Classroom Teacher.

##### **3. Falsification and forgery**

Falsification refers to the act of changing, adding to or deleting information from an absence note, early dismissal note, late arrival note, hall pass, parking permit, etc. Falsification also refers to deliberately providing false/inaccurate information. Forgery refers to the act of writing one of the above and passing it off as written by the appropriate adult. In addition to the range of possible disciplines listed in the Disciplinary Measures table of this code of conduct, penalties for falsification and forgery will be at the discretion of the Building Administrator and the Classroom Teacher.

#### **4. Intentional False Allegations**

Any intentional false allegation is a serious offense and a breach of the Code of Conduct. In the event that it has been determined by administration that an intentionally false allegation has been made, the matter will be subject to disciplinary action. Disciplinary measures for honor code violations may include contact of parent by administrator, detention, in-house restriction, external suspension, or alternative to suspension

#### **Homework and Classwork Policy:**

Homework and classwork are expected to be turned in on time at all times. Deadlines can be renegotiated if you notify me in advance that you are having trouble meeting the established due date. Any suspicion of cheating on homework and/or tests will result in a grade of 0 and parental contact. Late homework and classwork will lose 10% each school day it is late. Study guides turned in late (after answers are provided) will only earn 20% All assignments will be completed in either pencil, blue or black pen. Virtual assignments will be submitted via google classroom. Homework is posted every night on team 7 Green's webpage and Mr. Bender's google classroom/school site.

.....

**Videos:** Your child will view historical documentaries and reenactments depicting battles/events from the 13 Colonies, American Revolution, The Age of Jackson, Westward Expansion, and the Civil War.

.....

**Textbook:** America History of Our Nation: New York Edition

#### **Classwork:**

Students are to answer and ask questions, complete handouts, and listen **every day** in class. Students will let Mr. Bender know when they need help and what they need help with. When handouts are given out during class, whether to be completed in an activity or to be used during our lessons, they should be kept in your binder. It would be wise to keep the handouts in the order they are received. Extra credit (when available) will be offered to the entire class, not individual students.

.....

**Tests and Quizzes (Expectations and policies):** Mr. Bender posts a study guide a week before any test or quiz on his webpage under the assignments section and on his google classroom. The study guide will consist of a list of topics and essential content/questions to focus on. The study guide is to be completed by the students on their own time. Students will be prepared for the quiz/test during class, but it is also their responsibility to study for the quiz/test outside of class. There are no test redoes or test corrections offered.

.....

**Rules for the classroom:**

- **Language-**There will be no loud outbursts or use of foul language in the classroom (Referral)
  - **Be on Time-** It is of the utmost importance for students to get to class on time. When entering the classroom students are to quietly and respectfully start work immediately. Distractions will not be tolerated.
  - **Participation-**Remain silent while I am speaking, or any of your classmates are speaking and make eye contact. This is a way of showing respect for one another. Raise your hand often to answer and ask questions!! Complete all assigned work during class to the best of your ability.
  - **Remain Seated-**You are to remain in your seat throughout the entire class period (unless otherwise directed by the teacher). Raise your hand to ask for a bathroom pass or to sharpen your pencil. Throw away garbage at the beginning or end of class, not during class.
  - **No Cell Phones-** Cell phones should not be heard, seen, or used. They will be confiscated on sight in accordance with school policy.
  - **No Eating or Drinking-** Students will not be allowed food or drinks other than a small bottle of water (clear bottle).
  - **Come Prepared-** It is the students' responsibility to come prepared to class with a pen, pencil, binder, marble notebook, homework and relevant classwork material every day.
  - **Clothing:** Hats and hoods cannot be worn during school
- .....
