Game day is Saturday. Typically, games and practices take place at the Rt. 52 Soccer Complex, the exception is LDT. Practice nights vary dependant on division and coach.

Registration is for **both** Fall and Spring soccer seasons. Fall Season runs September through mid November, Spring Season runs April through June. All registrations will be waitlisted until enough coaches have been secured. Players will be taken from the wait list in the order of registration (all registrations are date and time stamped). **Registration will close on 6/22/19.** Registrations received after that date will **ONLY** be accepted if there are still openings in the desired age group. The best way to be sure that you can get on a team, and have a request honored, is to register early and sign up before **6/22/19.** *No requests will be honored after June 22, 2019.*

News to Note:

- Uniform cost is now included in fees for U6 through U19
- Requests are never guaranteed. We will try to honor all requests that are made by the June deadline, but in some cases it may not be possible to accommodate requests.
- **All new players to the club must submit a copy of their birth certificate and proof of residency to the East Fishkill Soccer Club Intramural Registrar at efscipregistrar@yahoo.com**
- **All coaches/volunteers MUST complete all mandatory background checks and concussion training**
