Greetings,

We would like to extend an invitation for you to join us on Saturday, March 30 from 9AM-2:00PM for a special Sound the Alarm Save a Life event in Wappingers Falls. During this one-day event, the American Red Cross is joining forces with Wappingers Falls School District, Village of Wappingers Falls, Rebuilding Together of Dutchess County, and community organizations in an effort to prepare local households with lifesaving fire safety education and to install FREE smoke alarms.

Fire experts agree that you may have as little as two minutes to escape a burning home before it's too late to get out. Having working smoke alarms can cut the risk of death from a fire in half.

Your participation at this event truly has the power to save lives and have a positive community effect for years to come! Attached is the flyer for the event and a form to request smoke alarms. Below are the links, to sign up to volunteer or virtually request smoke alarms.

- To sign up to volunteer online, please visit <https://volunteerconnection.redcross.org>
- To request a smoke alarm online, please visit soundthealarm.org/eny
 - After clicking on the link above, on the website provided choose **“Learn More and Request Smoke Alarms.”**
