

Sixth Grade

Dear Sixth Grade Families,

We hope you are all doing well! We miss you and hope to be with all of you soon! Please know that the sixth grade team is here for all of you and we want you to know that the most important part of all of this is your health and safety. We are a team and want you all to know we can do anything together.

The sixth grade team will be using Google Classroom for each of our classes. The students have access to our Google Classrooms. Please have students check their Gmail (email) daily. They can access their Gmail and Classroom by signing into Google. The students use their username and password to sign in. For example,

User: firstname.lastname@k12.wcsdny.org

Password: Firstnamelunchnumber (First letter has to be capitalized).

Our office hours are from 10:00am-11:00am. You can always send us an email and we will respond as soon as possible. Students and families can contact us through email.

New lessons will start on Friday, April 3rd, hopefully you had the opportunity to complete some of the review work that was provided on Google Classroom. We will be posting all new information and assignments on our Google Classroom! If you do not have access to Google Classroom, please let us know as soon as possible. Instruction for students will be approximately 2 hours a day (we will not start at this amount of time, we will build up to this). This will consist of about 30 minutes for ELA, 30 minutes for Math, 30 minutes for Science or Social Studies and 30 minutes for special (P.E., Art, Music, Library). Students will be able to go on and complete the work at any point throughout the day.

Here is a sample schedule:

	Monday	Tuesday	Wednesday	Thursday	Friday
30 Minutes	Math	Math	Math	Math	Math
30 Minutes	ELA	ELA	ELA	ELA	ELA
30 minutes	Special	Special	Special	Special	Special
30 minutes	Science	Social Studies	Science	Social Studies	Science

This is just a suggestion, please complete your daily assignments as it fits into your schedule at home. You can complete your assignments in the order you want.

If you want additional practice, please log on to iReady or Legends of Learning. Please check your Google Classrooms for any additional/optional work to support you in each content area. Please make sure you continue to read and practice your math skills....every day to continue to improve your reading and math fluency!

Stay well, stay healthy, and stay kind! We love and miss you all! Go Bluebirds!

Love,

The Sixth Grade Team
