Dear Brinckerhoff Families,

I hope you are enjoying a wonderful and relaxing summer vacation! I just wanted to take a moment to reach out and introduce myself. My name is Kristin Rimmer, your child's new principal at Brinckerhoff Elementary School. I am just so excited to be joining an educational family that has such a wonderful reputation for academic success and collaboration. Since I started, each person I have met has been so helpful and supportive which has made me feel truly comfortable throughout my transition. Thank you so much!

A little bit about me, after spending most of my life on Long Island, I recently took the leap and relocated to the Hudson Valley. I have been in the educational field for the past 15 years as both an educator and administrator. I have taught in a variety of settings including; Reading, General Education and ICT Classes in grades K-6. In 2012, I made the transition into administration where I was both an Assistant Principal and Principal with students in grades Pre-K-6. I have a strong background and passion for Curriculum Instruction, Special Education, and Social Emotional Learning. It is my hope that we can work together to meet the ever changing needs of our students while continuing to uphold the fine reputation which has already been established here at Brinckerhoff.

Before the year begins, I would love an opportunity to meet you and your children so you will know my face as I am walking around the halls in September. Please join me for a Meet the Principal Night, hosted by our PTA, at The Brinckerhoff Playground on August 13th from 6-7pm (rain date August 14th). I know with family vacations, work, and other plans this might be a challenge. If you cannot attend, please feel free to reach out if needed. I will be available at Brinckerhoff throughout the summer to help you with any questions or concerns you may have regarding your child. My contact information is located on our website but for your reference, my email is [Kristin.Rimmer@wcsdny.org](mailto:Kristin.Rimmer@wcsdny.org) and our phone number is (845) 897-6800.

I am looking forward to the start of a fabulous partnership and a very successful school year!

Fondly,

*Kristin P. Rimmer*
