

Extra Resources and Activities:

Here are some resources if you are looking for additional activities for your child.

Attached you will find a list of foundations words. Your child can tap to read and tap to write these words. You will also find trick words that they can practice reading and spelling. Trick words can not be tapped out. We have attached some foundations writing paper if you would like to use.

In addition we have added some writing paper that the students can use if they would like to write stories. We are working on writing true stories. They can also use any notebook or loose leaf paper you have at home.

Some helpful websites that your child is familiar with are:

<https://login.i-ready.com/>

<https://www.raz-kids.com/>

If anyone needs login information please contact us via email.
