

Bonjour Mesdames et Messieurs !

I hope you and your family are all doing well at this time ! While things may seem a little stressful and new, I want to assure you that we will figure this out together. It is my goal to get you the information you need to be successful in this course and to help you navigate what our learning will look like together.

As we begin our learning this way, here is some important information you will need to keep handy:

- ❑ *Be sure* to familiarize yourself with Google Classroom and once we get in the swing of things check *daily*. This is the platform I will be using to upload all assignments, materials, videos etc. Continue to check my teacher website as well.
- ❑ The best way to reach me is by email: doriann.dellolio@wcsdny.org
- ❑ I plan to have office hours three days a week at various times; Monday: 11:00am-11:30am, Wednesday 11:30am-12:00pm and Friday 1:00pm-1:30pm. This means I will be available to answer any questions or provide clarification by email promptly or on a hang out if already scheduled.
- ❑ Other important information: I have posted work and materials prior to going on our spring break, take a look at them. I will be adding due dates for some of the work I find to be important moving forward. Check also the information listed regarding codes for quizlet and such.

Our first assignment together is a Google Form that will be posted today, April 1st. This is a way for me to check in and “hear” from you all and for us to familiarize ourselves in order to begin working this way through “distance learning”.

At your earliest convenience, go to our Google Classroom and complete the Google Form: Check-In. It is a short and easy start -- so don't be overwhelmed! When you submit it, it will record your name and I will be able to see that you were able to get the information I set up for you. Please complete this by the end of the day Friday 4/3; as I need you to complete it so we can see what we need to get you, if anything.

There are still a lot of questions we all have, including grading, testing, and what the rest of the year might look like. Please do not worry, I will share any information we get with you as soon as it becomes available. This is a new experience for all of us, so let's work together. For now, be well - I miss seeing you all at school !

Sincerely,
Mademoiselle Dell
